The German Flights Are Violation of

Noutrality.

aircraft passed over Holland from

west to east last night. It is ex-

pected that the Dutch government

will point out to Germany that the

repeated flights of German aircraft

over Holland are not conformable to

the attitude of a belligerent to a neu-

tral country. In this connection

may be recalled the outery made by

the German press with regard to the

Misery of New York's Unemployed.

The imagination thrills to the hor-

rors of misery, destitution and star-

vation in Belgium. It is just as

horrible to be homeless and starving

in raw, rainy New York, and there

is no glow of romance in the lot of

the unemployed who haunt the parks

and lodging houses, beg the grocer

of the bread lines. Figures, complied

for the Public Forum of the Church

of the Ascension show that there are

more than 500,000 unemployed in

New York to-day. In volume of

misery, in empty stomachs and break

ing hearts the situation cannot be

measured. Statistics are wholly in-

.That need is increasing daily. Lit

tle savings are being swept away

starving to death in the richest city

of this great land of abundance, and

men, their hearts broken by the

hopelessness of the struggle, are

committing suicide. Officials are

investigating and committees are de-

bating ways and means of attacking

the unemployed problem. That is

fine, but what is needed now is mon

ey to buy food and shelter and cloth-

ing and medical attendance for those
