new scientific preparation put up. into table or pastille form, which provides an entirely new and effective treatment for coughs, colds and lung and throat troubles.

Did Wit never occur to you peculiar that when you have cough or a cold, or any ches trouble, you should apply medicine -not to your lungs, but to your tomach?

Look at it the other way round. Suppose you suffered from some stomach complaint -- indigestion or ulceration, How strange rou would think it if you were asked to take a medicine which had breathed in, and which went-not and breathing passages?

Peps-this newest remedy for coughs, colds, and lung troublesso to the lungs and breatuingtubes, direct. Peps are really pine fumes, and certain highly beneficial. medicinal extracts specially prepared by a new scientific process and then condensed into tableform. It is like making a breathable gas solid!

You put a "Pep" on your tongue and let 'it dissolve. As I does so, the healing essences it contains turn into vapor, and you BREATHE them direct to your lungs and air passagest

Just as the out-door treatment for consumption-the "breathing treatment-is now admitted to b the only rational treatment, so the "Peps" treatment for colds and lung troubles is the only rational home treatment.

Peps cure catarrh, coughs, bronchitis, sore throat, tightness or aching across the chest, difficulty in breathing, night cough, hoarseness, asthma, laryngitis, smoker's throat, etc. Best for children, because free from opium, morphine, or any poison. All druggists and stores sell
