SAID HE DESERTED

SO A GUARD AT BARRACKS TOOK HIM IN CHARGE.

The Young Fellow Was Drunk and Just Talking, But Was Later Handed Over To The City Police—Soldiers on Guard Must Not Be Trifled With.

"Yes, sir, I'm a deserter, all right. Run me in if you like."

While under the influence of liquor and loafing around Tete de Pont barracks, a young man named Michael Black made this statement to one of the guards. It was just another case where it did not pay to trifle with a guard, and it was not long before Black found himself a military prisoner.

Later on he was turned over to the city police. The affair happened about six o'clock on Thursday night, and many citizens noticed the young fellow being escorted to the police station by a member of the 5th field battery. He was charged with drunkenness and when arraigned before the magistrate stated that this was the first time he had ever been before the court. The military authorities did not press the case and the accused was allowed his liberty.

As a result of three or four cases which have come under public notice within the past few days it will be seen that the military guard is not to be trifled with. On Thursday a young fellow went to jail for two months for disorderly conduct near the barracks gate.

HELD A CONFERENCE

REGARDING GOING ON WITH ADDITIONAL PAVING.

Financial Side of the Question Will Be Taken Up With the Banks—If Money is Available, Work Will Likely Be Carried On.

As a result of the conference held on Thursday afternoon, by members of the civic finance committee and the Board of Works, the banks will be consulted regarding financing the work for additional paving.

There was long discussion on the matter and it was decided to have Mayor Shaw interview the banks and see what can be done. If the money can be secured it is likely that more paving will be done as the members of council are anxious that work be secured for men who are sure to be out of employment in a short time.

It was intimated at the meeting that Messrs. Foley & Gleason were willing to do 20,000 square yards of additional paving at their old price of \$2.15 per square yard.

The members felt that great care should be taken in spending money and that only what was absolutely needed should be expended in view of the stringency in the money market.

Mayor Shaw is very anxious to have something done to the block on Princess street, between Barrie and Clergy, about which there has been so much discussion. He would like to see it paved if the work can be undertaken, but if it cannot be done he will be satisfied to have some macadam placed on it and have it put in good repair. But he says that surely something will have to be done to improve its present condition.

In view of the fact that the money side of the question has to be finally decided upon it is not likely that the Board of Works will have another meeting to take up the paving question for some time.

At the council meeting on Wednesday night Ald. Litton withdrew his report advocating the going on with additional paving when it appeared to be the general feeling that the money could not be secured for the work. The chairman of the Board of Works has worked hard to get more paving done and is still of the opinion that it can be done.

MARRIED AT HARROWSMITH.

The Leggett-Gallagher Wedding on Tuesday Last.

On Tuesday morning, at ten o'clock, a quiet but pretty wedding was solemnized at the home of the bride's parents, Harrowsmith, when Myrtle, eldest daughter of Mr. and Mrs. J. A. Gallagher, became the bride of Dr. Theodore Howell Leggett, Ottawa, Rev. J. A. Waddell officiating. The wedding march was played by Miss Della Earl, Smith's Falls, and during the signing of the register W. H. Kerfoot sang "Because." The fair and graceful bride wore ivory duchesse satin, with court train, trimmed with princess lace and pearls, with tulle veil and orange blossoms and carried a shower bouquet of orchids and lily of the valley. Her only ornament was the gift of the groom, a platinum and diamond necklace. Miss Beulah Gallagher, Toronto, niece of the bride, acted as flower girl and wore a lingerie dress and carried a basket of pink roses. After the wedding breakfast Dr. and Mrs. Leggett left for "Crest View," Rideau Lakes, the bride travelling in a black taffeta suit with white Panama hat. After the honeymoon they will reside at the corner of Elgin and Gilmour streets, Ottawa.

WOUND UP BUSINESS.

The final meeting of the Anglican Young People's Association of Kingston was held in St. George's hall on Thursday evening for the purpose of winding up matters arising out of the dominion conference held here last week. It was presided over by Rev. R. C. Magee and the first part of the meeting embodied the reading of several reports, which from all points showed affairs to be in the best of shape both financially and otherwise. Votes of thanks were tendered R. G. Sutherland for his timely and helpful contributions to the conference, and many of the delegates who attended the conference, thereby making everything satisfactory. Rev. R. C. Magee and Miss Laura M. Ryder were also extended thanks for their excellent work in connection with the conference. A vote of thanks was tendered Prof. Mitchell and Miss Edith Evans upon the splendid reports they had written and had printed in Church Life.

COOKE'S WON THE CUP

BY DEFEATING ST. PAUL'S ON THURSDAY NIGHT.

Stewart Toland Won the Game For His Fellows By a Heavy Hit—A Protest May Be Entered.

Cooke's junior baseball team won the junior S.S.A.A. baseball trophy, on Thursday evening, at the cricket field, when it defeated St. Paul's by a score of 5 to 4. The game was one of the best exhibitions played at the cricket field this season.

For the most part of the game it looked as though St. Paul's would pull out victorious, as they were leading by 4 to 2 until the last of the fourth inning. Stewart Toland came up to bat and hammered the ball for three bases with two men on bases. He got home on George Stewart's hit.

There is some talk of St. Paul's protesting the game on the ground that Stewart Toland, who was behind the bat for the winners, violated the rules of the association in taking part in the game, as he has played senior City League baseball.

The teams lined up as follows:
Cooke's—Kennedy, r.f.; Paul, lb.; Simmons, l.f.; Toland, c.; Stewart, s.s.; Douglas, 3b.; Smith, p.; Sommer, 2b.; Kennedy, c.f.
St. Paul's—Linton, lb.; Miller, c.f.; Doherty, 2b.; Cherry, p.; Savage, s.s.; Gimlett, r.f.; Fowler, 3b.; R. Savage, 3b.; Elmer, c.

Score by innings:
Cooke's 0 1 0 1 3-5
St. Paul's 0 4 0 9 0-4
Umpire—Bruce Thompson.

A Benefit Game.

The ball game on Saturday between the Victorias and the Athletics, in the cricket field, will draw a large crowd. The proceeds are in aid of the Soldiers' Wives' League and, therefore, a good collection should result. "Dicky" Mathis will pitch for the Athletics, and if he plays as good as last Saturday the number of hits on him will be small. Stanley Trotter has been successful in obtaining a band and a big day should be the result. The Athletics are anxious to win from the Victorias, the champions of the league, and, of course, they will not without a close game.

TO-NIGHT AT GRAND.

The Dances of Ruth St. Denis to Be Seen.

Some dances which Ruth St. Denis will offer to the Grand to-night lean in the direction of the Indian dances, which correspond with the Indian views of civilization, belong to the religious rites. But one may leave this outer significance entirely out of the question. The artistic element of these performances comes significantly to the front, and finally, we no longer think of India, which merely furnished as the initiative, but only of the personality of the individual who avails herself so finely of these ideas.

The art of Miss St. Denis is original and unique. She is of tall and slender stature, she executes the most delicate movements with suppleness, such as one sees only in the case of Indians, jugglers, and tight-rope walkers. Her astounding capacity of turning the body in ecstasy, as if she had no bones, is almost incredible.

One of these dances, probably the most accentuated, showing most clearly the unique character, is called "The Cobra," and illustrates a scene from India street life; a snake dance. The dancer copies with her body, and especially with the arms, the graceful and elegantly powerful motions of the Cobra snake.

The dances of "Old Japan" form an interesting part of Miss St. Denis' program. They include the dance of the "Flower Arrangement," "The Chrysanthemum Dance," "The Samurai Dance," and the dance of the "Fugen Bostan."

The same company of native actors and assistants who have supported Miss St. Denis in New York and abroad will appear with her here.
