TAX COLLECTOR 74 YEARS OLD

Expected to Resign on Account of Feebleness - Gained Strength and Twenty-four Pounds by Taking Vinol.

Corinth, Miss.—I am a city tax collector and seventy-four years of age. I was in a weak, run-down condition so that I became exhausted by every little exertion. My druggist told me about Vinol, and I decided to take it. In a week I noticed considerable improvement. I have gained twenty pounds in weight, and feel much stronger. I consider Vinol a fine tonic to create strength for all people. —J. A. Parize, Corinth, Miss.

As one grows old their organs get more slowly and less effectively than in youth. Circulation is poor, the blood gets thin, the appetite poor and digestion weak. Vinol, our delicious cod liver oil tonic, is the ideal strengthener and body builder for old folks because it creates a good healthy appetite, strengthens digestion, enriches the blood, improves circulation and in this natural manner builds up, strengthens and invigorates feeble, run-down, nervous and aged people, and if it does not do all we say, we will pay back your money. George W. Mahood, Druggist, Kingston, Ont.

The style and appearance of these coats demand universal recognition. Whenever they appear they are distinctive. We don't deny other makers copy them as near as they can, but it is like a rabbit running a race with a cat, it never catches up.

When other makers have not the designers or the tailors, how can they make the goods? They pay the price and turn out the coats. All particular dressers appreciate the fact.

GANOQUE LAD FELL THE SPORT REVIEW

FROM FIRE ESCAPE AND WAS BADLY INJURED

Brookville, Nov. 8.—Rugby Match — Death of Mrs. William Cumpson — Children With Matches Caused Fire.

Ganoque, Nov. 9.—Earl Boucher, a lad about nine years old, son of Mr. and Mrs. William Boucher, King street, was severely injured on Saturday morning. He was with some playmates in the rear of Belle's store and proceeded to climb the fire escape. He struck on his side and head and was picked up unconscious. There are no bones broken, the great fear being internal injury.

MORNING IN LONDON.

Big Demands in Shops for Widows' Apparel.

London, Nov. 8.—At many well known west end shops tailoring establishments and millinery shops no guarantees are given as to the time of filling ordinary orders, everything must give way to orders for mourning veils and hats. In one millinery establishment twenty widows' bonnets are being made daily. When asked why so many were kept in stock the answer given was: "They are for twenty widows and represent orders given in three days' time."

At tailoring places it was said that additional help had been obtained to complete at shortest notice mourning clothing, and in consequence all such orders had been accepted on the understanding that completion depended on circumstances at the front.

Internal Squabbling. Moscow, Nov. 9.—A report from Bucharest states that in the course of a violent discussion Evvor, Pasha, leader of the war party, shot Prince Yussup Izedin, heir to the Turkish throne, wounding him in the shoulder. VARSITY DEFEATED MCGILL IN TORONTO BY 12 TO 7

Patriotic Fund Soccer Game Here on Saturday—Notes About Other Rugby Games.

There is joy in the halls at Varsity, for after one of the most strenuous games seen in the stadium in years McGill went down to defeat before the Blue and White by the score of 12 to 7 on Saturday afternoon. The result of the game means a play-off between the teams for the championship of the intercollegiate Union unless Queen's defeats McGill in Montreal next Saturday.

McGill's seven points were made chiefly in the first half, six of them due to a touch which resulted from a fumble. In the first quarter they had the edge, but for the rest of the game they were victims of the superior weight of the blue and white line. In its strenuousness the game is reminiscent of that with Ottawa College three years ago. On the back division the blue and white men also had the edge.

Varsity won the game in the last quarter. At three quarter time, McGill led by 7 to 4.

Varsity—Goal, Fling wing; Sheehy, Lindsay, Carr, halves; Stratton, quarter; Sinclair, Ahelard, outside wings; Cassels, Hughes, middle wings; O'Reilly, Gardner, Horner, scrummage.

McGill—Goal, Fling wing; P. J. G. Laine, Jeffrey, halves; quarter; Montgomery, Kennedy, R. Laine, outside wings; Williamson, Quilty, middle wings; Pennington, Ross, inside wings; Demuth, McCall, field, scrummage.

Referee—E. O. Slier, Kingston; umpire, J. Hazlett, Queen's.

Table with 4 columns: Intercollegiate Union, Varsity, McGill, Queen's, W, L, P, A.

Patriotic Soccer Match

Through the kind permission of Lieut.-Col. W. S. Hughes the cricket field on Saturday afternoon was given over to the Kingston soccer league that they might play a game in aid of the Patriotic fund. Even though it had rained heavily during the first part of the afternoon the game was outlaid off and resulted in a victory for Queen's which defeated a picked city league team by 3 to 1. Prof. J. Matheson refereed.

Next Saturday again, through the permission of Lieut.-Col. Hughes, a match is going to be arranged between a team of the 21st battalion and the C.I.C.'s. Col. Hughes is a lover of good sport and wishes those under him to enjoy the same. As a result he has granted a half holiday next Saturday for the game.

The line-up of the teams on Saturday was: Queen's—Goal, Sutherland; full backs, Lewis, Duffey; half backs, B. Mackenzie, Donaldson; forwards, Fowles, Holmes, Ludgate, Grassy, McNab, D. Mackenzie.

City team—Goal, Fletcher; full backs, Carey, Boyd; half backs, Morris, Scott, Livesey; forwards, Strouwer, Watta, Harte, S. Brown, Sawyer.

A fair sum was realized at this match which will be made known after the league meeting on Wednesday evening.

Kingston Harrier Run

The Kingston Harrier League held its first annual cross-country run on Saturday. The roads were very muddy but very good time was made notwithstanding. A team from Queen's University and one from the Royal Military College ran for the cup donated by A. W. Wheatley. The race was won by the Military College team.

The medals were won by: First, Morris (R.M.C.); second, Revell (Queen's); third, Hamilton (R.M.C.).

Sunday School Basketball

The Sunday School Basketball League opens in the Y.M.C.A. on Tuesday night, with two games—Steele vs. St. Andrew's, and Brock Street vs. St. Luke's. This league was very popular last year and will likely prove as popular and draw large crowds this season.

Collegiates to Play Guelph

Collegiates will play Guelph for the junior intercollegiate championship by defeating Queen's III on the athletic grounds on Saturday afternoon, by a score of 15 to 1. The game was a very good exhibition, but the Collegiates had the better all through. Queen's III had no practice together except the game on Wednesday. This is the reason for its defeat. There was little or no wind all through the game. The ground was soft.

Many good and novel plays were used by Collegiates, several original ones having been used to advantage.

A. T. Hatch and J. Marshall officiated satisfactorily. The line-up was the same as that last Wednesday. There was no junior city rugby game on Saturday afternoon owing to the Collegiate's first team playing the return game with Queen's III.

Rugby Notes

Ken Williams was umpire in the Toronto and A. A. Hamilton R. C. rugby match on Saturday.

Big Four scores, Saturday—Argos, 47; Ottawa 4; Tigers, 12; Montreal, 5.

O. R. F. U. game—Toronto R. and A. A. 16; Hamilton, R. C., 12. At Montreal, St. Michaels defeated McGill, II, by 8 to 0.

If Queen's should happen to defeat McGill in Montreal next Saturday, there would be no tie in the intercollegiate Union, as Varsity would have the championship. The victories of Argos and Tigers at Ottawa and Montreal were expected, and they will likely play off on neutral grounds for the Big Four championship.

Princeton's vaunted strength on the gridiron was smashed and battered to nothing Saturday afternoon, when Harvard won an earned victory from the Tigers by 20 to 0.

Baltimore, Md., Nov. 9.—Flying the flags of nearly every marketing nation except Germany, ninety steamships are bound for this port to load cargoes of all kinds of commodities for Europe, according to the local maritime exchange list, published today.

Most of the vessels, however, will take out grain. Some of the ships will be fitted up to carry a thousand horses each. Others will have their holds filled with barbed wire for use as entanglements upon battlefields. At least half of the steamships are British vessels.

A TRADE ANOMALY

Big Increase in British Exports to United States.

London, Nov. 9.—Consul-General Skinner states that the exports from London to the United States in October were more than a million dollars in excess of the average for July, August and September, in spite of many things which the British government will not allow to be exported.

No particular material preponderates in these exports, the increased amount of which is largely due to the closed German market.

Crushed German Battery

Paris, Nov. 9.—A German battery of heavy guns has been shattered by the French destroyer "Adventurier," which has been co-operating with Admiral Hood's British fleet off the Belgian coast, the Matin states.

With the greatest gallantry the "Adventurier" approached close to the coast, and though heavy shells rained around her, bombarded the battery until it was destroyed.
