The speaker gave a mos interesting account of the work being carried on in Japan, and illustrated his address with an excellent series o lantern slides dealing with the people the scenery of the country and the re-

ligious work. Mr. Millman had most encouraging reports to present regarding the work but pointed out that progress wa very slow, as there were many diffi culties to contend with, and it required a great deal of patience on the part of the Christian workers. The teaching of Christianity was not for hidden, however, and this presented many opportunities. He declared that eight out of every ten people in Japan had not yet heard the gospel and related many stories showing how the hearts of the people were be
