A WEDNESDAY WEDDING LOST THREE FINGERS

THE EYSELL-HINCKLEY NUP-TIALS CELEBRATED.

Miss May Hinckley the Bride—Home of the Newly-weds Will Be In Point Neches, Texas.

Wednesday morning at ten o'clock a quiet wedding was solemnized at the home of Captain C. J. and Mrs. Hinckley, University avenue, when their daughter, May Phoebe, was united in marriage to Henry Otto Eysell, B.A., Ph.D., eldest son of Mr. and Mrs. Frederick Eysell, of Kansas City, Mo.

The ceremony was performed under an arch of brightly tinted autumn leaves and flowers, Rev. S. J. M. Compton, of St. Andrew's church, officiating. Miss M. A. Shaw played the wedding music as the bride entered with her father, who gave her away.

In her wedding-gown of cream ripple charmeuse satin, with sleeves and yoke of chantilly lace sewn with seed pearls, and court train, embroidered in true lovers' knots, falling in long graceful lines from her shoulders, she made a very lovely picture. Her veil of Brussels net hung in soft folds from the fair hair, where it was held in place by a bandeau of orange blossoms. She carried a snowier bouquet of roses and lilies of the valley and wore the groom's gift a diamond and platinum lavalier.

After the bridal pair had received the congratulations of the guests, a buffet luncheon was served in the dining-room, where the bride's table was artistically arranged with tulle and pink roses and centred with the wedding cake.

Dr. and Mrs. Eysell left at noon for the west, the latter travelling in a smart navy blue suit and costume hat with erise feather. En route to their new home in Point Neches, Texas, they will visit in Toronto, Milwaukee, Wis., and Kansas City, Mo.

The out-of-town invited guests were Mr. and Mrs. Frederick Eysell, Messrs. Walter and Eric Eysell, Mr. and Mrs. Hugo Eysell, and Mrs. Emma Eysell, of Kansas City, Mo.; Mr. and Mrs. Lindenman, Milwaukee, Wis.; Miss Agnes Fulton and Mr. and Mrs. Thomas Doyle, Toronto; Mr. and Mrs. Albert Otis, Watertown, N. Y.; Mrs. C. Fulzer, Carleton Place; Norman Hinckley and Miss Mary Hinckley, Cape Vincent, N. Y.

To-day's bride will be greatly pleased by a large circle of friends, especially in the Ladies' Musical club, where she has been a very energetic worker.

EIGHT MORE CADETS

RECEIVE COMMISSIONS FOR WAR SERVICE ABROAD.

They Will Go With the Second Canadian Contingent—Only Seven Cadets Are Left in The Graduating Class.

Eight more cadets of the Royal Military College will in all likelihood accompany the second Canadian overseas contingent. On Tuesday word was received from the militia department at Ottawa that the following cadets had been granted commissions in the Canadian contingent: Cadet Henry V. Le Mesurier, Royal Canadian Dragoons; Cadet Ralph O. G. Mott, Canadian Garrison Artillery; Cadet Robert H. Harrower, Strathcona Horse; Cadet John H. McQueen, Canadian Ordnance Corps; Cadet R. Sircorn, Canadian Ordnance Corps. Cadets James K. Cassels, Norman H. Maclean and Stuart V. Cooke have also applied for commissions in the Canadian overseas contingent and are expecting word from Ottawa any day.

At the present time there are about twenty-five cadets taking the army course at the college. Of that number eight will take overseas commissions while the others will be sent to the British army. It is the intention of some of the cadets who will receive Canadian commissions to remain in the militia only for the period that the war lasts. After the war is over, they will return to Canada and follow up different professions.

At the present time there are only seven cadets in the graduating class, which is the smallest number in the history of the college. The rest of the cadets are fighting at the front.

There is a movement on foot for the present college course to be discontinued this year, as the whole time of the staff given to the training of officers for war service.

KEEP AWAY FROM WIFE

ON THIS CONDITION WILLIAM CARVER GOT HIS LIBERTY.

He Was Before the Magistrate on a Charge of Vagrancy—Court Told Him That His Better Half Could Get Along Nicely Without Him.

William Carver has been misbehaving himself of late, according to the reports received by the police. He has not been supporting his wife and has not been living with her, but has been giving a great deal of trouble and annoyance.

He was before Magistrate Farrell on Wednesday morning on a charge of vagrancy, and wanted his liberty, stating that Inspector Clark Wright had given him papers to sign to go on the "prohibited list" and that he was willing to go on the list. This little arrangement did not satisfy the magistrate, however. The latter said that in order that he could go on suspended sentence he must promise to keep away from his wife in future. His wife could get along nicely without him and it would be better for him to keep away from her. Carver promised, as liberty is sweet. Constable Arnel had the charge against Carver.

Present indications seem to favor a session of parliament soon after New Year's.

BY CAUSING EXPLOSION OF A DYNAMITE CAP.

John O'Donnell, Raglan Road, Fourteen Years of Age, Was the Victim of a Distressing Accident.

Another terrible accident resulted on Wednesday morning when John O'Donnell, aged fourteen years, who resides on Raglan Road, had the first three fingers of his left hand blown off, and part of the thumb and little finger on his right hand damaged, by playing with a dynamite cap near the Canadian express office, corner of Princess and Bagot streets. The lad who carries papers for the Whig office, had been given one of these caps by another boy, who, after the accident, ran out Bagot street.

Young O'Donnell, at the time, was prodding the cap with a stick, when suddenly it exploded. A loud report caused by the concussion and screaming from the lad brought the clerk from the Canadian Express company's office, and he witnessed a sickening sight. The unfortunate lad, in an endeavor to try and stop the blood, pulled a sheet of one of the papers he was carrying over his injuries, and which afterwards lay on the road beside the walk with portions of the fingers wrapped. Frederick Angell, who was passing by at the time, ran and grabbed the victim tightly by the wrist, thus preventing him from bleeding to death. Mr. Angell, who is a mason, and resides at 133 Queen street, first brought the boy to Mahood's drug store, and then, assisted by another man, carried the boy to the Hotel Dieu, where Dr. Quigley had to amputate the finger stumps and dress other portions of the hands.

This is the second time that an accident has occurred by boys playing with these dynamite caps. It is thought that this was one of those caps which were stolen last Sunday in one of the barges lying at one of the wharves.

NO DISCRIMINATION.

Three Out of 219 Employees Are German Born.

A. W. Wheatley, general manager of the Canadian Locomotive company, sets at rest the claim that German born were kept out of work and British born let go. He writes:

"The information you have received on this subject is not correct. We have, to-day, in our works, a total of two hundred and nineteen employees, three of these German born. These three men have been employed by the company somewhere about twelve years, having been in the employ of the old company. They are property owners in this city, good citizens, believe, and as employees, they have been faithful and attentive. They are assigned to other work and are not engaged in the manufacture of shells.

"Discrimination in any way, is contrary to good business principle."

SWORN IN BY MAGISTRATE.

A Fine Body of Men Take the Oath of Allegiance.

The police station has been turned into a recruiting station. It took on a military appearance on Tuesday afternoon when twenty-two men were marched in before Magistrate Farrell and took the oath of allegiance to serve their king and country. The men will be attached to the new R.C.F.A., which is being formed in Kingston.

On Wednesday morning twenty-five more men were marched before the magistrate after the session of police court and sworn in. They were a fine body of men, the entire forty-seven, and many warm comments were heard passed on their appearance as they were in line.

LIEUT.-COL. W. S. HUGHES

Will be Appointed in Command of the Infantry Battalion.

It was learned on Wednesday afternoon that Lieut.-Col. W. S. Hughes will be appointed provisionally in command of the infantry battalion to be organized from the infantry and rifle units of the third division. This information is received with much gratification in Kingston, where Lieut.-Col. Hughes lived for many years and was active in 14th regimental circles, being in command of the 14th this year.
