

# Fashionable Furs for Trimming Hats

Fitch, Ermine, Mink, Persian Lamb, Coney, Chinchilla, in Bandings and whole skins.

November brings in a craze for fur trimmed millinery. Nine out of ten smart hats the milliners are turning out are edged, or ornamented with one of the peltries of fashionable vogue. If you are your own milliner, here is a list for you to select from.

If 3/4, the creamy yellow sort, one-half inch wide, \$1.00 per yard. One inch wide, \$2.00 per yard.

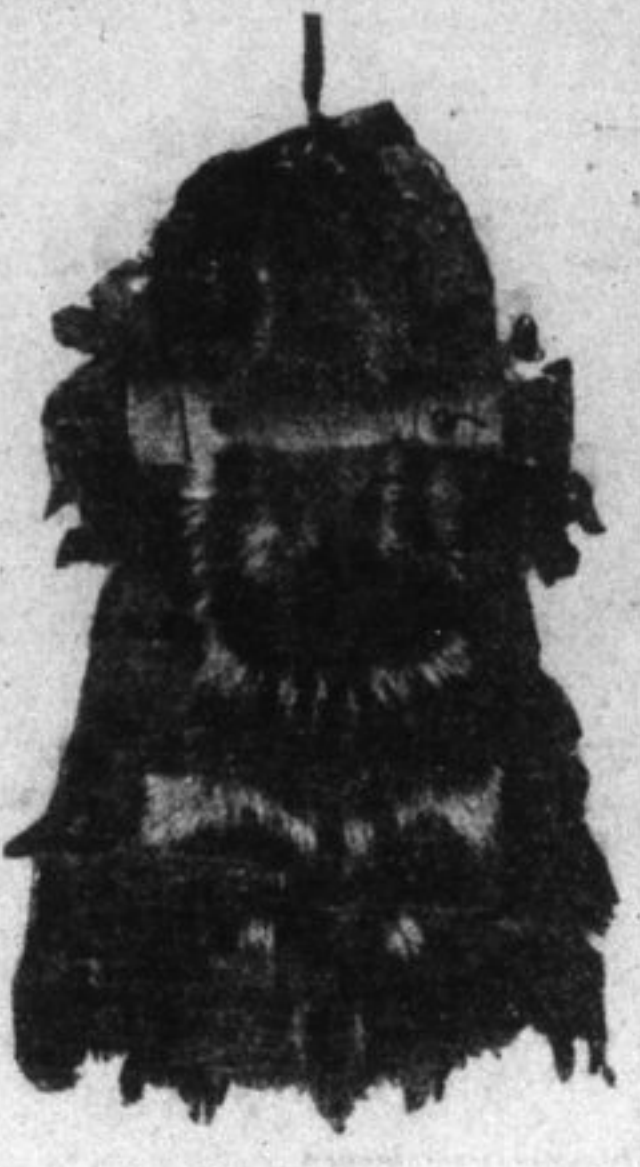

Sable, or skunk, one-half inch wide, 75 cents a yard; one inch wide, \$1.25 per yard. Imitation Ermine, with real Ermine tails, one inch, 75 cents; one and one-half inches, 85 cents a yard.

Chinchilla Coney, one inch wide, 65 cents per yard.

Black Marlin, good imitation of Alaska Sable, one-half inch wide, 65 cents per yard; one inch wide, \$1.30 per yard.

In whole skins used for crowns, mounts, etc., silver grey squirrels, black and red, 50 cents per skin. Civet Cat, about 15 inches long, \$1.50 per skin.

Imitation Ermine or rabbit, 75 cents per skin. Ermine, \$1.00 to \$3.00 per skin.

## Furniture Carpets Draperies

GOOD FURNITURE increases in value with age—it doesn't go to pieces, it retains its finish, and if it's a good antique design—which is really the up-to-date style—it is worth more fifty years hence than it is now. Young couples should consider this when buying. It will pay you to see our lines of NEW FURNITURE copied from OLD DESIGNS and which will get more valuable further on.

Our Rugs and Carpets to match are more than mere floor coverings. There is art in their designs and harmony in their color effects, so that YOUR NEW HOME loses all its stiffness and becomes a joy forever.

Our new line of Velvet Suits in mahogany finish and also in solid mahogany, are covered to your order and in keeping with rugs, etc. \$20.00 up to \$100.

See our Mahogany Bedroom Suits, some special.

## CASE WAS DISMISSED

COMPLAINANT DID NOT APPEAR TO PRESS THEFT CHARGE.

Herbert Clancy Who Claimed He Was Robbed of \$78 Did Not Show Up to Make Charge Against Roy Ferguson — Recruits Sworn In By the Magistrate.

Roy Ferguson stood in the police court on Tuesday morning, wearing the uniform of his majesty the King, charged with robbery, but the complainant in the case, Herbert Clancy, did not appear, although he had been notified as to the time the case would be heard. The magistrate then dismissed the case.

Ferguson and Clancy were recently the members of an automobile party and while out on this trip it was alleged that Ferguson held his friend up and relieved him of \$78. Clancy was at the police station shortly before ten o'clock on Tuesday morning, but when the case was called he could not be found, and the magistrate immediately dismissed the case.

"Now that you are wearing the uniform you now have on," said the magistrate to Ferguson, "I hope that you will in the future have a care. You know what took place, and if there was any reason for such a charge being lodged against you I trust that from now on that nothing but good reports will be heard concerning you."

A military escort was present and after the case was disposed of, they took Ferguson back to his corps.

After the police court session, two young men who have offered their services for overseas duty were sworn in by the magistrate.

### Will Give Good Idea.

Dr. Bruce Taylor, of St. Paul's church, Montreal, who will lecture in Convocation Hall to-night, is not only a prominent Presbyterian divine, but a well-known historian and economist. His subject, "Mazzini and the Birth of Modern Italy," should be of interest to all who wish to understand the attitude of Italy in the present war. Italy is still largely inspired by the ideals of Mazzini, and by his love for smaller nationalities, and Dr. Taylor's lecture will help all Kingstonians to understand why Italy will probably soon be on the side of the allies and of humanity.

### A Lecture On Sugar.

A social evening was spent at the Y.M.C.A. on Monday evening when the Young Men's Bible class was treated both to a supper and afterwards to an interesting address by Prof. W. W. MacClement. The subject of the address was "Sugar." The speaker described the origin of sugar and its many processes of manufacture. The use of sugar as a food was also explained by Prof. MacClement and by use of slides the subject was clearly demonstrated.

### Will Raise Objections.

Members of the Kingston Kennel Club say they will raise objections to the dog by-law before the City Council. They say the Finance committee promised that the club would be consulted if any change was made in the dog by-law, but this has not been done. They will have a deputation to attend the next meeting of council. Ald. Niskle is a member of the Kennel Club, and is supporting the by-law framed by Ald. Gillespie.

### Men Sent To Jail.

James Smith and James Clerk, who were given a month in jail by the magistrate on Monday for breaking Woolworth's store, were given shelter at the police station one night quite recently and when they were taken to the police station they were recognized by some of the constables. They certainly showed some nerve, having been sheltered at the police station and then starting out to steal from the stores.

### Curiers Rifle Association.

The Kingston Curling Club has ordered the supplies necessary for the formation of a rifle club among its members, but the arrangements for securing the rifles have not yet been completed. The idea was to use the curling rink for rifle practice until the curling begins. A meeting of the executive of the club has been called for Friday evening, at which the final arrangements for the coming season will be made.

### Spreading The Asphalt.

The first coarse layer of asphalt was placed on the north side of Princess street, between Clergy and Barrie streets, on Tuesday morning. Laying this particular quality of pavement in the cold weather is not so easy as in the heated asphalt is dumped no time is lost before it is spread. The heavy roller has also to keep up with the workers and finish the process before the heat leaves the composition.

### Fall And Winter Importations.

Prevost, Brock street, has received all his fall importations for his tailoring department consisting of suiting and overcoating in great variety to choose from. Also large stock of ready-made clothing and Gents' Furnishing.

### Relief Committee Met.

A meeting of the relief committee of the Patriotic Fund was held on Monday afternoon for the purpose of revising the lists for the allowance for the month of November. It is expected that the list will be sent to Ottawa on Wednesday.

### Engagements Announced.

The engagement is announced of Miss Edith Morgan Hubbard, second daughter of Major and Mrs. Ernest W. Hubbard, Ottawa, to Capt. Lionel H. Millen, of the 91st Regiment of Canadian Highlanders, of Hamilton, Ont.

### Weather Notes.

Moderate depressions now exist over Lake Superior and to the southward of Newfoundland. A few light snow falls or flurries are reported from the great lakes to the maritime provinces.

## RECRUITING AT QUEEN'S

Capt. Lindsay Malcolm Pleased With The Engineering Personnel

Queen's Journal. It is by the directness and immediacy of its efforts and in inverse proportion to the pressure put upon it that a university shows its patriotism; and in such patriotism Queen's has proven herself second to none.

Following advice that the 5th Field Company Canadian Engineers are authorized to send overseas a half company consisting of three officers and 105 other ranks, the orderly office has been kept busy with letters, wires, telephone messages and personal applications. Old Queen's graduates especially appear to be smitten with the fever to go with the boys; for it seems to have been the general sentiment that it was due the students that they should go as a unit and as a unit that would be strictly of their own university.

Eighty rank and file will train at Queen's, the balance, who are drivers, will be instructed at Ottawa. The roll is now practically complete, and it is to be regretted that large numbers will have to be disappointed.

Captain Malcolm is delighted with the personnel of the corps. "We have the pick of the fellows," he said. It is to be noted that the names of the majority of the first rugby team appear on the roll. Once more they throw down the gauntlet of battle, and we have no doubt that the Kaiser's knees are already knocking together as he thinks of the "first show."

The men of the Faculty of Education have all volunteered for military training. They have formed a squad of their own, under the leadership of one of their number, who holds a cadet instructor's certificate. The various years might well follow their example.

### A Mysterious Letter.

Prof. C. F. Gummer, Union street, a short while ago received a very peculiar communication through the mails. He was sent a catalogue post-marked from England and beside the catalogue was a stamped and sealed envelope addressed to a German in this country. The stamp was one of the old Victoria type. It is supposed that the letter was sent in the catalogue and the sender thought that Prof. Gummer would repeat the envelope, seeing that it was stamped and addressed. The letter was sent to the local post-office and the postmaster is looking into the matter.

### SEVENTY-FIVE REGISTER.

For the 14th Reserve Regiment to be Formed.

Ald R. D. Sutherland has now over seventy-five names of citizens who wish to form a 14th reserve battalion. They are all ex-14th men. A meeting will likely be called for Nov. 24th and the organizing commenced in earnest. There are a large number of old 14th members in the city and it is the object of this reserve to hold drills and show to outside places that Kingston has a great number of ex-soldiers still in the prime of life who will, if necessary, shoulder a gun against the enemy. The idea of a reserve battalion is being worked out in several places, great numbers of men turning out to the drills.

## WILL NOT PLAY HERE.

Intercollegiate Tie Will Be Played Elsewhere.

A Toronto dispatch says: While Queen's has yet to meet McGill in Montreal, the game being scheduled for next Saturday, there is little doubt of a victory for the red and white and a consequent tie with university of Toronto. Until after next Saturday, when U. of T. will be idle, nothing will be done toward selecting a field for the play-off, which will likely be necessary between McGill and Toronto.

On Saturday Capt. Gage, of U. of T., offered to toss a coin with Capt. Paisley, of McGill, the winner to play on his home gridiron. Paisley declined to toss. Toronto will now suggest that a coin be tossed to decide whether the deciding game—should one be necessary—be played at Rosedale Field, this city, or in the M. A. A. grounds in Montreal, both neutral grounds.

Queen's Field at Kingston is out of the question on account of the lack of accommodation. McGill will probably hold out for Ottawa, where the teams played off two years ago. It is more than probable that the capital will be the scene of the momentous struggle. University of Toronto have yielded to McGill's demands in many respects, and will probably do so again, feeling that on any field the blue and white will triumph.

## Y. W. C. A. Events.

The Y.W.C.A. girls were afforded the privilege of listening to an able address by Mrs. W. T. MacClement at the building on Monday evening. Reports from various quarters of the globe were read by the speaker, telling of the good work being accomplished by the Y.W.C.A. workers. Mrs. E. Muirhead handled the affairs for the evening and called upon several others to take part in the programme. Miss Vera Halliday sweetly rendered a solo and Miss Edith McCallum, Miss Katie McKay and Miss Clara Smith helped to carry out the evening's entertainment.
