DRILL HALLS FOR BOYS. The war fever is on the people eal carnest. It affects all classes and conditions of the people. Even some of the venerable professors of Queen's University are out drilling and showing the students a good prepare for mobilization without example. And they are learning that |gard to the Militia Department or its hich Lord Kitchener says is most head. This is a supreme sential, namely, to shoot well. The | contrariness or contempt. The late bye-election in Hamilton, the first since the change of government, and the first occasion on which the people could express an opinion on passing events, is still talked about. The constituency was very unpopular. Why should it supposed to be one in which con- resorted to when so many servatism was so deeply planted that nothing could disturb it. Hon. John duty without compulsion? how? That is the question that no vice. one can answer, and it demands the answer since the majority which Mr. Hendrie rolled up in the last general they thought it useless. The labour men took a shy at it for two reasons: (1) That they wanted to show a preference for a very worthy lead. The Syracuse Post-Standard thinks

er, and (2) they have not in the strength entitles them. So nominated their man, and he within an ace of being elected. Spectator refers to the result as evidence of the indifference of voters. Not so many as usual to the polls. Yet there is nothing to show that a larger poll of votes would have done the conservative candidate any good. The deduction follows that the cause he supported has suffered. The local government without Whitney was on trial, practically repudiated. The election

CONSCRIPTION IS ADVOCATED. The London Mail bewails the fact that "stupid methods" of recruiting preva'l in England. The news day to day is very encouraging gen erally; on some days it is inspiring: but it is far from reaching the sired results by reason of the emascu lation which it suffers at the hand of the censors. These are not any , perienced editors, and they cannot cut f the government, or all of and slash huge slices out of the most admirable copy without destroying its
