

TWO SACRED CANTATAS

RENDERED IN FIRST BAPTIST AND ST. ANDREW'S CHURCHES On Sunday Evening, and Were Heard By Large Audiences—First Baptist Choir Assisted By Outside Soloists.

In conjunction with the evening service in the First Baptist Church on Sunday, a cantata entitled, "The First Easter," was splendidly rendered by the choir assisted by Mrs. McGrath, Miss Irene Derbyshire, James Bankier and James Saunders from Cooke's Church, Union Street Baptist, Chalmers and St. Luke's choirs respectively. Sydney Salisbury was director. A large audience was present.

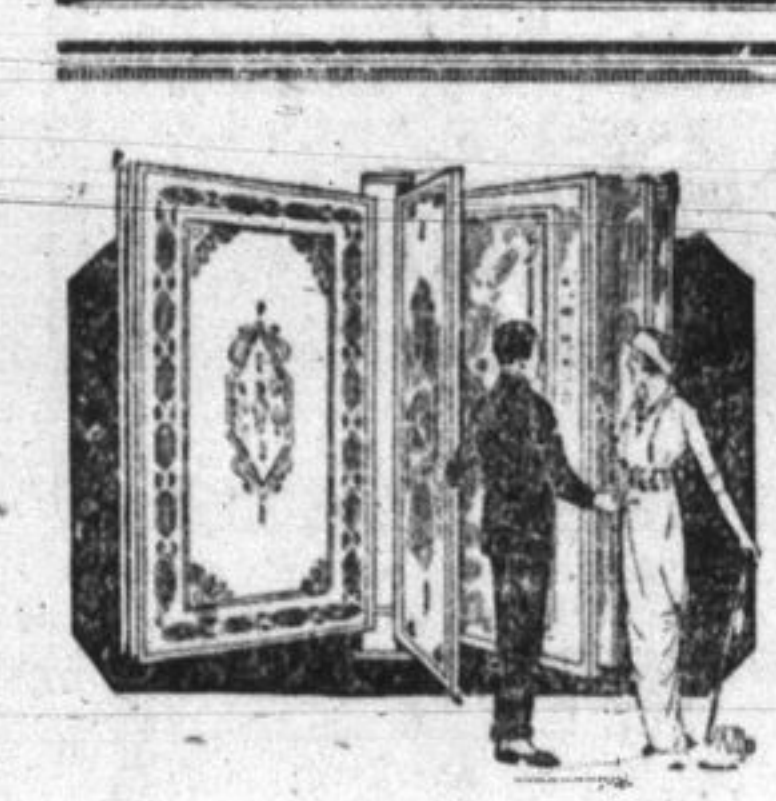

The bass solo rendered by F. W. Edmondson, "As I Am With You Away," was particularly good. The women's trio, "As It Began At Dawn," sung by Miss Muriel Breathwaite, Miss Edna Singleton and Mrs. McGrath was much enjoyed by Mrs. Singleton sang the contralto solo, "In the Garden," which was followed a little later by the soprano solo, "The Break of Day," by Miss Breathwaite. Three more choruses constituted the remainder of the cantata, and included: "Shall Hear Of Rock," "Our Lord Indeed Is Risen," and "All Hail." In the latter part, Mr. Bankier was heard in the solo part.

Comfort and Cure for Baby's Skin Troubles

Dr. Chase's Ointment Cured When Baby's Body Was Covered With Distressing Eczema.

If every mother could try Dr. Chase's Ointment for the chafing, skin irritation and resulting eczema which tortures so many babies, what a blessing it would be for the little ones. This letter will give you an idea of what a wonderful work this Ointment is doing in the way of bringing comfort to children who are so unfortunate as to contract eczema. It is so easy for this trouble to develop from chafing or irritation caused by the clothing, and so difficult to get it cured, that Dr. Chase's Ointment is appreciated when once its healing qualities are known.

It covered the entire body. When the itching became bad he would scratch himself and was sometimes found in his cradle covered with blood. Hearing about Dr. Chase's Ointment I bought two boxes and before this was all used the child was cured. That was a year ago, and there has been no trace of eczema since. I recommend Dr. Chase's Ointment to all who suffer from eczema as being the best treatment in the world for itching skin diseases.

Harold Wilkins, Bellevue, a Royal Military College graduate, wounded at the front with the Bedfordshire Regiment in which he held a commission, is on the high road to recovery. A cable received on April 5th reads: "Lieut. Wilkins struck off the seriously wounded list."

At Cooke's Church. At Cooke's Church on Sunday morning, Rev. L. W. McIntosh preached on "The Centenary of a Warrior Saint," dealing in an interesting manner with the life of Dr. John Geddie, who was the first missionary from Canada to a foreign colony, and who was born on April 10th, 1815.

At St. James' Church. At St. James Church on Sunday the Easter music was repeated with fine effect. Bishop Mills preached at the morning service and Rev. T. W. Savary in the evening. The recitor dealt with "Friends and Foes of the Resurrection" in an able manner.

It Is Now "Colonel" Dean. Friends in this city—and their name is legion—will learn with pleasure of the promotion of Major E. C. Dean, of the Army Service Corps, Halifax, N.S., to the rank of Lieutenant-Colonel. He has just recently passed his examinations. Col. Dean is a former well-known member of the Whig's editorial staff, being for years its city editor. To what dizzy heights even a newspaper man may climb! The colonel has offered his services for the front, but so far has not been accepted.

Nothing Better For Weak Women. "I Never Spent Any Money That Did Me So Much Good as That I Spent for Vinol." Bellefontaine, Ohio. "I wish every tired, weak, nervous woman could have Vinol! I never spent any money in my life that did me so much good as that I spent for Vinol. My nerves were in a very bad condition, making me very weak, tired, and worn out and often drowsy headaches. I had tried cod liver oil, doctor's medicines, and other preparations without benefit.

Nothing Better For Weak Women

"One day a friend asked me to try Vinol! I did and soon my appetite increased, I slept better and now I am strong, vigorous and well and can do my housework with pleasure."—Mrs. J. W. LAMBORN, Bellefontaine, Ohio. Nervous, weak, tired, worn-out women should take Mrs. Lamborn's advice and try Vinol for there are literally thousands of men and women who were formerly run-down, weak and nervous, who owe their good health to Vinol.

It is the medicinal, tissue building elements of the cod's livers, aided by the blood making, strengthening influence of tonic iron, contained in Vinol, which makes it so efficient in all such cases. Geo. W. Mahood, Druggist, Kingston, Ont.

A FRONTENAC SOLDIER.

Writes From Front To His Sister, Mrs. Frank Leslie, Godfrey. Mrs. Frank Leslie, Godfrey, has received the following letter under date of March 17th, from her brother who is with the Canadians in France:

"We are in the midst of the fighting now and up to the present our bunch has been fortunate in escaping any casualty. Our Captain has just read a letter of praise for the efficiency of the First from the general and must admit we were all pleased to hear our services were so highly appreciated. While writing this the big guns are more than firing on all sides of us. One gets accustomed to the sound - of them until they come too close. Then she looks bad. However, regardless of the dangerous surroundings, we are better satisfied than when at Salisbury. We go into the trenches for four days at a time, then have four days in billets.

"One at home in Canada can scarcely realize the terrible destruction of a war, on a country. Some of the most magnificent churches and flourishing towns all blown to atoms. I have had several letters from home and friends since our arrival here and can safely say the mail service is better than when at Salisbury. As our mail is delivered in the trenches, one who has not had the experience cannot realize the happy sensation that takes hold of a fellow when he finds himself one of the lucky ones in getting one letter.

"The Canadians are certainly holding up their reputation for good shots. I saw them shelling some buildings one day and every shot hit the mark. I wonder if the Second Contingent will do as well? Evidently they will never endure the hardships we endured while at Salisbury as the weather is getting finer now. Could write some very interesting things regarding places, movements and the parts we have taken in the charges but I'm not allowed. This is the 17th of March and the only really nice day we have had for months. Have no idea how long the war will continue. Some one will surely have to give in but it will never be the British."

What caused the huge elm tree to fall at the corner of King and Gore streets, just as the left half of the 21st Battalion was about to pass at two o'clock Sunday afternoon, has puzzled many who witnessed the fall. A gang of men were put to work cutting up the tree and removing it from the roadway.
