SERMON IN ST. MARY'S

ON ST. PATRICK BY REV. FR. O'REILLY, TORONTO.

The Cathedral Was Crowded on Wednesday Morning — Archbishop Spratt Celebrated Pontifical High Mass.

St. Patrick's Day was observed in St. Mary's Cathedral by a pontifical high mass celebrated by Archbishop Spratt, assisted by Rev. Father A. J. Hanley and Rev. Father Meagher. Rev. Father O'Reilly, Toronto, delivered the sermon, which was an eloquent one. The preacher laid clearly before the large congregation the qualities of this hallowed saint.

Father O'Reilly spoke about the terrible spilling of blood in this war. He protested strongly against the war and stated that God never expected any man to spill his brother's blood. Special music was rendered throughout the mass by the boys' choir, under Rev. Father Halligan. With splendid effect Hamma's Mass of St. Dominic was rendered and at the offertory it sang "Hibernia's Champion Saint, All Hail." During the service, various Irish melodies were interpreted on the organ by Prof. Denis.

MAYOR OF TORONTO

Extended Greetings To The Mayor of Kingston.

On Wednesday morning Mayor Sutherland received the following telegram from Mayor Thomas L. Church, Toronto, president of the Union of Municipalities:

"Many happy returns of the day to yourself, your corporation, and citizens of the splendid city of Kingston on St. Patrick's Day. May all joy be yours, and may your citizens during the balance of the year have success, prosperity, health and every blessing. May peace be soon restored to our Empire and country. Wish your administration every success."

Irish Photo Play

Gene Gauntier, the favorite emotional actress appears in the only Irish picture in town, March 17th and 18th, "A Daughter of Old Ireland," (taken in Ireland), is a three reel subject replete with dramatic situations and heart interest. We offer it with every confidence. A fine Ethel Grandin comedy follows the regular feature. Wonderland theatre, Wednesday and Thursday only.

USE COCOANUT OIL FOR WASHING HAIR

If you want to keep your hair in good condition, the less soap you use the better.
 Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified coconut oil (which is pure and entirely greaseless), is much better than soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.
 You can get mulsified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

ADMITTED STEALING WATCH.

But He Repented and Returned It To The Owner.

"You are charged with stealing a watch," said Magistrate Firrell in police court, on St. Patrick's morning. The magistrate was wearing a sprig of shamrock. The prisoner was Robert Edmer, who admitted that he had stolen a timepiece from his friend, Anthony Bibich. The two were employed in the Frontenac Hotel, and the prisoner took the watch out of his companion's pocket while he was out of the room for a minute. He took the watch to a second-hand dealer and sold it, but thinking over what he had done he went back shortly afterwards, bought it back again, and returned it to the owner.

The magistrate remanded the prisoner for a week to make some inquiries about where he had been working before coming here. The prisoner said he came to the city to join the Canadian contingent but his wife had refused to let him undergo a necessary operation.

ELECTED GRAND MASTER

Of Ontario East of Royal Black Knights of Ireland.

HENRY A. GRAHAM.
 An Ottawa despatch to the Whig on Wednesday afternoon stated that Henry A. Graham, Kingston, had been elected grand master for Ontario East of the Royal Black Knights of Ireland.

Mr. Graham, the first Kingston Orangeman to attain this high position. He was born at Collins Bay, and is thirty-three years of age. He has filled all the minor positions in the primary, district and county lodges. Mr. Graham is considered an expert on ritual and secret work in every branch, and this was recognized the first time he was at Grand Lodge at Lindsay, where he was elected junior deputy grand master, and at Peterboro last year. Deputy grand master. This is the second grand master Kingston has had in many years, James Berney having been the other, and also having been grand master of the Orange Grand Lodge a few years ago.

POLICE WERE CALLED

When Young Woman Wanted To Smoke In Restaurant.

It required the services of a couple of Chinamen and two police constables to keep a young woman, with a taste for cigarettes, from smoking her favorite weed, in a Princess street Chinese restaurant early on Tuesday evening.

The young woman had her supper and afterwards wanted to buy some cigarettes and smoke them on the premises. In this restaurant there is a sign, "No Smoking Allowed," but the young woman declared that she was not a Mason, and, therefore, did not believe in signs, and when the Chinaman refused to serve her with cigarettes, she immediately started in to raise a fuss, which was nipped in the bud by Constables Timmerman and Nicholson, who arrived on the scene in response to a call received at the police station.

The proprietor of the restaurant explained matters to the constables, stating that it was against the rules of his establishment to have smoking, and that he objected very much to having the lady persist in her attempts to get cigarettes. In their own spite, anyway, the constables then persuaded the young woman that it would be better for her to leave the restaurant and save her trouble, and, after thinking it all over for a few minutes, she finally decided to leave, but she was very angry.

A Billion Wheat Deficit

According to reliable statistics there are tied up at the present time about two billion bushels of wheat, the production of the countries at war. This is in the vicinity of half the world's total production of wheat. A recognized authority argues that granting that the warring nations produce a one-half crop in the coming year, a deficit of one billion bushels will still be shown. The three countries upon which the filling of this deficit of one billion bushels will rest are Canada, the United States and Argentina. The combined output of these three countries is only 1,249,000,000 bushels. Their exportable surplus would, of course, be much less, so it can easily be seen that the question is not one to be easily solved, and it behooves Canada to increase her production as much as she possibly can, for when the war is over and trade begins to re-establish itself and the nations undergo a process of re-habilitation, the demand for all breadstuffs must be enormous.

Letters to the Editor

Kingston, March 17.—(To the Editor): If the organizers of a money campaign were to secure a list of the unemployed by individual registration, when beginning a campaign, they would realize a part of the amount needed. By saving 2c. stamps, typing, printing and envelopes. Also during campaign would obviate many useless square inches of walking, talking and wasted energy. In conclusion, they would have a concrete foundation upon which to lay the cause of the deficiency of total amount required unless we do not count.—H. BARNETT, One of the Unemployed.

DEATH OF ARTHUR ROMBOUGH.

Served as Wireless Operator on British Man-of-War.

The death occurred in the Mowat Memorial Hospital on March 13th of Arthur Rombough, aged twenty-four years. He was born at Moscow, and was unmarried, being a son of the late Charles Rombough. Deceased at an early age, learned telegraphy, and also qualified as a wireless operator and was exceptionally clever in his work. He was engaged on a British man-of-war, but failing health compelled him to give up his work last June. He landed at San Jose, California, and from there he came on to Kingston, and entered hospital. His mother and one brother, Everett, Winnipeg, survive.

The funeral took place on Monday, March 15th, from the residence of his father, Charles Rombough, to Moscow cemetery. Rev. W. P. Wilson, Yarker, officiated. The pallbearers were Everett Evans, John Bell, Wilfred Potter, Roy Lambkins, Harry Reid and Clarence Allen.

A Church Reception.

A reception was given in honor of Rev. Thomas W. Neal and Mrs. Neal, Toronto, by the Women's Association of the Sydenham Street Methodist Church in the Bible School hall on Tuesday night. This opportunity was given for all the members of the congregation to once more have a hearty handshake with their former pastor. The large hall was filled, and Mr. Neal was called upon to make a short informal address.

Miss M. Shaw was in charge of the musical programme which included solos by Messrs. Harold Angrove and William Eva and a vocal trio by Miss L. Jenkins, Miss I. Hoag and Mrs. J. Angrove. Refreshments were served at the close of the happy gathering.

Frontenac Liberals, Attention!

Elsewhere in this issue there appears an announcement of the forthcoming annual meeting of the Frontenac Liberal Association. This will be held at the Court House, Kingston, on Thursday afternoon, March 25th, for the election of officers and the transaction of other important business. All Liberals and their friends are invited. Lieut.-Col. F. E. Ferguson, Inverary, the president of the Association, will preside and it is expected that considerable business concerning the Liberals of Frontenac will be up for discussion. The president is anxious that every Liberal should make it a point to attend, and it is expected that the rally will be a most enthusiastic one.

Farm Helpers Coming.

A large number of farm-helpers, who have been working in the Eastern Townships, are now in Montreal and are waiting for positions in Ontario, evidently thinking that better wages are paid in this province than in Quebec. Immigration Agent G. Hunter has received a letter to this effect from the department asking if any can be placed in this vicinity. Seven girls and two men have already arrived this week and more are expected. They are all placed before being brought to the city.

Consumers should look closely at the weight of their tea and see that they are not paying for wrapper at the tea price. "Salada" is packed in aluminum packet and there is full weight of tea inside the packet.

FIRST DAY OF Y.M.C.A. CANVAS.

Resulted in the Sum of \$652 Being Secured.
 Tuesday was the first day of the Y.M.C.A. subscription canvass, and most of the workers made a start towards the \$5,200 needed. Some of the workers are engaged in their own occupations all day, and so are unable to canvass until late in the afternoon and in the evenings, and as a result only six of the twenty pairs of men were ready to make a report Tuesday night. The results of their efforts brought the total to date to \$652. The canvassers report that they are being very kindly received wherever they call, and many new contributors are likely to be added to the list.

In some instances where contributors do not care to give the straight subscription, they do not mind paying for a membership ticket for themselves or some other person, and so already \$75 of the amount on hand has been given or pledged for this purpose. It is expected that there will be a good rally of the workers for tea at the Association this evening, at 6.30 o'clock, when many will be ready with their first report.

WAS ALMOST SUFFOCATED.

Narrow Escape of J. Jamieson in Richardson Building.
 J. Jamieson, who was almost suffocated with gas in the cellar of the Richardson building on Monday, has recovered. He was working with some pipes in the cellar of the building when he was overcome. He was brought out and taken to his home where he was fully recovered from the effects.
