IN HOCKEY CIRCLES

CITY LEAGUE GAMES PLAYED ON MONDAY NIGHT.

Maple Leafs and Victorias Were the Winners—Standing Of the County Hockey League.

The hockey enthusiasts of Kingston will not be disappointed through lack of excellent clean sport so long as they can witness such splendid games as the City Hockey League is putting on at the covered rink. Every match that has been played so far has had a good-sized attendance, and what is most encouraging is, that a larger crowd turns out for every successive game. On Wednesday evening a doubleheader was played. The bill included a senior hockey match, between Maple Leafs and Victorias, resulting in a victory for Maple Leafs by the score of 5 to 2. A. Brouse refereed. The other game was a junior match between Portsmouth Beavers and Victorias. This resulted 5 to 0 in Victorias' favor.

The senior game was fast from start to finish, and was played in three periods. This is the first hockey match out of the seven already played in the City Hockey League that has followed out these new O.H. regulations. By so doing the players were kept pretty well scorching up. Corrigan, for Maple Leafs, scored in about three minutes after starting the first period, which was followed soon afterwards by H. Toland landing another tally for Maple Leafs. This gave the latter aggregation a 2-0 lead at the close of the second period. Coming back strong, Victorias, lessened it towards the end of the second period by placing in a hot shot from the side, making the score 2 to 1 for Maple Leafs. E. Little, another player of the latter team, scored another tally before the period closed, maintaining the former lead of two goals for Maple Leafs. McNeill, for Victorias, and H. Toland, for Maple Leafs, each scored a tally for their respective teams, making the score 4 to 2 in favor of Maple Leafs at the close of the second period. Coming back strong, Victorias were lifted one higher by McNeill placing in the finest score of the evening on a long drive from almost centre ice. E. Little scored the last one for Maple Leafs one minute before the final making the total 5 to 2. The line-up:

Maple Leafs—Goal, Holdman; defense, Yellowley, Angrove; rover, F. Gunn; centre, F. Little; wings, H. Toland, Corrigan.
Victorias—Goal, Richards; defense, McNeill, W. Little; rover, H. Somerville; centre, Shultz; wings, H. Freeman and E. Freeman.

Portsmouth Beavers Vs. Victorias.
The junior game between Portsmouth Beavers and Victorias was a good match. Although McDonald, Portsmouth's goal-keeper, stopped many a would-be tally, he had the misfortune to let five get by him. W. Elmer, for Victorias, aided in all of these tallies and two of them he scored himself. J. Somerville obtained two and B. Reid one respectively for Victorias. Wilson, Wickham and Ryan, of the Portsmouth Beavers line-up, were good fast players. T. Ferguson refereed this game.

County Hockey League.
There has been keen rivalry in the Verona, Sydenham and Harrowsmith group of the County Hockey League this year. The standing now is:

Won.	Lost.	To play.	
Verona	3	1	0
Sydenham	1	1	2
Harrowsmith	0	2	2

City Hockey League Games.
The City Hockey League has secured the covered rink for Friday night, when three games will be played, the first between Regiopolis and K.C.I.; the second between Iroquois and the Bankers; and the third between the Portsmouth Beavers and the Maple Leaf Juniors.

Died in Detroit.
After an illness of three days, the death occurred on Wednesday morning of William Boyd, 77 Belmont street, Highland Park, Detroit, at the age of sixty years. Death was due to pneumonia. The remains will be brought to Wellington, Ont., on Friday afternoon, and conveyed to the Methodist church, where a service will be conducted by Rev. Mr. Archer. Deceased is survived by his wife, one son, John, and one daughter, Kate. He was a brother-in-law of the Wilder Bros., of Wellington.

Thursday's Market Prices.
There was a fair-sized market on Thursday morning with eggs still selling very low. The importation of eggs from other places is one cause for the decrease in prices, which are now from 30c. to 35c. a dozen. Butter sold from 32c. to 35c. a lb. A quantity of pork was offered at 11c. to 13c. a lb. Chickens and fowl sold from \$1.25 to \$1.50 a pair.

Located in Vancouver.
Mrs. Richard T. Walker has taken apartments at Glencoe Lodge, Vancouver, and will be there for some time.

Mrs. W. P. Driscoll died in Brockville on Tuesday. Recently she suffered an accident and was taken to the hospital and there collapsed from heart failure. Deceased was born in Perth. She was married for eighteen years.

Mrs. W. H. Shaver, Brockville, died on Monday, aged thirty-eight years. A husband and two daughters survive, also her parents, Mr. and Mrs. R. W. Rawsons.

Napanee

Feb. 18.—The people of Napanee are looking forward with great interest to the opening of the spring session on March 2nd, when two of the most interesting cases ever heard in the counties of Lenox and Addison will come before the court.

Dr. Clifford Robinson, who has been detained in the county jail will answer to the charge of murder in connection with the death of Miss Blanche York of Tamworth. The Whig learned that while in confinement Dr. Robinson has had very little to say to any of the other prisoners in jail. He is evidently keeping everything to himself until the case is heard.

William B. Wells, aged about 23 years will answer to the charge of writing a letter in which he threatened to murder a young lady named Young, with whom he had been keeping company. When he appeared before Police Magistrate Rankin about one week ago, he was committed for trial. People who are close touch with the accused state that he is not accountable for his actions.

Some of the men from the 47th Regiment who have volunteered for overseas service are being trained in Napanee before leaving for Bellefleur, the point of mobilization. Lieut. G. H. Traves and Lieut. N. Fleming, who are in charge, have been able to secure twenty-six recruits.

On account of there being no large building in the town where the volunteers can be quartered, it has been found necessary to place a number of each of the hotels. The volunteers who come from Napanee are given subsistence and allowed to live at home. Lieut. Traves is going overseas, while Lieut. Fleming is acting in the capacity of recruiting officer. The volunteers are so anxious to get into uniform that they offered to pay their way to Kingston if they would be fitted out.

Since the Ross rifles arrived the volunteers have been able to get down to rifle drill. Route marches are also held.

The skating carnival which had to be called off on account of the mild weather, took place at the large open-air rink on Wednesday evening, when a very large number of the skaters were present.

While going from Deseronto to Napanee on Tuesday, two women who were driving in a cutter broke through the ice. Fortunately, men nearby were able to get the ladies out before they sank in the icy water.

Farmers are anticipating large quantities of grain, having been offered, say more by the Agricultural Society.

The country roads are in a very bad condition, due to the mild weather.

Loyal Orange County Lodge.
The annual meeting and election of officers for the County Orange Lodge of North Leeds was held in the village of Toledo on Tuesday, February 9th. There were about sixty delegates present from different parts of the county. The election of officers for the year resulted as follows:

County Master—James H. Polk, New Boyne.
County Deputy—Charles Taylor, Elgin.
County Chaplain—Rev. F. J. Kirkpatrick, Frankville.
County Financial Secretary—A. E. Denby, Lyndhurst.
County Recording Secretary—H. S. Klyne, Toledo.
County Treasurer—Hugh Burns, New Boyne.
County D. of C.—Robert Irwin, Lyndhurst.
Dept. Lecturer—J. E. Lockwood, Newbliss.

Elgin was chosen as the next place of meeting after which the lodge closed with "God Save the King."

Vandeville at the Grand
An interesting new programme will be presented at the vaudeville entertainments at the Grand Opera House this evening. A magnificent photo play in two parts with 317 scenes, of Robert Edison in the play "The Call of the North," a thrilling tale of the boundless snow world will be a feature. There will also be a two reel Mutual play, "The Tardy Cannon Ball," and a comedy, "Patsy's Deal." The vaudeville acts will be by the Gabbards. Two novelty athletes and equilibrist, and Frank de Groot in a comedy act entitled "Friend Casey," also songs and stories. The same will be presented at the matinee and evening entertainments for the balance of the week.

Still Fixing at 102 Years of Age.
We have heard the stories of old ladies at 100 years of age knitting socks for the soldiers, but in the House of Industry at Perth there is an elderly man of 102 years, an engineer by trade, who is still actively engaged in steaming a small boiler in the county establishment. Of course the duties are not very heavy but the fact remains that the centenarian is on the job. Our county representatives saw the veteran with his sleeves rolled up when at Perth a fortnight ago. His name is Galvin and his home was formerly in Balhousie township.

GANANOQUE DELIGHTED

WITH THE VISIT MADE BY THE 21ST BATTALION.

Which Lodged There on Wednesday Night, After Making the 30-Mile March From Kingston.

The Whig's Gananoque correspondent writes: "Never before has Gananoque seen an impressive military pageant as that of Wednesday afternoon, when some 1,100 men of the second overseas contingent, who have been in training in Kingston, made the twenty-mile march from that city to this town. Many of the local factories closed their works for the afternoon to give their employees an opportunity of seeing the sight. The mayor and council and civil servants of the municipality drove out to the town limits and let the line-up into town. The 21st Battalion, headed by its bugle and pipe bands, swung in a little before 5 p.m., showing no signs of weariness from the long tramp along rather rough roads. Their appearance was excellent, officers and rank and file showing a neat and tidy appearance. Honorary Colonel Senator George Taylor, together with Mrs. Taylor and relatives, brought up the rear of a parade that Gananoque will long remember. The billeting of the men had been pre-arranged with the town council. The various society halls of the town, the lecture rooms of the churches, the high school assembly hall, as well as the new armoury, were utilized. The armoury, however, was used for serving meals to the men. They left at nine o'clock this morning for the return march. The pageant attracted nearly as much interest and caused nearly as much enthusiasm as when the local quota for the first contingent left for Valcartier last fall. The behavior of the men while here was all that could be wished, and their gentlemanly bearing caused quite general comment."

HAVE BEEN BADLY STUNG.
By Investments in Western Properties On Agreements.
There have recently been a number of interesting developments in the city and the vicinity in regard to western real estate deals. Some of these would tax the ability of a provincial Philadelphia lawyer to untangle. One case in particular is worthy of mention. An agent in Montreal sought a property at Medicine Hat for about \$1,000, having \$4,000 down. No further payments have been made. He organized a syndicate, composed mostly of Kingston people, and sold stock in it for something like \$5,000. They paid a dividend of 10 per cent. to these stockholders. The property was subdivided and a portion sold. The agents then dropped out, and are now out of the country. A meeting was held in Montreal when it was found that about \$11,000 remains unpaid on the property, and the property will revert back to the vendor if this amount is not paid forthwith. All the money paid in for lots and for stock is gone, and the purchasers of the lots have only agreements for the deed, which, of course, are valueless if the property is foreclosed.

Lawyers in the city are continually being consulted over other deals that are more or less similar. McCutcheon brothers, who were arrested in Toronto, are not the only firms who have left tangles. Most of the properties were sold to syndicates, and on agreements of sale sometimes a dozen transfers of these took place, and when the slump came, the property reverted back to the original mortgagee.

It is a fair estimate that over a million dollars of money from this vicinity is tied up in the west in this foolish speculation. Of course, where individuals bought farm property and got deeds they have something for their money, but the speculators or gamblers are badly stung.

PURE RICH BLOOD PREVENTS DISEASE
Bad blood—that is, blood that is impure or impoverished, thin and pale—is responsible for more ailments than anything else.
It affects the organs and functions. In some cases it causes eczema; in others, dyspepsia; in others, rheumatism; and in still others, weak, tired, languid feelings and worse troubles.
It is responsible for run-down conditions, and is the most common cause of disease.
Hood's Sarsaparilla is the greatest purifier and enricher of the blood the world has ever known. It has been wonderfully successful in removing scrofula and other humors, increasing the red-blood corpuscles, and building up the whole system. Get it today.

PROBS.—Fair and moderately cold to-day and on Friday.
