a Small Turkish Force on the Asiatic Shore of the Dardanelles ---Fort Chanak Bombarded.

Serious Situation in Constantinople Where a Public Demand For Peace is Made---Threats of Revolution **Have Penetrated Several Other Turkish Interior** Cities, Including Adrianople.

London, March 3.-A landing party from allied fleet to-day routed a small force of Turks on Asiatic shore of the Dardanelles, according to despatches received here this afternoon.

Following up their victory, the troops are moving statement says that the attack of take Bukowina is about to develop. northward, supported by several guns, to attempt a rear attack upon Fort Chanak, now under bombardment by the allied warships.

Reports from both Sofia and Athens to-day again emphasized the seriousness of the situation in Constantinople. Public demand for peace and threats of revolution have penetrated several other interior Turkish cities. including Adrianople.

To Destroy All Goods For England

Amsterdam, March 3 .-- Commenting upon the announcement of Anglo-French "blockade" of Germany, the Cologne Gazette, the most powerful unofficial newspaper in Germany 'to-day, said editorially! "German submarines will now en-

deavor to destroy all goods destined for England. If- England wishes war to the knife she shall have it." BIG FIRE AT BRANTFORD.

The Crompton Dry Goods Block Com-

pletely Destroyed. Brantford, March 3 .- One of Brantford's greatest fires occurred to-day, the E. B. Crompton dry goods block being a mass of flames. The will be total, and will, even if fined to one block, be at \$200,000. The fire started about 11.20 from the furnace room. twelve o'clock every fireman in city was, engaged, with every stream of hose possible to play on it. The Crompton block, four storey with basement, is already a
