The Citizens Have Opened Up Sub scription List.

As other Battalions of the Second Canadian Contingent have been equipped with field kitchens and the citizens of Kingston have opened a list for public subscription for this purpose for the 21st Battalion: Municipalities in this military division have given liberally and hingstonians are subscribing handsomely to the fund as is evidenced by a few of the amounts printed below.

These kitchens cost about \$1,250 apiece and five are required for the needs of a battalion. They have a thermos attachment which will keep food hot for twenty-four hours.
