He was a member of the Masonic order and also of the A.O.U.W. The funeral service was held at his late home, Jan. 11th, and was conducted by Rev. M. England. During the service W. To Keep Skin Healthy, Youthful, Wrinkles Less

Now that the social season is here, it is especially careful to keep your skin in the best condition. You know how conspicuous complexion defects appear under the bright light of the dance or ball room. Also how very evident are some makeups when similarly illuminated. I have myself discovered cosmetics entirely, using a process which gives far better results, and which leaves no trace on the skin. I might smear on a thin coat of ordinary mercerized wax, washing it off next morning. This gradually absorbs the dissolved particles of surface skin; just as gradually the more youthful skin beneath comes forth, providing a complexion as clear, smooth and delicately tinted as a young girl's. Get an ounce of mercerized wax at your druggist and try this remarkable treatment.

Remember, too, that wrinkles, even the fine lines, are not easily concealed in the winter. They are especially noticeable when you are in a room with a bright light. You can quickly obliterate these hateful marks by having your face in a solution of mercerized wax. Wash it off with water, and your face will not look sticky, as after using pastes, soot, talc or cream.

Potato Evaporating at Tweed

Tweed, Jan. 15.—Peter Doran, farmer, died at Bogart on the 16th inst., aged about seventy years. The cause of death was pneumonia. Deceased is survived by a wife and several children, all of whom are grown up.

The marriage of Miss Delia Mulrooney, of Stoco, and Simon Cournea, of the same place is announced to take place next Wednesday at St. Edmund's Church, Sugar Island. The officiating clergyman will be Rev. Father Quinn.

The R. J. Graham Company is doing a large business here in the way of evaporating potatoes, which is done by a new process. The potatoes are not cooked before evaporating, as in the case in the older plan. By the new way the potatoes are mashed, peeled and sliced raw and then evaporated. The company handles about 175 bushels each day.

A. J. Fitzgerald's residence on West Market street, is nearing completion and is a beautiful building having all the modern improvements. Mr. Thomas Donahue who has been seriously ill, is convalescing. Patrick Harris, of Stoco left last Friday on a business trip for Saskatchewan.

At the carnival here last Saturday evening Miss Lena Carroll, Separate school principal, carried away the ladies first prize for costume and skating. She represented "The Queen of Polly." Orville La Fontaine was awarded the prize for costume. He represented a clown. Mrs. T. Eskpan is suffering from a fracture of the ankle, but is somewhat improved.

A GOOD RECORD

The year 1914 has been a banner year for the Mutual Life of Canada, having written the largest business in its history. This success is due very largely to the excellent settlements on Policyholders in the way of profits and the fact that it is a purely mutual company, being the relief of paying any of its earnings to stockholders.

Toronto Saturday Night, in its annual review, says the Mutual Life is probably the best Life Insurance Company in Canada today. The fact that this year's business secured under conditions of such financial depression speaks volumes for the merits of the company.

Those contemplating insurance will save money by placing their application with this excellent company.
