# "How Shall I Know I Have Kidney Trouble?"

Do just as every doctor does when he suspects that a patient has Kidney Trouble -- EXAMINE YOUR URINE.

In the morning, see if the urine is highly colored-either reddish or deep orange. (Natural urine is a light straw color). Notice if the odor is strong or foul. If highly colored or offensive in odor, your Kidneys are certainly in need of attention-and AT ONCE.

Get a box of GIN PILLS now, and take them regularly.

If you have a Pain In The Back-if the hands and feet swell -if you suffer with Rheumatism, Sciatica or Lumbago-if you have deposits of reddish matter like brick dust or muchs in the urine in the morning, you may be sure that your Kidneys are not as strong as they should be, and need the help of GIN PILLS to be well.

Crookston, Ont., Dec. 4th. "A few years ago, I was a great sufferer from Rheumatism. I had free quently read that Gin Pills were effective in cases like mine. I got a box and after taking them for a short time, the twinges became less frequent until they finally disappeared. Rheumatism is a terrible affliction and it is a blessing to know of a remedy like Gin Pills that will drive
