GAS, HEARTBURN, INDIGESTION OR A SICK STOMACH

"Pape's Diasepsin" ends All Stomach Distress in Five Minutes.

Time it! Pape's Diasepsin will do anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion. Get from your pharmacist a fifty-cent case of Pape's Diasepsin and take a dose just as soon as you eat. There will be no sore rising, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitated head-ache, dizziness or intestinal griping. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors. Pape's Diasepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there. Relief in five minutes from all stomach misery is waiting for you at any drug store. These large fifty-cent cases contain enough "Pape's Diasepsin" to keep the entire family free from stomach distress and indigestion for many months. It belongs in your home.

Scratch Set Up Blood Poison. Zam-Buk Cured Her

Mrs. John Peterson, Wellwood, Man., writes:—"Some time ago I scraped the skin off my knu knee. Not thinking it serious, I merely washed the wound and applied an ointment I had ordered at the time. However, instead of getting better, my fingers got worse. The sores spread quickly and penetrated to the bone. They began to discharge, were terribly painful, and blood poison was starting. I became alarmed and was going to a doctor, when Zam-Buk was recommended. I purchased a box and began using it. The first few applications eased the pain, and noticed a decided improvement. Every day my fingers got better under the Zam-Buk treatment, and eventually a complete cure resulted. Accidents are always happening. It may only be a pin scratch, cut, or burn, but do not forget that whenever the skin is broken there is danger of blood poison. Why take chances? Apply Zam-Buk at once! As soon as Zam-Buk is applied it quickly kills all germs, thus eliminating all danger of blood poisoning or other complications. It ends the pain, stops bleeding, and heals. Zam-Buk is a cure for cuts, burns, bruises, chapped hands, cold sores, plics, eczema, ulcers, and all skin diseases and injuries. All druggists and stores. 50-cent box or postpaid from Zam-Buk Co., Toronto. FREE TRIAL BOX will be sent on receipt of 1c stamp for return postage, this article, and name of patient.

Don't Buy a Pig in a Bag.

When you send money to a mail order house, you "Buy a pig in a poke." You may not get what you send for, as you are always asked to make "A Second Choice." If goods are damaged in transit, there is trouble and at best, an irritating delay in getting matters straightened out. If your local merchant asked you to pay for an article before you ever saw it, what would you say? Yet that is what the mail order house insists upon. Read the advertisements, see what you are buying, and spend your money at home.

The Canada Life is this year distributing to policyholders Dividends of over \$2,800,000. Not only is the amount now distributed materially greater than that of the last distribution in 1910, but the rate declared on policies has continuously improved since 1900. HERBERT C.
