

"We Took Sweet Counsel Together, and Walked Unto the House of God in Company"

(Psalms 55-14.)

Go to church.

Take someone else with you.

It is not enough that you set a good example by going to church yourself, but, where possible, you should induce some other person to accompany you.

There is always someone you can influence—some one you can lead along the better way, someone you can induce to go to church.

Try it to-morrow and see. If you don't succeed the first time, don't get discouraged, but try again and again.

Take someone else with you.

Go to church.

What Might Be Done. As proof that there is abundant room for increased production by improvement, an official statement as follows is presented: The average yield of various products last year, and of the average that is possible, is as follows:

Table with 2 columns: Crop, Average Possible. Rows include Fall wheat, Spring wheat, Barley, Oats, Corn, etc.

While such results may not be obtainable in every case on the average farm, strict attention to the selection of seed, the use of fertilizers and thorough preparation of the soil will accomplish much. It is estimated that in this way the value of the crops of Canada might be increased in a good season by \$150,000,000 which would be more than enough to meet interest on all the money borrowed in the Dominion from Great Britain or invested in this country.

Died At Ernestown Station. Another landmark has passed away in the person of Mrs. Charlotte Amey, relict of the late Lewis Amey. Mrs. Amey had been in failing health for the past year, and on Friday of last week breathed her last. She had passed the eighty-fifth milestone on life's journey, and a life long resident of this place. The funeral took place from the Union Church, Mr. Webster preaching a very impressive discourse. The funeral, a very large one, testified to the esteem in which she was held. The remains were placed in Millhaven vault to await interment later at the Union cemetery.

To Preach On Sunday. Rev. George Duncan, B.D., St. Andrew's Church, Montreal, is to preach the university sermon at Convocation Hall to-morrow morning at 11 o'clock. Mr. Duncan is a Canadian by birth, but went to St. Cuthbert's Church, Edinburgh, Scotland, as successor to the late Dr. McGregor, one of the foremost preachers of his day. Last autumn Mr. Duncan returned to his native land to assume his present pastorate, and he will be welcomed on this his first visit to Kingston.

City Baseball League Meeting. On Tuesday evening the baseball arrangements for 1915 will be considered at a meeting of the City Baseball League. The executive is very anxious that all baseball enthusiasts in the city should be present. This year promises good sport, and as most of the old players are here, fast teams are looked for. Baseball and Athletics are both going from the championship away from the Victorias, but whether they will be able to do this remains to be seen.

Prof. Dall's Lecture. Napanee Beaver. The members and friends of the Historical Society and friends of the meeting last Friday night were treated to a most delightful lecture—one that will long be remembered by those who heard it. Prof. John Dall, of Queen's University, is not a stranger to Napanee audiences, but this was the first time he has lectured here, and in fact it was the first historical lecture he has ever given. He should certainly keep up that line of work.

For Tight Colds. For colds that are deep-seated, hard to loosen and which have a firm hold on the system, there is no better remedy than Dr. Hall's Cough Balsam, 25c. bottle, sold only at Prouse's Drug Store, opposite St. Andrew's church, Phone 82.

Pontius Pilate's Scotchmen. Montreal Journal of Commerce. Regiments oftentimes have peculiar names. The First Royal Scots, which has distinguished itself in the present war, is known as Pontius Pilate's Body Guard. It is said that Pontius Pilate, the Roman Governor of Judea, had a unit of the Body Guard of one hundred men, from which the name originated.

To Give Them Welcome. Private Claude I. Leggett's brother-in-law, William Gay, Paris, France, will open his house to the officers and men of the 41st upon their arrival in France. Likewise will his brother, Frank Leggett, solicitor of London, England, do the same with a real "Old English" welcome.

"Almond Cream" at Gibson's. The latest wondrously American woman to establish a hospital in France is Mrs. Chaucery M. Dewey. "Sarsaparilla Compound" at Gibson's. Sixty new trades heretofore mainly German industries are now being taught women in England. "Blood's Iron Pills" at Gibson's. Female mill operators in the Homburg cotton mills earn about \$90 a year in wages. "Your Spring Tonic" at Gibson's. It is easy to endorse a note, and also, at times, dangerous.

DAY NURSERY ANNUAL

HELD AT THE CRECHE ON FRIDAY AFTERNOON.

Report of the Work Done was Made By Mrs. E. J. Bidwell—More Money Is Needed by the Ladies In Charge.

The second annual meeting of the Kingston Day Nursery was held at the Creche on Friday afternoon, and there was a very large number of ladies. Mayor Sutherland presided, and after Dean Starr had opened the meeting with prayer, His Worship gave a short address. He said that the Creche had been started originally by J. C. McConachie, then Children's Aid Society inspector. The City Council had recognized the necessity of this movement by making an allowance for it in the budget.

Mrs. E. J. Bidwell in her report said that the work had been carried on successfully last year until the end of July when the house was closed for the summer holidays. The exhausted treasury almost disheartened the workers, but when it came time to open in September Mrs. W. R. Givens held a "fund tea and sale" at her home when \$52 was raised. This with a gift of \$50 from Mrs. C. Birmingham made it possible to reopen the house in October. From the opening in October and the present time over 1,000 children have been taken care of.

Mrs. Bidwell speaker explained the "Registry office" branch of the work. Any lady can telephone to the Nursery when in need of domestic help, and to the ladies who are competent woman is supplied, free of charge. One of the best things that has yet been done for the children was the donating of apparatus necessary for teaching them by the montessori method. This was being demonstrated by Mrs. J. M. Campbell, secretary, and Mrs. D. Phelan, treasurer. Mrs. G. McKay, convener of the House Committee, Miss G. Strange, convener of the Finance Committee, Mrs. W. L. Grant executive, Mrs. S. Calvin and Miss M. Brownfield.

The officers were re-elected as follows: President, Mrs. E. J. Bidwell; vice-president, Mrs. G. H. Ogilvie and Mrs. J. M. Campbell; secretary, Mrs. D. Phelan, treasurer, Mrs. G. McKay, convener of the House Committee, Miss G. Strange, convener of the Finance Committee, Mrs. W. L. Grant executive, Mrs. S. Calvin and Miss M. Brownfield.

THE PRESENT OUTLOOK

Is Not Very Brisk For Building In The City. At the present time it does not look as if there will be a great deal of building in the city this summer. Of course it is rather early to make a prediction for the entire season, but from what can be learned the general opinion appears to be that business in the building line will be rather light.

Grants Were Made. The Lennox and Addington Council has granted \$1,000 to the Newburgh High School. A special grant out of County Roads funds was made to the following municipalities: Kaladar, Anglesse, and Erinburgam \$100, Denbigh, Abinger and Ashby, \$100, Napanee \$125.

The appropriations on the County Roads of \$13,000.00 were divided as follows:—with by-laws 204, 207 and amendments there to, as follows: Napanee, \$546.49; Bath, \$100.00; Newburgh, \$108.93; Denbigh, A. & A. \$52.82; Kaladar, A. & E. \$70.64; Adolphustown, \$609.23; Amherst Island, \$642.94; Camden, \$3125.68; Kingston, \$2,569.28, North Fredericksburg, \$1,123.82; South Fredericksburg, \$1,128.24; Richmond \$620.44, Sheffield \$900.57.

Rush Of Small Orders. The cold snap of Friday caused the coal merchants to be rushed with small orders. "Please send up a half ton of coal," was a message received over the telephone many times during the day. Owing to the lateness of the season, citizens do not care about stocking up with coal.

A SPRING TONIC

Old Reliable Hood's Sarsaparilla is Pleasant and Effective.

In the spring your blood is impure and weak eruptions appear on your face and body, you lack vitality, strength and animation, your appetite is poor and you feel all tired out.
