URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts if your Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood.

VINOL DID ME A WORLD OF GOOD

Woman Seventy-Five Years Old Exhausted by Effects of Grippe, Restored to Strength by Vinol.

Canton, Miss.—"I am seventy-five years old, and I contracted a severe cold and cough due to a case of LaGrippe, so that I lost my strength and became very weak and feeble. Vinol was recommended to me and after taking it for some time, I can truly say it has done me a world of good. The cold is gone and my cough is practically cured and it has built up my strength, so I feel active and well again. I think a lot of Vinol, and tell all my friends about what it has done for me."—Mrs. LIZZIE BALDWIN, Canton, Miss.

Old people may regain much of their former strength and vigor by taking Vinol, our delicious cod liver and iron tonic, on which so many elderly people depend for good health. Vinol sharpens the appetite, aids digestion, enriches the blood and in this natural manner creates strength.

The reason Vinol is so efficacious in such cases is because it contains in a delicious, concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood building iron added.
