INJURED AT ODESSA MET AWFUL ACCIDENT

HORSE DASHED INTO CROWD OF SPECTATORS. HARRY CARD, WOLFE ISLAND, WAS THE VICTIM.

Peter Heath and Archibald Johnson Were Knocked Down — Trotter Got Beyond Control After Race.

Peter Heath, aged about seventy years, who resides at Odessa, and Archibald Johnson, son of Frederick Johnson, of Moscow, received severe injuries on Friday afternoon, when one of the horses which was taking part in the running races at Odessa fair got beyond control and dashed into the crowd along the track.

Dr. Mabey, of Odessa, who was on the grounds, at the time, responded to the call, and attended to the injured. Mr. Heath was rushed to his home in a spring wagon, while young Johnson was taken to the doctor's office.

On Saturday morning the Whig learned over the long distance telephone that both patients were doing as well as could be expected. Mr. Heath received some bad cuts on his face.

No blame can be attached to the men who were in charge of the races. Dr. G. W. Bell, who was the starter, warned the people that if they did not get off the track the association would not be liable for injuries.

It was the final heat in the race when the accident occurred. The heat had been pulled off, but due to some dissatisfaction on the part of the men who drove the horses, it was decided that the better way to adjust things was to run the heat over, and this was done. The horse which did the damage had crossed the wire and had won the first prize before it got beyond control.

SOLDIER'S WIFE DIES

WHILE HER HUSBAND IS ON HIS WAY TO WAR.

She Would Not Detain Him, Although She Was Nearing Death — Wireless Message Sent By Col. T.D.R. Hemming.

An extremely sad death occurred on Friday afternoon at 3:30 o'clock, when Jane Sarah Ryder, wife of Gunner Edward Ryder, one of Canada's loyal soldiers who has gone to the front, passed away at her late residence, 57 Lower Bagot street. Although it is not definitely known whether Mr. Ryder has left Canada as yet, a wireless message was sent by permission of Col. T. D. R. Hemming to inform the deceased's husband of the sad news.

When Mr. Ryder was called to the front his devoted wife, knowing that she could not recover, said: "Do not let me stand in your way, because the country needs you." A few days before Mrs. Ryder died, she prayed that God would spare her, that she might see her husband again.

The late Mrs. Ryder was born at St. John's, Nfld., forty-seven years ago, and for the past twenty-six years has resided in Kingston. She was a member of St. George's cathedral congregation, and was widely known by a large circle of friends. For the past three years she has been ailing, but it was not until the past week that she took critically ill. Her husband and one daughter are left to mourn her loss. The daughter, Miss Laura, was, in constant care of her mother during her entire illness.

The funeral of the deceased will be conducted at 2:30 p.m. Monday, at St. George's cathedral, and Rev. Mr. Magee will officiate. The remains will be interred at Catawqui cemetery.

TO LOCATE IN KINGSTON.

Dr. H. A. Stewart to Carry on Dentistry Here.

Citizens generally will be pleased to learn that another of Kingston's enterprising young men has decided to locate in business in his own home city. Since May last, Dr. H. A. Stewart, dentist, has been attending to Dr. McLean's practise at Trenton, Ont. Recently, he decided to locate in Kingston and leased the fine offices over Kinnear & d'Esterre's jewellery store, corner of Princess and Wellington streets, where he has just finished fitting up very fine dental parlors, equipped with all the latest instruments, etc.

Dr. Stewart is a son of T. H. Stewart, 180 Alfred street, and in May last graduated from the Royal College of Dental Surgeons, Toronto, where he put in four years' study and secured the degree of D.D.S. and D.M.S. In June last, he passed the dominion council, securing his D.D.C., which enables him to practise anywhere in Canada, except in British Columbia and Quebec. The young man has a great many friends in the city who are pleased to see him come back to his old home town to take up his residence, and will wish him every success in his professional work.

THIRTY-THIRD LIST

Of German Killed Is a Very Formidable One.

Rotterdam, Oct. 3.—The thirty-third list of killed just issued by the German authorities, is a formidable one. There is no mention of the wounded and only names of officers and men killed, but the list occupies four columns in the Berlin Tageblatt. One regiment alone is recorded to have lost 400 killed, presumably in one action.

Motor Boat Shaft Tore His Right Foot — Instep Tore Away for Several Inches.

A terrible accident befell Harry Card, of Wolfe Island on Friday evening about 6:30 o'clock while he was bringing two business men from this island to the city in order to catch the 7:15 o'clock train going west. The engine of his motor boat did not work quite satisfactorily, and while opposite Garden Island, Mr. Card started to work with the water pump which supplies water to the engine in order to keep it cool. The latter, by this time, was pretty well heated up and something had to be done if the company was going to be at its destination in time to catch the train.

Letting one of the men, S. W. Trip, of Picton, steer while he began to work with the pump, Mr. Card's foot became caught in the propelling shaft of his motor boat. The shaft screws, which connect the shaft with the coupler, while revolving, caught in Mr. Card's boot and heated up and something had to be done if the company was going to be at its destination in time to catch the train.

Both passengers, Mr. Trip, and Charles Anderson, of Napanee, were compelled to row the large motor launch to the nearest point and eventually landed at the Royal Military College wharf. Temporary relief was given by Major P. J. Mac of that institution. A cab was ordered and the injured man taken to the General Hospital.

After receiving treatment Mr. Card spent the night at his brother-in-law's, William Randall's, William street. The foot will be set.

A TERRIBLE WAR.

And It is Not Likely To Be Soon Over.

Writing to the Whig from his present address in London, Eng., Col. W. D. Gordon says:

"The excitement over the war seems to be more intense in Canada than in this country. Of course, there is some excitement now and then seeing the troops marching through the city, and the recruits for the new army drilling in all the parks of London. Then at night we can go out and see the searchlights all over the town, and the airships patrolling the heavens to keep off the Germans. All bright lights in London are cut off at night, so as to make it more difficult for the Germans (if they come in their airships) to make out particular spots in the town. Again, when we see the wounded come in now and then, it is a terrible war and will not be over soon."

The Late Edward Moore.

The death occurred on Tuesday, September 29th, of an old and much-respected resident, in the person of Edward Moore, Sr., of Maple Lawn. Deceased has been ailing for the past year and was suddenly taken with a paralytic stroke. He was an Anglican in religion and a staunch liberal in politics. He was born in Ireland and came to this country with his parents in 1847. The most of his life was spent in the Arigan. The day before he passed away was the forty-sixth anniversary of his marriage.

Mr. Moore was seventy-two years old and was of a kind and cheerful disposition. He was a good neighbor and ever ready to give a helping hand. He leaves a wife, one son, Edward, on the homestead, and one daughter, Mrs. James Hogan, Maple Lawn, to mourn the loss of a loving husband and kind father.

Bethel Sunday School.

Bethel Sunday school hall was thronged with young people Friday evening when the rally for social of the Sunday school was held. Jolly games and music reeled off the time. This was preparatory to the big rally at 3 p. m. Sunday, when the whole school and friends will line up for fall work. Miss Goldie Barleis will be the violin soloist, and Miss Knowles, of the Y. W. C. A., will give an address. The program embraces plenty of music. Frederick J. Wilson, general-secretary of the Y. M. C. A., has been selected as superintendent of the school, and a membership campaign under the leadership of Robert Treener is to be put in operation.

A Women's Triumph.

This adoption from Sir Walter Scott's greatest story, "The Heart of Midlothian," a story read and reviewed by millions, one of the greatest triumphs of literature, the tale of a courageous woman's sacrifice for truth, and her ultimate reward, will be shown in motion pictures at the Ideal theatre, Monday, Tuesday and Wednesday. Don't miss this treat. Four big acts for 5c.

St. George's Meeting.

A meeting of the men of St. George's cathedral was held on Friday evening to consider the condition the congregation was in by the enlistment of the rector, Dean George L. Starr, in the British army as chaplain and drill instructor. No decision was arrived at. Another meeting will be held in a couple of weeks.

Have Likely Perished.

Kirkwall, Scotland, Oct. 3.—Two aviators, Lieuts. Vernon and Aeb, belonging to the royal flying corps, went for a short flight in a hydro-aeroplane on the North Sea on Tuesday afternoon. They have not been seen since, and it is feared that both have perished.

The Late Thomas Pollitt.

On Saturday morning Thomas Pollitt passed away at his late residence, 24 Elliot street. The deceased was a baker by trade and was sixty-two years of age. During the last few years he had been in poor health. A wife and five children survive.
