> Startled the Tailor.

A London tailor was once measuring Dr. Parker, who had a quaint sense of humor, for an overcoat, when suddenly the doctor broke forth in his most sepulchral voice:

"Can you measure the ineffable?" The assistant looked up and saw that the doctor was extremely grave.

"I beg your pardon, sir." The doctor raised both his hands with a grand upward sweep and said: "Can you measure the ineffable? Can you comprehend the infinite?".

"We'll make you a nice coat, sir," returned the puzzled assistant. Tap-"That's about the length, sir." "Longer!" ejaculated the doctor in determined tones.
