

THE BOARD OF WORKS

ASKED TO GRANT RIGHT OF WAY FOR RAILWAY

On Ontario Street From William To Gore — Question of Excavations In the Streets.

The Board of Works at its meeting on Tuesday afternoon was waited upon by the manager of the Kingston Shipbuilding company, who asked that the city grant a right of way for the building of tracks from the G.T.R. line at the foot of William Street, along Ontario street and down Gore into the government dry-dock property. He also asked that the cost of excavating and the building a retaining wall 200 feet long be borne by the city.

One or two of the members expressed themselves as rather opposed to recommending that the city pay any part of the cost. They thought that the right of way would be quite a big enough concession.

The city engineer and the city solicitor were instructed to report to the board to the cost of the construction and as to the legal points. The board will further consider the question of securing the necessary land for the extension of Cowdy street to Stephen. It did not come to a decision with regard to purchasing the partly constructed house and lot owned by R. Wallace. It is likely a forty-foot street will be laid out.

The resolution of Ald. Nickle with regard to a re-organization of the city engineer's department was laid over until a decision is reached in connection with the question of street excavations. It is desirable that all excavations should be made under the direction of the city engineer. When this matter is settled between the Board of Works and the Utilities Commission, then a report, as asked for by Ald. Nickle's resolution, which passed council, will be submitted. The matter will be taken up with the Utilities Commission which, it is understood, is willing that the city engineer's department should undertake all Utilities excavation work, and charge the cost of the same to the commission.

A report is to be made to the city council with regard to the reason why the contract awarded last summer to Foley & Gleason for the paving of Princess street, from Clergy to Barrie, was not carried out. The chairman said he would shoulder the blame, if there was anything of that kind to be shouldered. He explained that the Ottawa firm gave him to understand that it was in no hurry to start the work, but would certainly complete it this season. He delayed the signing of the contract in an endeavor to get the street railway to lay heavier rails and new ties. One time he thought there was a good chance of this being done, but finally word came from the street railway authorities: "Nothing doing." After that, Foley and Gleason, for some reason or other, decided that they would not take the contract. What he did he considered he was doing in the best interests of the city, and Ald. Fair backed up the chairman in this contention.

Ald. Sutherland wanted to know why the report was desired, Ald. O'Connor replied that he supposed the alderman who asked for it wanted to keep the pot boiling and to stir up the Board of Works.

In attendance at the meeting were Alds. Litton (chairman), Fair, O'Connor and Sutherland.

An Early Curfew. Following out the curfew by-law the bell in the city hall is now sounded at eight o'clock instead of at nine o'clock. Mayor Shaw's idea was to have the "kiddies" indoors by dark. Some of them scamper off home when the bell rings, but there are others who do not take any notice of it.

TEEN-AGED MEMBERS

ONE OF THE GREAT NEEDS OF THE SUNDAY SCHOOL.

This Will Be Emphasized at the Big Sunday School Gathering—Association Will Celebrate Jubilee Next Year.

Sunday schools in Ontario will undoubtedly start a campaign this year to secure for the Sunday schools a much larger number of teen-aged members.

This great need will be emphasized by all the speakers at the big convention which opened in Kingston today and which will continue for two days. This was the all-important topic at the western meeting of the association held in London and it will be given much thought and discussion at the convention here. Outside of the general meetings there will be a number of special conferences, at which important matters will be discussed.

The next convention will be held in Massey Hall, Toronto, and will be a monster gathering to celebrate the 50th anniversary of the provincial association.

This convention will be held on October 26th to 29th. The aim of the association for this convention or provincial "golden jubilee" will be to secure the following:

(1) One thousand delegates enrolled outside of Toronto; (2) One hundred city and county associations, the province completely covered by organizations; (3) Seventy-five banner city and county associations; (4) Forty "Golden Jubilee" city and county associations; (5) One thousand and graduates in first standard teacher training course; (6) Two thousand home departments; (7) Two thousand five hundred organized secondary division and adult classes; (8) Three thousand or more rolls; (9) Fifty thousand added church membership from Sunday schools during the three years between Hamilton convention of 1912 and golden jubilee; (10) One hundred thousand listed pledged abstainers.

An interesting part on the printed programme of the convention is as follows: "The ladies of famous old 'Brock Street' at our urgent request will have your meals ready on time. Every delegate is expected to patronize this dining hall in the basement of Brock Street Methodist church."

J. K. Hackett Returns to Kingston.

To-night and Thursday, matinee and evening, Daniel Frohman presents Mr. Hackett and his all star company in "The Prisoner of Zenda," by Anthony Hope, a photo-play, in four parts. Mr. Hackett's success of over 400 nights in this vehicle in New York city speaks for itself. This being done, but finally word came from the street railway authorities: "Nothing doing." After that, Foley and Gleason, for some reason or other, decided that they would not take the contract.

With Royal Irish Rifles. Lieut. Gerald V. FitzGerald, nephew of Rev. W. F. FitzGerald, who shot his eye in battle against the Germans in Bethune, Belgium, with the Royal Irish Rifles. Previous to receiving his commission, he was with the Leinster regiment. It is hoped that the right eye of Lieut. FitzGerald will be saved.

Pleased With Soldiers. Mayor Shaw came down on the train with the soldiers from Cobourg along the line on Tuesday afternoon, and stated to the Whig that they were a fine lot of young men. His worship said that they would surely be a credit to Canada.

Teacher Goes West. R. S. Jenkins, M.A., formerly a teacher in the Kingston Collegiate Institute, has been appointed principal of the Yorkton Collegiate Institute, Saskatchewan, at a salary of \$2,000 a year.

OPINIONS EXPRESSED CITY FULL OF SOLDIERS

ON PROPOSAL TO HAVE NEW YEAR'S ELECTION DAY.

Some Citizens Favor the Change, While Others Are Opposed to Having an Election On a Holiday.

By recent enactment of the Ontario legislature, towns and cities of certain population whose councils pass a by-law before the 15th of November, may have the privilege of holding their municipal elections on New Year's Day, with nominations on the 23rd of December. The Whig interviewed a number of citizens with regard to a proposal to have Kingston's elections on the first day of the year. Here are some expressions of opinion:

Mayor Shaw stated that he was heartily in favor of having the elections held on New Year's Day. W. W. Gibson was of the opinion that it would be far better to have the elections held on some other day but the holiday. He did not consider that it would be any advantage on the holiday. Many of the voters would be out of the city. "Let well enough alone," remarked T. J. Leahy. "I do not think it would be wise to make any change."

"If there was any special reason I might favor having the elections on New Year's Day," remarked James B. McLeod. "However, I do not think it is wise to have an election on a holiday."

J. R. Henderson—"I do not think it would be well to make any change."

"Let us have our New Year's Day as a holiday," said Stephen Roughan. "I do not think we should have an election on the holiday."

D. J. Millars—"I am not in favor of elections in the holiday season. My experience has been that in the holiday time it is impossible to canvass or get out the vote."

James P. Forrest stated that he did not regard having the elections on New Year's Day as a good movement.

L. W. Murphy, while he had no personal choice in the matter, he could not see that there would be any good in making any change.

W. J. Paul—"Most assuredly, New Year's day is the proper date for municipal elections."

R. J. Sloan—"Certainly, I am in favor of change."

H. D. Bibby—"Yes, I think the change would be in the interests of the city."

S. F. V. Campbell—"New Year's day is a day of home-coming, but I think that the change would be for the better."

LADIES' COLORED SPATS

SPATS ARE POPULAR THIS FALL, ESPECIALLY FAWN, BROWN AND WHITE. BLACK ARE ALWAYS WORN.

Fawns, \$1.25, Brown, \$1.00, White, \$1.50, Black Spats, 50c, 75c, \$1

Every train on Tuesday brought soldiers to the city. Some had complete uniforms, some had parts of uniforms, but by 7.30 o'clock Tuesday evening over a thousand men of the 21st battalion were in the city. Lieut. Col. W. S. Hughes and his staff are very busy arranging the many details and seeing that everything runs smoothly.

Probably the most attractive party that arrived was the Killies band of Renfrew, accompanying the 42nd regiment detachment from Perth. There are about thirty pieces in the band. The bandsmen are not going overseas but are a volunteer band organized by George Carruth of Renfrew. The instruments and uniforms were donated by the citizens. A number of the detachments that arrived displayed huge banners. Some read: "From — On to Berlin;" others had, "We Are the Regiment," with the number of the regiment they belonged to. They were certainly a gay bunch as they marched through the streets. One young volunteer carried his little happy dog in his arms.

The train stopped at the Tete de Pont barracks and the men of the right half of the battalion marched direct to Artillery Park barracks. They were there assigned to their departments, and blankets etc., issued to them. The issuing of the stores was done by Con. W. McCully, C. O. C., and his staff.

The new kitchens were used to prepare the supper for the men. A special C. P. R. train from Ottawa arrived in the city shortly after six o'clock, bringing the detachment from the Governor-general's Footguards. These are a fine body of men, who look splendid in their red coats. These will be immediately changed to the service khaki.

Several motor cars and trucks have been included in the establishment of the battalion. These will arrive in the near future as will also the machine guns.

Cap. E. Towne, of the 41st regiment, of Brockville, officer commanding "A" Co., 21st battalion, came all the way from Vancouver, B.C., to take command of his company.

LETTERS TO THE EDITOR. A Charge That Kingston Has a Milk Combine.

Kingston, Nov. 3.—(To the Editor): I see by Saturday's Whig that the milk dealers have raised the price of milk from seven to eight cents a quart. This is an outrageous price to have to pay for milk in the centre of a great milk-producing district. Kingston is surrounded on all sides with dairy farms, and I know that milk can be sold in the city with a fair profit at cents a quart all the year round, but especially in the fall and winter seasons when the cheese factories are all closed.

For fifty years, up till three years ago, milk was retained in Kingston at a price of about a quart all the year round, but at the present time most of the milk coming into the city is handled by jobbers, or middlemen, who have formed a combine or trust, and by part of November they have raised the price of milk from six to eight cents a quart, and in another couple of years will have it up to nine or ten cents a quart, unless the consumers organize for mutual protection and fight the combine.

The householders would firmly refuse to pay eight cents and use condensed or evaporated milk for a time, the dealers would soon find out that they have overshot the mark. A few months ago the mayor of Hamilton headed a strike of the householders against a raise in the price of milk, and in a few days the dealers were brought to their senses. Here is an opportunity for our Mayor Shaw to show by championing the past cause of the householders that he is no less diligent in his efforts to serve his constituents than was the mayor of Hamilton.

I would suggest that the householders organize themselves into a co-operative society, under some such name as the Kingston Consumers' Co-operative Association, regularly chartered under the joint stock companies act of Ontario, for the purpose of owning and conducting a dairy farm, the produce of which is distributed from the central depot here in the city at the cost of production to all members of the association, and to non-members at the prevailing prices.

The only way to assure a constant supply of clean, milk from healthy cows at a reasonable price is through the medium of a municipally or co-operatively owned dairy.—H.E.B.

Ladies' Colored Spats. Spats are popular this Fall, especially Fawn, Brown and White. Black are always worn. Fawns, \$1.25, Brown, \$1.00, White, \$1.50, Black Spats, 50c, 75c, \$1. Shoe Repairing. Abernethy's. Shoe Repairing.

STOMACH SOUR? STOP INDIGESTION, GAS, HEARTBURN--PAPE'S DIAPEPSIN. Don't suffer! Regulate your upset stomach in five minutes. Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. and Mrs. Diapepsin, get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. No difference how badly your stomach is disordered, you get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear. Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back. You feel different as soon as Pape's Diapepsin comes in contact with the stomach—indigestion just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine. Put an end to stomach trouble by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia, or any stomach disorder.

It gives us pleasure to be first in presenting these authoritative styles and fancies, in Early Winter Footwear. Style, Price Quality are the three essentials of satisfactory footwear. They are embodied in every pair of shoes we sell. Dancing pumps and party slippers in all the popular materials. ALLAN M. REID, 111 Princess-St., Kingston.

A SURE WAY TO END DANDRUFF. Stop Itching Hair and Itching Scalp—At Once. There is one sure way that has never failed to remove dandruff and you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it to the scalp at night, when retiring; use this particular day, and they are then easier to be gotten at. By morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve, and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and itching of the scalp will stop instantly and your hair will be fairly lustreous, glossy, silky and soft, and look and feel a hundred times better. If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly as dandruff. It falls out, but it makes it stringy, straggly, dry, brittle and lifeless, and everybody notices it.

Remains Were Cremated. Mrs. Agnes F. White, aged sixty-five, widow of the late David G. White, died Sunday at Watertown, N.Y. Mrs. White was born in Lansing, Ont., the daughter of Matthew and Annie Baird. She was a Spiritualist, and her remains were cremated at Rochester, N.Y.

Week-End Chocolate Sale. Special Friday and Saturday only. 40% quality chocolates, 25c. pound. Prouse's Drug Store, opposite St. Andrew's church. Phone 82.
