Fire Insurance

Now that the fall season is once again with us, necessitating the starting of stoves and furnaces, the danger from fire risk consequently increases, so that it is essential that all property should be adequately covered.

If in need of any additional insurance or contemplating a change, I would appreciate the opportunity of figuring on your requirements. I represent several strong (and non-traffic) companies.

Kingston Brick VS. Baker Brick

See those two houses, side by side, on Division St. between Queen and Colborne. The completed one is built of Kingston Brick, the unfinished one of Baker Brick. Honestly now, doesn't the Kingston Brick look just as good, and they cost less, besides being a home product. Boost your home industry and build of Kingston Brick.
