Fire! Fire! Fire! Build With Brick!

The recent fire at the Davis Tannery should bring home to the people o Kingston the danger to life and property from building with anything bu fireproof material.

All over the world the fact is being demonstrated that brick is the bes fireproof building material, and as we are making as good an article as an on the market to-day, we want to help build up Kingston with our up-to-dat fireproof goods.

If you do not believe we have good brick, go and look at that house a the corner of Brock and Division Sts. also at Quebec and Cherry Sts.

We certainly are proud of these houses, and we can supply plenty mor brick just as good.

Our tile is going fast, but we are making more. So come along and orde what you want.

Acid Stomachs Are Dangerous

Common Sense Advice by a Distinguished Specialist

"Acid" stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus hindering and preventing the proper action of the stomach and leading to probably nine tenths of the cases of stomach trouble from which people suffer. Ordinary medicines and medicinal treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized and its formation prevented, and the best thing for this purpose is a teaspoonful of bisurated magnesia a simple antacid, taken in a little warm or cold water after eating which not only neutralizes the acid but also prevents the fermentation from which acidity is developed. Foods which ordinarily cause greatest distress may be eaten with impunity if the meal is followed with a little bisurated magnesia, which can be obtained from any druggist, and should always be kept handy.

ONE MORE CHANCE

To Say God Speed to Canada's Contingent.

Those who took advantage of the special opportunity afforded to visit Valcartier military camp, last weekend, at a purely nominal cost, have expressed such keen appreciation of the enterprise shown by the Canadian Northern railway in inaugurating the 87 excursion, that it has been decided to repeat the service to Valcartier, Quebec and Hotel Lake St. Joseph once more.

Intending passengers are advised that the 87 rate will still be in effect, good going Friday and Saturday, September 11th and 12th, on regular trains. Return limit until September 16th. The same comfortable equipment will be noticeable, as also the homelike dining car service between Quebec and Valcartier and the dining and commisary car service at the camu throughout the day.

Passengers are again cautioned that the Canadian Northern railway is the only through line to the camp, and in order to avoid vexatious changes and delays, they should be sure to book via the C.N.R. Tickets can be obtained and sleeping car reservations made at city office, Wellington street. M. C. Dunn, city agent, or R. H. Ward, station agent.
