Fire! Fire! Fire! Build With Brick!

The recent fire at the Davis Tannery should bring home to the people of Kingston the danger to life and property from buildings which anything but fireproof material. All over the world the fact is being demonstrated that brick is the best fireproof building material, and as we are making as good an article as any on the market today, we want to help build up Kingston with our up-to-date fireproof goods.

In These Critical Times

It takes a mighty clever man to play the part of success while dressed in the costume of failure. You should be too smart to work against needless drawbacks, when the remedy lies in wearing up-to-date clothes. Being properly and neatly dressed is a most helpful asset, either in social or in business life. You should get to know our clothes by giving your order now for a suit.
