IN MILITARY CIRCLES

SOLDIERS AT THE CHURCHES ON SUNDAY.

The 22nd Battery, Kingston, is Camped in a Park in Sussex, England, Seized from a Former German Resident.

On Sunday morning the Roman Catholics of "C" Battery, under Capt. W. E. Steacy, paraded to St. Mary's Cathedral with the R.C.H.A. band. The Protestant party, under Lieut. J. Roberts, paraded to St. George's Cathedral on Sunday morning.

Several letters and cards have been received from members of the 22nd Battery, and the address is now given as "Manfield Park, Bristol, Sussex, England." This park was formerly owned by a German who returned to Germany when the war broke out. His property was promptly seized by the militia authorities. A card received by B.S.M. Peppiatt, from his son, Bagler Pappiatt, states that all are well.

Sergt.-Cook Pollitt, A.S.C., has received cards and letters from Sergt. Good, master baker, and Corpl. Harry Curry, No. 8 Field Bakery, No. 3 base supply, C.A.S.C., Boulogne, France. Both are in excellent health.

If arrangements can be made, a smoker will be held weekly in the A.S.C. rooms on Brock street.

The R.S.A. practical examinations are being held this week, and next week will be used for written examinations. The course finishes on April 2nd.

Word received from the R.C.H.A. says that Sergt. W. J. Finney, "B" Battery, has been made a warrant officer. As he is a very capable officer, his many friends will congratulate him on his promotion.

Two sections of the 21st Battalion attended the morning service in Princess Street Methodist Church on Sunday morning, and heard a very inspiring address by Rev. H. E. Curry on "Fellowship With God." Solos by Miss A. Brennan and W. Mack were rendered.

Four misfits were discharged from "C" Battery on Saturday.

In a month "C" Battery will have been trained in all of the different branches of artillery work. Already their riding is excellent.

Driver Davis, who deserted from the 22nd Battery and was arrested in Belleville, is in the cells at Tete de Pont barracks, and will be sent back to Belleville.

The men in "C" Battery are certainly athletes as well as soldiers. Beside having some good boxing talent, a strong soccer football team is being organized, which will, if arrangements can be made, play against both military and civilian teams.

The mobilization of the third contingent battalion has been completed. This must be completed by the 1st of April. The quarters are all ready and the men will be brought into the cities at the option of the officers commanding the battalions.

The 39th Battalion, Ottawa, has now 1,275 accepted recruits and the 39th Battalion, Belleville, 1,415 accepted recruits. Both are considerably over strength. The detachments from the various regiments to the 38th Battalion will be as follows: G.G.F.G., 142; 41st, 70; 42nd, 285; 43rd, 383; 56th, 35; 59th, 110, and the McGill University detachment of 250 men. The detachments for the 39th Battalion will be as follows: 14th, 80; 15th, 99; 16th, 65; 40th, 149; 45th, 556; 46th, 134; 47th, 34; 49th, 176, and 57th, 123.

Lieut. Morrison, Spriggs and Inderwick have returned to duty after being on the sick list.

The 21st Battalion was engaged in company drill on Monday morning.

The classes in stretcher-bearing for the Pipers Band are being continued under Corpl. F. C. Roberts, A.M.C.

Lieut.-Col. J. A. V. Preston was in the city on Saturday.

QUEEN'S HAS ASKED

FOR DEFINITE REPLY FROM THE GOVERNMENT.

As to Whether Its Offer of Stationary Hospital Will Be Accepted By The War Office.

Queen's University has asked the Government to give a definite reply by Friday next, regarding its offer to supply the personnel of a stationary hospital.

There are many medical students waiting to go to the front if the offer is accepted, and for this reason the university authorities would like to have the matter settled. A large number of hospital appointments are also in waiting, and the college session will be over in a few weeks.

The original offer was made to the Government in October last, and on March 5th the offer was again called to the British War Office.

OBITUARY

Death of Mrs. John McConnell

The death occurred at her late residence, St. Mary's Avenue, Winnipeg, on Friday afternoon, March 5th, of Catharine Garrett, wife of John McConnell after several weeks' illness.

The deceased was born at Camden Ont., sixty-four years ago. After her marriage, she lived for a number of years at Odessa, later moving to Toronto with the family, where she spent about eight years. She is survived by her husband and four daughters, the Misses Sadie, Lena, Kathleen and Francis, (Mrs. N. J. Boney, Winnipeg), also two grand children, the little son and daughter of Mrs. Boney. Five sisters and two brothers are also left to mourn.

On Monday morning at nine o'clock the remains were taken to St. Mary's Church where a requiem high mass was sung by Rev. Father O'Dwyer and later placed in St. Mary's vault to await burial.

The Late Mrs. Fife Fowler

The death of Mrs. Fife Fowler occurred at her late residence, 249 Brock street, on Saturday afternoon, and by it Kingston has lost a highly-esteemed resident, and St. Andrew's church a loyal and faithful member. Her husband, one of Kingston's best-known doctors, was an elder in St. Andrew's church, and ever since her marriage Mrs. Fowler has taken a deep interest in its prosperity. Rev. Dr. Mackie, the pastor emeritus, was one of her dearest friends. Quiet and unostentatious in her daily life, Mrs. Fowler was beloved most by those who knew her best. Like every true woman she shone most brightly in the home. There her influence for good was felt most powerfully. Her memory will be most fondly cherished by her son and daughters, who mourn her loss.

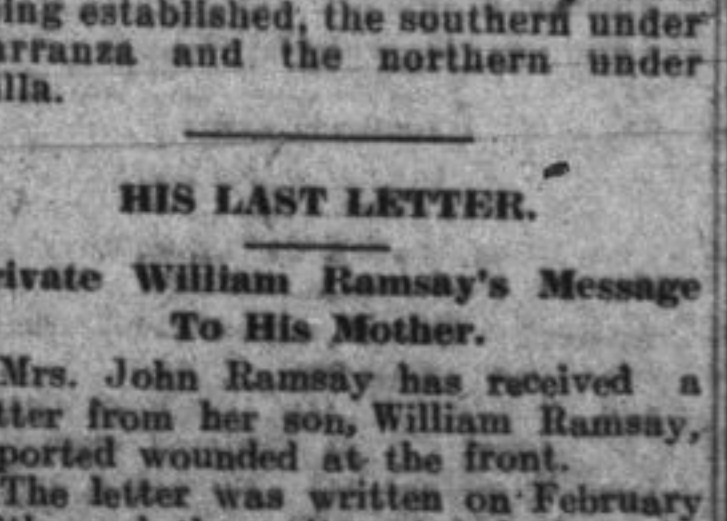

The Late Mrs. F. Blake

On Sunday morning, after two months' illness of Bright's disease, Margaret Jane Clarke, widow of the late Francis Blake, entered into rest at the residence of her daughter, Mrs. F. Blake, 25 York street. The deceased was born in Pittsburg sixty-six years ago, and for the past twenty-five years had resided in Barrie, with the exception of the last six months, when she stayed with her daughter.

In religion the deceased was an Anglican, and a member of St. Mark's Church. To mourn her loss there are three sons and six daughters: James and Frank Blake, of this city; William Blake, Toronto; Mrs. F. Black, Mrs. W. Murray, Mrs. J. Wilson and Mrs. C. Wright, all of Kingston; Mrs. G. Warrington and Mrs. J. Esford, Barrie. One brother and two sisters also survive, Francis Clarke, of this city; Miss Ellen Clarke, Ernestown, and Mrs. W. Wilson, Kingston.

The funeral will be conducted on Tuesday afternoon, at two o'clock, services being held at the house by Rev. Mr. Cook, St. Mark's Church, Barrie, assisted by Rev. Crodes.

WHIG COMPLIMENTED.

On Sunday morning, Rev. G. I. Campbell, in Queen street Methodist church, made the following statement:

"I congratulate the British Whig on the splendid notice preceding its church notices on Saturday. I fully appreciate the assistance that the press can give to the church attendant, and I hope that those who have not seen the paper will read it and draw attention of their friends to the notice."

DIRECT FROM MEXICO

JOHN R. HENDERSON IS VISITING HIS MOTHER.

He Says the Situation in Mexico Will Not Be Cleared Up Before the Termination of the European War.

"The situation in Mexico will not be cleared up before the termination of the European war," said John R. Henderson, who is visiting with his mother, Mrs. J. Henderson, Clergy street. Mr. Henderson is in the cattle and mining business in the state of Sonora on the west coast of Mexico, and in this state nearly all of the revolutions have been originated. In the ten years that Mr. Henderson has been in Mexico there have been many changes in the Government, a stronger man always controlling an army trying to overthrow the reigning leader. At present Villa and Carranza are the contestants. Villa is a man who controls by fear, and always seems to have sympathizers who are also strong men. Carranza uses diplomacy in his dealings with his people, and although he has a great number of supporters he does not seem strong as his rival.

With the present condition of money affairs, Mr. Henderson said it is impossible for either side to borrow money from the United States or Europe, and they will not be able to borrow any until after the war. The currency of Mexico is greatly depreciated by over-issuing, and this must be redeemed before Mexico can have credit with other nations. If a strong man is able to prove his position to the extent that it would be possible for him to borrow money, and he redeems the depreciated currency and builds up an army that is capable of crushing any revolution that might spring up, then that strong man will be able to rule Mexico.

HIS LAST LETTER.

Private William Ramsay's Message To His Mother. Mrs. John Ramsay has received a letter from her son, William Ramsay, reported wounded at the front.

The letter was written on February 26th, and the writer stated that he was feeling fine and dandy. "We are now back in our billets again, after being in the trenches." He added: "I sleep together in the straw. It is pretty chilly at night, but nice in the day time. I would rather be in the trenches. We are about four hundred yards from the Germans. There is great risk at night from being shot down by a sniper. They are snipers everywhere, and are dandy shots."

WANTS TO GO TO FRONT.

Chinese Boy Could Not Get a Place On Second Contingent. Arthur Doa, a fifteen-year-old Chinese boy, is very anxious to go to the front. He made application to be taken on the strength of the second contingent but owing to his age he was refused, and he is very sorry. He says he wants to be a soldier, and is thinking seriously of crossing the line and joining Uncle Sam's army.
