MORE NURSES APPLY

TO GO WITH THE SECOND CANADIAN CONTINGENT.

Five Are Graduates Of the Kingston General Hospital - Miss M. L. Bell, Of Kingston, Has Also Applied.

Although the call for a second Canadian contingent has not been officially sounded by the militia department, a number of Kingston ladies, who are graduates of hospitals, have applied to Lieut.-Col. H. R. Duff, director of medical services of the third division, for a place on the overseas contingent.

These applications have been received from young ladies who are graduates of the Kingston general hospital training school: Miss G. M. Hiecock, Miss Mollie Pringle, Miss E. M. York, Miss H. Bryden and Miss McConnell.

It is expected that when the official call is sounded a number more nurses will volunteer their services.

THE SPORT REVIEW

QUEEN'S IN FAIR SHAPE FOR GAME IN HAMILTON.

The Sunday School A. A. Annual Meeting - The C. L. C. Soccer Club Reorganizes.

Queen's had another heavy practice on the lower campus on Friday afternoon under the coaching of Prof. L. Malcolm, E. O. Sliter and "Ken" William.

The players were divided into squads under the different coaches and in this way better instruction in the trick plays were given.

The boys are getting the signals down pretty fine and follow them quickly and correctly.

Quigley is definitely out of Queen's by the refusal of his promotion owing to being four marks short in one subject.

There was a change made in positions on Friday night, Rowlands being tried out at quarter instead of half. This was just an experiment.

The signals are being slightly revised by Prof. Malcolm but in the main part are the same as those used before.

The Queen's boys are getting very experienced in answering the signal numbers and moving into the changed positions quicker.

More work is thus accomplished each afternoon by the smaller amount of time being lost.

Some very good catching and running was shown on Friday afternoon and this branch was brought out stronger than before.

The finer points of the game were given in this practice on Saturday morning the last practice before the game was made to pick out those who will take the trip.

If the players show up on the Hamilton field and work as hard as they have been doing in the afternoon practices each day they will give the Tigers a hard game. They have had some excellent coaching and no Kingstonian it is hoped will be ashamed of the result of Monday's game.

Sunday School A. A. At the Y.M.C.A. building on Friday evening the annual meeting and the election of officers in the S.S.A. A. A. took place.

The president was in the chair. Although a number of the members of the executive were anxious that the president, F. B. Pense, who had been in the chair for the past two years, would continue in office, he asked to be relieved of the duties, and William Joyner was elected to that position.

Noble Sharpe, secretary, withdrew on account of other duties.

The reports showed that a splendid work had been accomplished during the year. The basketball league was one of the best, if not the best, ever run in connection with the association.

The senior baseball series was revived. Report of treasurer showed that there was a good balance in the treasury after all accounts had been paid.

The association gives Y.M.C.A. directors one half of the gross receipts of the packetball series for the use of the gymnasium.

A vote of thanks was moved to the president and secretary for their faithful work.

The executive that had decided to donate a trophy which will be for competition for teams taking part in the senior baseball series from year to year.

Some years ago a trophy was donated, but it was won on two or three occasions by Bethel, and for that reason it becomes the property of that team.

St. Luke's who won the senior baseball series this year will be the first holders of the new trophy.

The election of officers resulted: Honorary presidents, Rev. J. W. McIntosh, Rev. A. P. Mershon and Rev. Mr. Magee; honorary vice-presidents, F. J. Wilson, T. F. Harter, William Carroll; president, William Joyner; 1st vice president, Alfred Compton; 2nd vice president, John Mercer; 3rd vice president, Dr. C. C. Nash; treasurer, William King.

In Soccer Circles. The C.L.C. soccer aggregation, one of the flourishing teams of the City Soccer League, met on Friday evening.

Officers were elected and the aggregation working basis given more support than ever is going to be extended towards this team and nothing but the best material will constitute its line-up.

W. Kershaw presided and the election of officers resulted in A. W. Wheatley being chosen honorary president; Dr. J. J. Harty, president; William Harty, Jr., vice-president; J. Fleming, manager, and W. Kershaw, secretary-treasurer.

The following committee was chosen: W. Clifford, C. Cunningham, G. Stanbridge, J. Edwards and J. Anderson.

The above aggregation as well as the Shipyard and Queen's soccer teams are now fully organized and a week from today the opening of the real soccer season in Kingston will take place.

The entire fall schedule was drawn up at the former part of this week.

The president of the City Soccer League is also the coach for Queen's Intercollegiate soccer aggregation. It was figured upon playing off for dominion honors if the R.C.H.A. team had not been taken away, but if the Intercollegiate championship can be landed, it will partly repay the exertions of the present year.

Collegiate Rugby Club. The Collegiate rugby players are practicing on the upper campus of Queen's every afternoon and under the able coaching of J. W. Kelly are progressing rapidly into a fast rugby team.

There are some excellent runners and catchers on this year's team and when the two squads matched on Friday afternoon a very hot practice game resulted. The students are taking a great interest in football this year and are expected to be able to show up splendidly in their first game.

If they continue to work as hard as they have been doing a winning team is sure to be the result again this year.

Calls McGill to Win. Rev. Father Stanton calls McGill to win the intercollegiate in a walkover and names "Silver" Quilty as the
