Weekly Selections from Noted Beauty Experts Writing for the English Press. Simple and Effective Methods.

By Olga Amsdell, Special Correspondent, London, Eng. Each week in this department I will endeavor, by eareful cliping from the London papers, to keep my Colonial readers informed on the latest and best advice of the London beauty experts. Owing to the persistent demand most London newspapers and periodicals are now. devoting much space to the serious consideration of beauty culture. Many of them now employ high salarled experts to advise and instruct in methods most efficient for enhancing or restoring beauty of face and figure. I append herewith a few elippings from leading English publications. Any of the ipgredients mentioned could be obtained from Canadian chemists or drug gists, so I am told. Look out for more hints next week. I shall endeavor to keep right up to date.
