LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrous; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wreth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While waiting, faded hair is so painful, we all desire to retain our youthful appearance and attractiveness. By darkening the hair with Wreth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautiful; dark, glossy, soft and luxuriant and you appear years younger.

SEES DANGER IN EGYPT.

Certain Factors, Are Agitating Against the British.

The Hague, Nov. 6.—A high official who has just returned from Alexandria, Egypt, states that conditions in that country are outwardly quiet although inwardly dangerous. He says that discontented people, under the leadership of Prince Mohammed Ali Pasha, brother of the absent Khedive, are keeping up a quiet agitation, while professing deep loyalty to the British government and awaiting further developments in the Turkish Mohammedan world. "Foreigners in Egypt," says the official, "are living like the passengers on an ocean liner with a burning cargo, while the commander and officers keep smiling and reassuring the passengers that there is no danger."

DIE FROZEN IN TRENCHES.

Winter Campaign in Russia Already Hits Germans.

London, Nov. 6.—Reviewing the situation in the eastern battle front the Daily Mail's Petrograd correspondent says: "Difficulties in living in the trenches in the bitter weather already has begun. Cases of men being frozen to death among the German troops have occurred because the trenches were dug in marshy soil and now are filled with ice. In such experiences the Germans are far less able to endure the winter than the Russians."

WIRGINIA GIRL GAINED 15 POUNDS

Was So Weak and Thin, Thought She Was Going Into Decline, Tells How Vinol Helped Her.

Norfolk, Va.—"My health was very poor. I suffered from nervousness, had no appetite and was so thin, I thought I was going into a decline, and nothing I took seemed to help me until one day a friend came into my office and told me that I would take Vinol if it would do me any good.

"I have now taken six bottles and have gained fifteen pounds; have a good appetite and can eat anything. It is wonderful what Vinol has done for me in building up my health. My own friends hardly know me and when any one comes into my office the first thing I begin to talk about is 'Vinol'."

MATTHEW DENNIS, Norfolk, Va.

The testimonials which we are continually receiving prove the value of Vinol, our delicious cod liver and iron tonic, and what it did for Miss Jennings it will do for any thin, tired, nervous, run-down, worn-out man or woman.

"If we can induce you to try a bottle of Vinol as a body-builder and strengthener, and you do not find it all we will return your money on demand."
