TRY TO WRECK EXPRESS
Two Different Attempts Made on the Wabash.

Windsor, Aug. 13.—Two different attempts to wreck a fast Wabash passenger train near Jarvis, Ont., were made early yesterday. The Chicago-New York Flyer, No. 4, in charge of Conductor Michael Nester, going through Jarvis at fifty miles an hour, at four o'clock, struck a pile of ties placed on the track. The engine left the rails but the coaches remained on the track. The passengers were badly shaken up, but escaped injury. Wrecking crews were summoned and the engine put on the track.

Two hours later, at daylight, and a short distance further along the track, Wabash Flyer No. 6, in charge of Conductor Alex. McMullen, hit another obstruction placed on the track, but the train did not leave the rails.

Railway officials and the police were notified, and they in turn notified the military authorities. An investigation is being conducted and steps will be taken to protect the line.

YACHT CANADIAN SANK
Three Hamilton Men Managed to Make Land.

Hamilton, Aug. 13.—Word was received here from Okeett, N.Y., telling of the thrilling experience of A. G. Lees, George Daley, and Ed. B. Fraser, all of this city, on Lake Ontario on Tuesday night. They left Toronto in the thirty-foot yacht Canadian, a former Canadian Cup challenger. When twenty-five miles from the American shore the boat struck something and sprang a bad leak. The three men bailed for hours and finally when the boat was 400 yards from shore it sank. The three exhausted men barely managed to make land. They were taken to an hotel at Okeett to receive medical attention.
