CHILDREN'S AID WORK HOUSE SET ON FIRE

INSPECTOR IS CARRYING OUT MANY REFORMS.

Several Cases Given His Attention During the Month of December—Neglectful Parents Taken to Task.

There was a meeting of the Children's Aid Society on Tuesday afternoon. The president, Rev. Douglas Laing, presided, and other members present were Prof. A. Laird, G. M. Macdonnell, Miss A. M. Machar, Rev. J. W. McIntosh, Rev. S. J. M. Compton, Rev. John Fairlie, secretary, and the inspector, W. H. Wyllie.

The inspector presented a report of the work carried on during December, and it showed that he had been alert during the month, giving the best attention to the various matters which came under his attention. Cases were reported in which parents had been neglectful in the matter of sending their children to school, but the inspector had made an investigation, with the result that the children are now attending to their studies.

The inspector followed up his investigation regarding the purchase of cigarettes by juveniles and on a test being made it was found that five stores had refused to sell cigarettes to boys.

The inspector was also successful in breaking up a gang of boys who made their headquarters in a barn, where they indulged in strong drink. The inspector had a talk with the parents of the boys and also with the liquor dealers, and it is expected that much good will result from his efforts. Good reports were also received regarding a fifteen-year-old boy who was recently taken in charge on account of drunkenness. He is doing well and reports to the society every week.

The report of the inspector for the month among other things showed the following: Applications for children, 6; children brought to the shelter (not wards), 10; children placed on parole (not wards), 2; children returned to parents (not wards), 8; complaints, 31; investigated, 39; wards placed out, 4; wards returned, 3; warnings given, 24.

BOY GIVEN A CHANCE.

Was Arraigned Before Magistrate or Wednesday Morning.

On Wednesday morning, an eighteen-year-old youth was arraigned before Magistrate Farrell. His mother died some few weeks ago, and he has been working with different farmers around the country, but he has been rather wayward, and the people with whom he has been staying have had a most difficult time in looking after him. For this reason the inspector of the Children's Aid Society, W. H. Wyllie, was asked to look into the case, and he did so. He took him in charge on Tuesday afternoon, and he spent the night in the police station. The magistrate and the inspector gave him some good sound advice and then allowed him to go.

Golden Wedding Anniversary

A very pleasant event took place at Athens, on Wednesday evening last, when Mr. and Mrs. T. G. Stevens celebrated the fiftieth anniversary of their marriage at their cosy home, Victoria street. It was a family reunion. Mr. Stevens was born at Elbe, some three miles from Athens. Mrs. Stevens was Eleanor Smith, daughter of the late Mr. and Mrs. Wiley Smith, and her birthplace was Charleston. Rev. Mr. Plato united them in marriage and one guest was present, Wednesday evening, who witnessed the marriage, Miss Eliza Stevens, sister of Mr. Stevens. Following their marriage they settled in Athens (then Farmersville), Mr. Stevens establishing a cabinet, furniture and undertaking business which he successfully carried on all these years, disposing of his undertaking business only two or three years ago. Mr. and Mrs. Stevens never had any children of their own, but adopted and reared some nine children, namely: James Smith, of New York state; Mrs. Fred. Barrington, cabinet-maker, Montreal; Mrs. W. Elkhorn, Macklin, Sask.; Mrs. J. C. Hudgins, Selby, Ont.; Miss Adda Hunt, New York; Mrs. E. Smith, Boston; Miss Irene McLean and Miss Blanche McLean, recent graduates of the Ottawa Normal school, and Miss Florence Williams, now a student of the Athens high school. All the children were present with the exception of Mr. James Smith.

Another Death From Pneumonia.

After being driven from Bath, a distance of eighteen miles, Mrs. David Teel, seventy-years of age, died on Wednesday morning at the Hotel Dieu. The old lady was suffering from pneumonia, and her husband drove her to Kingston on an open sleigh, upon which a mattress had been placed. The remains were transferred to Bath on Wednesday afternoon by R. J. Reid, undertaker.

ALL THE EVIDENCE POINTS IN THAT DIRECTION.

Lively Blaze in Vacant House at 243 Brock Street Was Caught in the Nick of Time on Tuesday Night.

That a deliberate attempt was made by some person or persons at present unknown to burn down the three-story solid brick house, at 243 Brock street on Tuesday night, was evident from evidence found in the house shortly after a blaze broke out. Luckily it was extinguished before very much damage was done.

The house is owned by Rev. William Lewin, but the latter moved out of the place about three weeks ago, and since that time it has been vacant. Shortly after 10 o'clock on Tuesday night some boys passing the house noticed a fire in the bath room. They immediately gave the alarm, and a number of Army Service Corps soldiers, managed to gain entrance and extinguish the blaze without the services of the firemen.

The bowl in the lavatory was shattered and there was every evidence of it having been filled with kerosene oil, after the water had been turned off. The fire burned quite a hole in the flooring, and had it not been discovered in time, the house would have been in flames in a few minutes, and a serious fire would have been the result.

A call was sent into the fire department afterwards, and Capt. H. Stratford went over and made an inspection of the house.

YARKER RESIDENT KILLED ON RAILWAY

Sad Death of Robert Haggerty, Struck by C. N. R. Train.

A very sad accident occurred on the C.N.R. tracks between Strathcona and Newburgh, late on Tuesday afternoon, which resulted in the death of Robert Haggerty, of Yarker. The deceased gentleman, who was a night watchman with the Benjamin Wheel Co., Limited, of Yarker, was en route home.

When the C.N.R. train for the east stopped at Strathcona he alighted from the train, and for some unknown reason he missed getting on again and started to walk the rest of the distance. He had gone part way when the 4.16 C.N.R. train going west struck and killed him almost instantly. The train was stopped at the earliest possible moment and the body picked up and removed to Nanaimo, where an inquest will be held.

The late Mr. Haggerty was forty-six years of age, and had been employed by the Benjamin Wheel Co. for about a year. He formerly resided at Camden. A wife and one son, about eleven years of age, are left to mourn his loss. Mr. Haggerty was well known throughout Yarker and district, where he was highly thought of, and the sudden death has caused widespread sorrow.

Kincaid, which is the outcome of a previous assault case, was settled by judgment being given to the defendant for \$14.52. The remainder of the cases were for accounts.

A sensational detective drama in three parts, full of heart interest and tense situations, featuring Gene Gaudier, an old favorite not seen in Kingston in a number of seasons.
