By various illustrations Mr. tary of State Bryan, soon after he the prospectors the trawlers and the take from the large amount of resources placed at his disposal, leaving more for other toiling hands to

The preacher criticized the government for spending so much money on war purposes, the money should be used to better advantage. It should be turned into the creation of farming colonies and inside of a few years poverty would to a large extent cease to exist.

First Congregational

Rev. E. LeRoy Rice, of the First Congregational church also spoke upon the subject of Labor day, dealing with "The Carpenter of Nazareth." The speaker took his text from St. Mark VI; 3; "Is not this the carpenter the Son of Mary?

And they were offended at him.' Mr. Rice declared that Labor day was connected with the carpenter shop at Nazareth in Galilee, where for eighteen years by the sweat of his brow, Jesus the Son of Joseph and our Great Redeemer labored to fulfil God's bidding. Of course this was looked upon as menial work by the people of that day which caused them to be ashamed of him. Let statement. "The exact figures are it be understood, declared Mr. Rice that hard labor develops the humbler qualities of life.

Some parties would say that this is work which would harden a person, but the speaker said it was not the work but the spirit with which it was pursued that developed the character.

London, Sept. 5 .- The nations Brotherhood Council, the which recently toured Canada it connection with the annual convention, has performed a remarkable action has been taken by the cil, Arthur Henderson, the labor member, offered to resign his office as president-elect because he had joined the parliamentary recruiting expected to follow. vote-face. At a meeting of the councommittee. He feared that this might compromise the brotherhood movement, one of its main principles being international peace. Harry Jeffs, the president, in supporting Mr. Henderson's action, said that his own son, a government official in Saskatchewan, was coming with the Canadian contingent. The Inter national brotherhood had no chance while Prussian militarism ruled The council agreed unanimously in upholding Mr. Henderson as a re cruiting agent.
