SOLDIER IS MISSING

PRIVATE F. W. HARRISON CAN NOT BE FOUND.

Feared That He Was Drowned in Harbor.—Cap Picked Up Along Water Front.

The finding of a military cap along the water front, between Brock and Clarence street, led to the discovery that Frederick W. Harrison, a private attached to "P" company of the 21st battalion, for overseas duty, was missing, and it is feared that he fell into the water and was drowned. The police and military authorities are now looking for the missing soldier. The harbor will be dragged.

Information from military officials state that Harrison has been missing from the ranks since Tuesday noon. A representative of the Whig was informed that Harrison was noticed walking along the waterfront on Monday night about 10.30 o'clock. The cap was picked up on Tuesday morning by a man named Cleary, living on Wolfe Island. Harrison is thirty-three years of age, and enlisted in this city. For some time he was a cook with the R.C.M.A. in Kingston. He was born in London, Eng. The description given of him states that he is 5 feet 7 1/2 inches in height, clean shaven, weighing from 145 to 150 pounds. He appeared to be well and happy and carried his rifle and other members of "P" company assigned no reason for his absence, and on account of the finding of the cap, it is believed that he fell into the water.

The cap, which was picked up along the water front was handed over to the police. It has the initials, "W.H." and his number 137.

Looking For Body. Constables Batson, Naylor, Craig and Jenkins patrolled the waterfront this afternoon with grappling hooks in search of the body of Frederick W. Harrison believed to have been drowned.

BASKETBALL GAMES.

Two of Sunday School Series on Tuesday Evening.

The second double-header meet of the Sunday School Basketball Association series took place in the Y.M.C.A. gymnasium on Tuesday evening. The contesting aggregations this time were Brock Street vs. Bethel, and St. Andrew's vs. Y.M.C.A. The two matches were more closely contested last evening than they were a week previous, owing to the fact that St. Luke's line-up, which was in a poor condition, had dropped out, and a Y.M.C.A. aggregation taking its place in the series. The referee, C. R. Powers, gave entire satisfaction. Roy Day was umpire for both games.

The first match, between Brock Street and Bethel, resulted in a victory for Brock by the score of 34 to 19. At half time the tally stood 12 to 9. As a general rule, the Congregational team put it over its opponents, but this is once where the Methodists trimmed it to a standstill. At times this game was fast and exciting.

The second game, between St. Andrew's and Y.M.C.A., resulted 30 to 20 in favor of St. Andrew's. The half time score stood 17 to 7. The last match produced several fine plays and was really the better game of the two. The four contesting teams were: Brock street—Forwards, M. McConville, F. Pound; centre, F. Reid; defence, Ferguson, C. Pound, Burtch. Bethel—Forwards, G. Holland, W. King; centre, H. Singleton; defence, M. Veal, H. Edgar. St. Andrew—Forwards, H. Holder, J. Mercer; centre, R. Day; defence, W. Mercer, E. Kelly. Y.M.C.A.—Forwards, W. Joyner, T. McCormack; centre, S. Fleming; defence, S. Morrison, A. Murray.

The Late Michael J. Lynch.

The funeral of the late Michael J. Lynch, who died on Monday, was held on Wednesday morning from St. Mary's cathedral. The pallbearers, T. J. Connor, James Forrest, Thomas Kepnan, James Keenan, Daniel Dennis and D. P. Branigan, carried the remains from the deceased's late residence, 240 Johnson street, to the cathedral, a distance of about a block. A requiem mass was celebrated by Rev. Father A. J. Hanley, assisted by Rev. Father Joseph McDonald and Father McNeill. From the cathedral the remains were taken to St. Mary's cemetery, where they were placed in the vault.

A Splendid Meeting.

Charles J. Stevens, evangelist, of Toronto gave his final address of the series in Brock Street hall Tuesday night. The subject, "Israel's Deliverance, Their Journey to and Entrance Into Promised Land," was expeditiously well handled and in a very original and forceful way. Mr. Stevens is a most attractive speaker and his nightly meetings are sure to be well attended.

WINTER WEATHER HERE.

Thermometer Showed Twelve Above Zero Mark Wednesday Morning.

All that was needed in Kingston Wednesday to make real winter weather, was a fall of snow, and it looked for a time as if the weather man would send along a flurry of "the beautiful."

"Is it cold enough for you." This time-worn expression was again in order on Wednesday morning. It was cold enough for the average citizen, all right, for when he looked at his thermometer early in the morning he found that it was just twelve above the zero mark. And this was going some for November 18th. Frost on the window panes, and ice in the milk bottles and in water pails, recalled the fact that Old Man Winter was again upon us.

READ ADVERTISEMENTS.

The Whig's readers are urged to carefully scan the store news in the various advertisements. The merchants are making their space valuable by offering bargains. Careful study of these will save citizens dollars, and that is what is sought after these days. Buy from home merchants, and you help the city thereby.

THE VETERANS MEET

HEAR THE ADDRESS BY MAYOR SHAW AND LIEUT. STROUD.

S. Shaw, of Philadelphia, Also Spoke—Veterans to Drill in the Armouries on Thursday Night.

The Veterans association held a well-attended meeting in the City Council chamber on Tuesday night, the commandant, A. M. Chisholm presiding. There were several new members at the meeting. The list of names secured by Lieut. Col. G. Hunter shows that the membership to be nearly 200.

Mayor Shaw gave a short talk on the history of the British flag. He told of the glories of the St. George's St. Andrew and St. Patrick crosses. The address was very much appreciated by the veterans.

Lieut. Albert Stroud, signalling officer of the 21st battalion, gave a very interesting and instructive talk on "signalling." He described the different methods—the semaphore, Morse lamp, helio-telegraph, telephone and wireless. The speaker demonstrated the methods used. His address was well received and appreciated.

S. Shaw, of Philadelphia, told of the sympathy of the Americans to the allies cause and the loyalty of the Canadians across the border. As Lord Roberts was an honorary member of the association, a resolution of sympathy to Lady Roberts was sent by the executive.

It was decided to ask the militia department and the city to consider the appointment of veterans when choosing guards for home duty. The veterans, through the courtesy of Col. T. D. R. Hemming, and by an arrangement with Lieut. Col. W. S. Hughes and Major H. J. Dawson, will meet in the armouries on Thursday evening at eight o'clock for drill and rifle practice. Sergeant Major Henderson will have charge of the drilling squad and Sergeant Major Edwards will be asked to take charge of the rifle practice.

The meeting closed after remarks by the chaplain, Rev. J. P. Forster, Rev. Mr. Chafee, Mr. Ingledew and Mr. Davidson by singing of the National Anthem.
