Belgium, which country he described -a thing they had not got at Mc-

Prominence Of Queen's Men.

Prof. Macnaughton said that, in Saskatchewan he had found, to his new university, was that within five great delight, that Queen's men were minutes' walk of the building in the Province. They seemed to be in many of the prominent educational places. Many of them he found in another activity wherein it was possible to exercise a wise and beneficent influence-in the pulpit. He was sorry to depreciate the influence of the pulpit. He did not think it was possito say many people seemed inclined ble to exaggerate the importance of the function, which those men were discharging.

What most impressed him, at the would not be a division between the strung from the rafters. educational convention in Yorkton, was the extraordinary keen spirit, and the most unusual conception of the dignity and importance of their of Government, Professor Macnaughton the hamlet. I addressed them with In all his life he had never met teachers to whom it was so clear that their work was a vital necessity to the country. Those teachers of Saskatchewan knew well that the future of the Province depended more on them than on any other influence whatso-

Picton

April 15 .- Miss Marjorie Stevenson and Miss Karn, Toronto, who spent the Easter vacation at Walter MacKenzie's, returned on Thursday

The marriage of Miss Rhea Hurst and Lloyd Gerow took place at the Methodist parsonage on Tuesday of last week. Miss Hurst is a daughter of the late T. M. Hurst, for many years in business in Picton. Mr. Gerow is the son of Ex-Warden W. J. Gerow, Bloomfield. Mr. and Mrs. Gerow will reside at the farm near Bloomfield.

The announcement is made to-day that the F. W. Woolworth Company New York, has purchased the business of H. Mastin and C. Morgan. Mastin and Morgan will sell on some of their stock. The remainder will be moved to the Vandusen Block, where the new firm will have its store. Moxon's hardware store witich flow soccupies half of this block, will be removed to the store formerly occupied by J. W. Hamly.

Navigation was opened this afternoon by the departure of the Charlie Marshall. This is the first vesser to leave Picton this year, although theice has been out for some time. Cyril Hamly has been appointed teller of the Bank of Montreal in place of Brock Grant who has been

transferred G. M. Farrington returned from a trip west on Tuesday. On entering his residence on Main street, hefound that during a recent cold spell thre water pipes had frozen and had burst on thawing. were several inches of water on the ground floor and the plane and several valuable rugs were destroyed Mr. Farrington placed the damage at about one thousand dollars.

A meeting the Conservatives Prince Edward County will be held on Saturday to select a candidate for the coming federal election. The different wards are to select delegates on Friday, and these will pick the candidate. B. R. Hepburn, M.P., and Harry Dempsey will address the

meeting. E. A. Pearce will move about the first of May to the Carter House next to the Exhbition Grounds. For some time Mr. Pearce has occupied the James DeC. Hepburn house but recently it was sold to J. Redmond.

"Some" Hedging.

In the last Presidental campaign, campaign, when Sam Blythe was traveling over the country sizing up the situation, he met up with a friend who confided that he had just bet \$200 on Taft.

"I'm sorry to hear that," said Blythe, "because you can't afford to lose the money. And Tafe hasn't any more chance than a rabbit." "You're sure of that?" asked the

friend, nervously. "Absolutely certain. Now the thing for you to do is to hedge. Bet \$200 more against Tart, and come out
