FOURTEENTH ANNIVERSARY OF BISHOP'S CONSECRATION

Referred to by the Bishop of Kingston in St. George's Cathedral—Notes About Church Services.

"To-day is one of special sanctity to one who is present with us this morning," said Bishop Bidwell, at the close of his sermon in St. George's cathedral, on Sunday morning.

"I refer to our revered bishop of the diocese. Fourteen years ago, on All Saint's Day he was consecrated to the highest office and greatest responsibility which can ever fall to the lot of a minister of Christ.

"We know that to-day must be to him a special holy day. During these years we know that he has labored faithfully and successfully in the great charge which was committed to him, and I am sure that there is just one request he would like to make to you this morning and that would be the message of the Apostle Paul, who so many times said to his people 'Brethren, pray for us.'

Bishop Bidwell added "I ask your prayers for one who has so faithfully served you. I commit to you this morning for your most serious prayers, the beloved bishop of this diocese. Pray that the blessing of God will ever rest upon him."

IN FIVE MINUTES NO SICK STOMACH, INDIGESTION, GAS

"Pape's Diapiesin" is the quickest and surest stomach relief.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes. Ask your pharmacist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes.

"Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

Varsity Victorious

OVER QUEEN'S IN THE SENIOR INTERCOLLEGIATE GAME.

Score Was 25 to 17. — Too Much Offside and Interference Work Permitted To Pass By Toronto Empire.

Lack of condition was the chief cause of Queen's third defeat this season in the senior intercollegiate series at the hands of 'Varsity' at the university grounds on Saturday afternoon. The score was: 'Varsity' 25, Queen's 17.

For the first half Queen's held their opponents down all the time, and every man on both teams was working hard. The pace, however, was too much for the locals in the last half. There was a noticeable lagging on the part of the players in this half that allowed the Toronto team to take long chances and get away with them. 'Pep,' that magic word that wins so many games, was a minus quantity with Queen's and the 'Varsity' players were quick enough to take advantage of this and used the aggressive attitude with good results.

In the first part of the game, Queen's was continually kicking for points but never succeeded in getting close enough for a touch. When the game opened the wind was in 'Varsity's' favor.

Exciting Time at the Front. Retreat Was "Undiluted Hell" For Over a Week.

Lieut. M. S. Stewart, Toronto and R.M.C. graduate with the army service corps, in the course of a letter home to a friend, writes: "I cannot tell you much about things just at present, as that is absolutely forbidden, but I have seen the whole show from Mons to where we are now. This is written during a lull in the battle which has been going on now for about a week, and I believe we have got them on the run again. We got over a thousand of them when they came on last night with our machine guns. I had mine in action for about five minutes on the roof of the car when it was removed by a shell.

"You have or can have no idea of what we went through in that long retreat. It was absolutely undiluted hell for over a week. My first car was smashed up by a German shell on the first night of the retreat, so I did the whole thing on horseback, and it was fierce. We often had 24 or 26 hours on horseback, and never had time to cook any food, much less to sleep. Germans aren't worth a hoot with a rifle, but are pretty good with machine guns and artillery. They are beginning to have a deadly fear of us by now, I think."

Lieut. Stewart graduated from the Royal Military college at Kingston, receiving a commission in the imperial army. He then served a year at Woolwich and another year at Aldershot, where he was when the war broke out, and his corps was among those despatched early to the front.

On Friday night a surprise party was held at the home of Miss Myrtle Taylor, 90 Lower Bagot street. About forty were present and all enjoyed themselves immensely. The evening was spent in games and dancing. Supper was served about midnight.

You will never regret using White Rose flour.

Police Constable Daniel McCarey underwent an operation for appendicitis in the Hotel Dieu, and is doing nicely. He has been off duty for two weeks.

Intercollegiate Soccer. The defeat of Queen's Intercollegiate soccer team was due to the fact that its players did not work together well enough. At times they excelled themselves and through a little combination work would manage to work the ball into Varsity's territory. Time after time Queen's had opportunities to score, but lacked the kicking ability. Varsity, on the other hand, excelled in this, and were only frustrated from scoring often owing to the good work of Sutherland, Queen's goal tender. The goal that Varsity did get through the instrumentality of McCormickdale, was from a mix-up that occurred in front of Queen's goal. All through the second half Queen's had the better of the play.

Collegiate and Ontario. The Collegiate H. in a forty-five minute rugby game, defeated the Ontario on the athletic grounds on Saturday by a score of 7 to 5. The game will have to be replayed.

Ken Williams played on the half back line of the Ottawa St. Patrick's in Toronto on Saturday afternoon. T. C. Stark and the Misses Stark, Pittsburgh, will spend the winter in Gananoque, occupying Mrs. Wilson's residence on Pine street.

THE LATE MRS. BAGG.

Died in Montreal—Her Funeral Occurred Saturday.

On October 29th there passed to rest Catherine Mitcheson, widow of Stanley Clark Bagg, in the ninety-third year of her age. She was born in Menstith house, Philadelphia, on January 12th, 1822, being the elder daughter of Robert Mitcheson, sometime of Langley, in the palatinate of Durham, Eng., and of Frances McGregor, his wife, whose native place was the port of Monteth in Scotland. She was married to Stanley Clark Bagg, September 9th, 1844, in Grace church, Philadelphia, by her brother, Rev. Robert McGregor Mitcheson, a priest of the American church. For a short time she lived at Durham house, Montreal, till "Fairmount Villa," at the corner of Sherbrooke and St. Urban streets, was completed, and this has been her home ever since—nearly seventy years. Considerable additions were made to the house in 1862, including the oratory of the Holy Cross. Her funeral took place on Saturday last, the eve of All Saints. A requiem mass for the repose of her soul was celebrated by her grandson, Rev. Sydney Hagg Lindsay, in the chapel of St. Margaret's convent, while the choir office for the burial of the dead was recited in the afternoon by the bishop of Montreal and the archdeacon of Montreal at Christ church cathedral, whence the body was conveyed to Mount Royal cemetery, and placed in the family vault. The deceased is survived by her sister, Mrs. George Hague, and by four children, ten grandchildren and two great-grandchildren. One grandson, Stanley Hagg, lieutenant of the Royal Highlanders, has left for the front with the first Canadian contingent.

TELLS ABOUT DEAN STARR.

And His Good Work Among the British Soldiers.

W. H. Griffith Thomas writes to the Toronto Globe: "Your article on Tuesday on 'Muscular Christianity' with its reference to the Dean of Ontario as a chaplain, gives point to this extract from an article in 'The Life of Faith' an English religious paper, describing a meeting of the V. M. C. A. at Purfleet, where part of Lord Kitchener's army is being trained. The writer is a London Baptist minister, whom I know well, and his words about Dean Starr will be read by many with great interest."

"In a few minutes they were comfortably seated, and the senior chaplain spoke some warm words of welcome. The senior chaplain, by the way, is a great man. As the daily papers have already indicated, he is the dean of Ontario, and has offered himself in this new capacity. Dean Starr knows men, and he handles the crowd with remarkable skill. He told them that he would always be in this tent to see any man in trouble, and invited them to make him their friend. It was all very touching and very beautiful."

An Inappropriate Name

A writer in the Toronto Globe, speaking of the Anglican diocese of Ontario, says it was erected in 1863 with the now inappropriate name of Ontario. Lindsay, an able letter, Catoraqi, would historically have been more to the purpose, seeing that in that town, under its Indian name, Anglicanism in Upper Canada had its beginnings in 1785.

Three Bad Characters

On Sunday three desperate characters were brought here by Sheriff Caldwell and Constable John D. McKay, of Haileybury. Arriving in the city on Sunday morning the penitentiary officials would not allow the prisoners to be taken in any way Sunday the criminals were locked up in the police station cells. The prisoners received terms for manslaughter, criminal assault and arson.

Children's Aid Society Meeting

The annual business meeting of the Children's Aid Society will be held in the City Council Chamber on Wednesday, Nov. 4th, at 4:30 p.m. Subscribers to the society's work are reminded that they are members, and that their presence will be appreciated.

A Fine Imposed

The resident of the township of Portland charged with selling cider over the legal alcoholic strength was convicted on Saturday and fined \$100 and costs. The cider was bought under a guarantee of proper strength but it was proved to be otherwise. The court had no other recourse but to impose a fine.

Skin Trouble on the Scalp

Skin Dried and Cracked and Hair Fell Out—Cured by Dr. Chase's Ointment. Eczema is annoying and distressing at any time, but doubly so when it gets into the scalp and causes the hair to fall out. Here is a grateful letter from a lady who was cured by using Dr. Chase's Ointment. Mrs. Hector Currie, Tobemory, Ont., writes:—"I was cured of a disagreeable skin disease of the scalp by using Dr. Chase's Ointment. The trouble started with itching and pain in the scalp, the skin would get dry and crack, and at times would bleed, and the hair would fall out. I tried three doctors without benefit, and suffered for three years. Reading in the almanac about Dr. Chase's Ointment, I began its use, and am now completely cured. The hair has grown again, and I am as well as I ever was. You are at liberty to use this letter, for I am glad to recommend so excellent a treatment." Dr. Chase's Ointment has no rival as a cure for itching skin diseases.
