GOT 12,000 LETTERS!

Zam-Buk Unanimously Endorsed By Women.
 A prominent Women's Journal recently asked its lady readers to give an opinion, based on personal experience, of several widely-known Canadian products. The publishers recently wrote the proprietors of Zam-Buk to the following effect: "In connection with our competition, we have received in the neighborhood of 12,000 letters. We do not know of one instance where the proportion of satisfied users of any product was so great as proved to be the case in regard to Zam-Buk."
 Herein lies the proof of the superiority of Zam-Buk—the proof of experience! No amount of advertising, no mere assertion on our part could create such unbounded confidence in Zam-Buk as these Canadian housewives have expressed. Only the plain, straightforward test of Zam-Buk in the house could do this.
 Zam-Buk is entirely different to all other ointments. Most ointments contain coarse animal fats. In some cases these fats clog up the pores of the skin and retard its action. Zam-Buk is purely herbal.
 Many ointments have no antiseptic properties, cannot ease the pain, and in fact cause pain when used. Zam-Buk, on the other hand, is antiseptic. As soon as applied to a wound or sore it kills the germs, thus banishing all risk of blood poisoning, and ends pain.
 Zam-Buk, unlike many ointments, contains no poisonous coloring matter, no harsh minerals.
 Zam-Buk is superior to all other ointments, because it is purely herbal, and is healing, soothing and antiseptic.
 If you suffer from any skin disease, injury, or chronic sore, remember the 12,000 letters from housewives who have proved Zam-Buk. Do not waste time and money experimenting with inferior remedies—try Zam-Buk first!
 All druggists and stores sell Zam-Buk, or Zam-Buk Co., Toronto, will send you a free trial box on receipt of this article, name of paper, and 1c. stamp to pay return postage.

"Mutt and Jeff in Mexico."
 Our old friends "Mutt and Jeff" have a brand new vehicle for their peculiar brand of antics, the current season, "Mutt and Jeff in Mexico." It may well be termed a conglomeration of effervescence—humor. It certainly was never designed for educational purposes, but it surely has proven for the last four years, to be the champion laugh promoter of the theatrical world. It's a sure fire, and no mistake. Unlimited scope is offered for hilariously funny situations, which you may depend upon it, have been taken advantage of to their fullest extent, to say nothing of the wonderful opportunities for scenic grandeur, offered in that beautiful tropical climate. It comes to the Grand on Tuesday, April 20th, matinee and night.
