Philadelphia Man Tells How He Treated a Severe Case With Vinol and the Successful Result.

Philadelphia, Pa.-"Last Fall I was troubled with a very severe bronchial cold with very bad effects from it, head-I was so bad I became alarmed and tried several medicines, also a doctor, of men hauling stones and but did not get any relief. One of the men where I am employed asked me to I did so, and in a very short time received the relief which I craved. Now I am enjoying perfect health, and recommend Vinol to be all that is claimed for it."

-JACK C. SINGLETON, Philadelphia, Pa. Whenewe tell you that Vinol is the best remedy in all our large stock for chronic colds, coughs and bronchitis there is no excuse for letting a cough or cold hang on for months and even years. It is the curative medicinal elements

of the cod's livers, combined with blood making and strengthening properties of tonic iron contained in Vinol which chronic coughs, colds and bronchitis, after other medicines fail. Try a bottle of Vinol with the under-
