THREE PEOPLE HAD A VERY NARROW ESCAPE.

James English, Wife and Baby, Were Severe Injuries.

Three people had a miraculous escape from death in a runaway ac cident on Sunday afternoon.

James English, who resides at Du ferin, his wife and three weeks old baby, were the victims of the accident. Mr. and Mrs. English suffered a severe shaking up, and the baby suffered wound on the head, but was not ously injured, it is thought. The facthat the child was wrapped in a ri and the mother had the presence mind enough to hold the little free from harm when the three wer dashed out of the buggy against the payement, prevented a fatality.

NO STOMACH PAIN, GAS, INDIGESTION IN FIVE MINUTES

"Pape's Diapepsin" is the only real stomach regulator known.

"Really does" put bad stomachs in order-"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes-thatjust that-makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you beich gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing-almost marvellous, and the joy is its harmlessness.

Big Success.

"Peg O' My Heart," one of the brightest of comedies, was the holiday attraction at the Grand, matinee night, and as in former occasions, secured a big success. Miss Marian Dentler, in the leading role, of "Peg," was charming, captivating her audience from the very start, while Harred West, as "Jerry," was exceptionally good. The supporting cast was strong. Several curtain calls showed how much the audience enjoyed it. It is a sweet, wholesome play, and one that will always be a favorite with theatrego-

CATARRH LEADS TO CONSUMPTION

Catarrh is as much a blood disease as serofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes taste, smell and bearing, affects the voice, deranges the digestion, and breaks down the general health. It weakens the delicate lung tissues and leads to consumption.
