IN MISERY AT MEAL TIME

Indigestion Can be Cured by the Use of Dr. Williams' Pink Pills.

If your digestion is weak you cannot derive proper nourishment from your food. The pain and distress you suffer is a protest from your stomach that it is unable to do its work. It is then that you lose all appetite, have dull headaches, acute pains in the chest and abdomen, heartburn and other distressing symptoms.

You cannot cure indigestion by the use of laxatives, and purgative foods only make the stomach more sluggish. Indigestion can only be cured by giving tone to and strengthening the nerves that control the stomach. Dr. Williams' Pink Pills have cured indigestion times without number, because they purify and enrich the blood. In this way they improve the appetite, dispel the torments of indigestion and enable you to derive benefit from the food you take. The following is proof of these statements. Mrs. George Brien, Great Shemogue, N.B., says: "A few years ago I was taken down with a fever that left me suffering from nervous stomach trouble. I apparently got over it, but the trouble could not have been wholly eradicated, as during the summer of 1912 I was taken down with it again. I took many medicines, and was attended by two different doctors, but instead of getting well seemed to be growing worse. I could not eat without suffering, the most intense pains; a drink of milk seemed to upset me. I slept poorly and at last dreaded to see night come. In this condition I saw in a newspaper the story of a woman who had similarly suffered and was cured through the use of Dr. Williams' Pink Pills. I decided to try the pills and found by the time I had taken three boxes that they were helping me. I continued using the pills until I had taken eight boxes, when the trouble had disappeared, and I have to thank Dr. Williams' Pink Pills for restoring my health after I had practically given up hope of ever being well again."

Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50c a box or six boxes for \$2.50 by writing the Dr. Williams' Medicine Co., Brockville, Ont.

A LADY BADLY INJURED.

Mrs. John Gordon Sustained Fall on Princess Street.

Shortly after five o'clock on Tuesday afternoon a distressing accident was met by Mrs. John Gordon, 289 Sydenham street, who fell on the sidewalk in front of Beaugre's liquor store, receiving a terrible gash on the head which lacerated the scalp. The force with which the lady's head struck the pavement was heard across the street. Mrs. Gordon was rendered unconscious. James Reid's ambulance was quickly upon the scene, and Frederick Reid, assisted by a couple of others, placed the injured lady inside and drove hurriedly to the Hotel Dieu. Dr. D. E. Mundell here placed several stitches in the wound. Mrs. Gordon's condition is quite critical, but hopes are held out for her recovery.
