## The Light That Failed

Knitting's pathetic tale of the artist who lost his sight teaches a moral. "The eyes are bread winners; take care of them." Trust your eyes only to a reputable optometrist of known ability.

We are Optician Specialists. We do nothing but examine eyes and fit the proper glasses. Our ability to correct defects of vision is the reason for our being in optics exclusively to-day.  
Lenses ground while you wait.

## THE TOWN OF GANANOQUE.

Government to Build Wharf at Burnt Island.  
Gananoque, Aug. 19.—Mrs. Rowe and little daughter, Frances, of Rochester, N. Y., are visiting Mr. and Mrs. Thomas Baker, King street.  
Andrew Brennan, Chicago, is spending a few days in town.  
The head office of the Dwyer Spring and Axle Company, Limited, has been changed from Chatham to Gananoque.  
It is reported here that the government has given contract for building a \$4,000 wharf at Burnt Island.  
Mrs. T. G. Berry, North street, accompanied her younger daughter, Miss Vera to Kingston when the latter will attend model school.  
Miss Kathleen Boyle has left for Kingston model school. Miss Ruth Caldwell, Brockville, is visiting her aunt, Mrs. T. G. Berry.  
Identity of Man Killed.  
The body of the man killed on the G. T. R. tracks has been identified as Charles Stearns, aged fifty of Escott. He had been engaged painting the Goswin schoolhouse, three miles from his home, and was on his way to work when the accident happened. Charles Stearns was a life-long resident of Escott, and was well and favorably known. He was single, and lived by himself in bachelor quarters. He was the original owner of the Escott mill pond, the rights to which he sold some time ago for manufacturing purposes. After being struck by the train he lived until taken to Lansdowne, where he died.  
Miss S. Owens and Miss Katherine Dixon, Syracuse, N. Y., are visiting Mrs. Dixon, Ordnance street.

## ENGINEERS OF QUEEN'S

### CHEERED WHEN THEY LEFT FOR VALCARTIER.

Big Crowd at the C. N. R. Station—Most of The Students Belong to Kingston.

Thousands were at the C. P. R. station on Tuesday afternoon to give a "send off" to the 5th company of Royal Canadian Engineers. Major Alexander Macphail commanded the company that marched with its full equipment from Queen's university to the station. The train consisting of a pullman, two colonist cars also Canadian Northern standard, took the troop to Valcartier. The train was ordered for two o'clock but this time was changed to three o'clock as such short notice had been given about the departure.

The boys when they arrived at the station were marched in front of the building. They then stood "at ease" and gave enthusiastically the Queen's yell. This brought forth cheers from the spectators. Then the engineers entrained and the farewells were said.

The boys are nearly all from the city and have many friends. The majority are students who have been raised in Kingston. The demonstration was not as solemn as when the R.C.H.A. left last Thursday, as few of the engineers are married. Of course their parents were down, but they seemed to conceal their feelings. Anyhow the cheer that followed when the train pulled out at twenty-minutes to four o'clock was one to put spirit into any hearts.

The rifles the students carry are the new Ross, and one soldier passed the remark: "If I ever get the head on the Kaiser, I will come back without regretting I have lost a year in college."

The following are the mechanics who left with the 5th company of the Royal Canadian Engineers to Valcartier Tuesday:

- E. C. McDermott, E. Krier, W. H. Lawler, T. E. Gordon, William Kelso, Alfred McCutcheon, L. C. Clay, Edna Warren, Robert Beard, Frederick Edwards, James Tolan, Ernest Darling, Ernest Fournier, W. Bates, A. N. Timmins, T. Bristol, Charles White, A. C. Finnie, W. S. Smallridge, James Crumley, Malcolm G. Ryan, Harry White, George Bevens.

## KIOTA II WON AGAIN.

In the Motor Boat Races at Alexandria Bay.  
R. S. Waldron's Kingston launch, "Kiota II," again won first place in Tuesday's racing, giving him two first places and one third in the series for Col. A. G. Staples \$500 gold cup competition series, at Alexandria Bay. Last Saturday Mr. Waldron got a bad start and finished third, but on Monday and Tuesday he took the coveted position of first place, giving him a total of three points on the round of three races. The American yacht, "Kiota II," took first on Saturday and second on Monday and Tuesday, thereby also making seven points, and making a tie with Mr. Waldron.

## The Late Mrs. Ellen Shaw.

The funeral of the late Mrs. Ellen Shaw took place from the residence of the deceased, 143 Colborne street, at 9:45 o'clock Wednesday morning, to St. Mary's cathedral, where a solemn requiem mass was celebrated by Rev. Father A. J. Hanley, assisted by the Rev. Father Traynor, as deacon, and Rev. Father Halligan as sub-deacon. A solo was sung by the latter.

After mass the remains were borne from the cathedral by these pallbearers: A. W. Macdonnell, Frank Grisham, and John Mullin, first sons-in-law; and W. Maiden, George Cooper and S. Turpin. The chief mourner was the deceased's son, William John Shaw. The remains were interred in the family plot at St. Mary's cemetery.

## It Would Cost \$10,000.

On Wednesday morning City Engineer McLelland, T. F. Harrison, chairman of the city property committee, and R. J. Bushell, manager of Kingston's Only Fair, visited the fair grounds and inspected the buildings. They were accompanied by a contractor who stated that the buildings could be put in good condition for \$10,000.

1000 Isla vs Rochester.  
S.S. Caspian leaves at 10.15 a.m. Wednesday, Friday and Sunday, for Thousand Islands, and at 5 p.m. for Rochester.

## THE A. Y. P. A. CONVENTION.

Was Held on Wednesday in St. George's Hall.

The business part of the A.Y.P.A. convention began on Wednesday morning after choral celebration of the holy communion had been celebrated by Archdeacon O. G. Dobbs, assisted by the visiting clergy. Rev. K. P. Hurford, of New Roynce, gave a short address upon the ideals of the Anglican Young People's Association. Roll call and the reports of the officers, including those of the secretary and treasurer were given by Rev. E. Appleyard and Miss M. Woodhouse.

The president of the dominion association, A. W. Langmuir, of Toronto, dealt with the organization, insurance and constitution of the A.Y.P.A. The financial part of the society was not in as good running order as it should be, and he urged the executive and other workers to interest themselves more closely.

The secretary had encouragement from some of the cities of the United States, and parties in the latter think it a wise motive to have a society such as the A.Y.P.A. in connection with the church.

The morning session adjourned and was to resume at 2:30 o'clock in the afternoon.  
A moonlight excursion is to be tendered to the visiting delegates on Wednesday evening.

## NOT LAID CORRECTLY

And As a Consequence the Water Lodges.

Merchants are complaining that the bricks between the tracks near the corner of Princess and King streets have not been laid correctly. The rain on Wednesday filled up the hollows and left two pools of water in front of Gibson's grocery store, about two feet long and about an inch deep. One of the pools is close to the drain between the tracks and is so big that people have to walk around it. If these bricks had been laid with due regard for the levels, the water between the rails would drain off through the centre drain and the rest of it would go to the curb. The same condition is at the corner of Princess and Wellington streets where the water has formed a big pool that greatly inconveniences people getting on and off street cars.

Police Court Cases.  
James Anderson and James Thompson, two strangers to the city, were gathered in by the police on Tuesday on a charge of vagrancy. When they appeared in the police court on Wednesday morning the magistrate gave them until noon to get out of the city.  
James Hroy, a member of the prohibited list, was gathered in for being under the influence of liquor. He was remanded a day.
