PTE. J. A. FOOTE WOUNDED. His Mother Resides at 54 Ontario Street.

On Sunday afternoon, Mrs. Katherine Foote, 54 Ontario street, received a telegram from the Adjutant-General at Ottawa, stating that her son, Pte. James Archibald Foote had been wounded on April 11th. The telegram does not give particulars but informed Mrs. Foote that further information will be supplied later.

The wounded soldier was formerly connected with the R.C.H.A. in this city and later with the Northwest Mounted Police, being stationed at Crow's Nest Pass. Eight months were spent with the latter body, when he bought his discharge to take over a position as steward in one of the largest clubs of Calgary.

When war was declared Mr. Foote was one of the first to answer the call and he enlisted with the Princess Patricia's Light Infantry at Calgary. He has seen some of the hardest fighting according to some of the letters received from him.

Private Foote was always bent on a military career and when under age he managed to win his way into the ranks of the R.C.H.A. At the present time he is only twenty-six years of age.

Private Foote is now in the Queen's Canadian Hospital.

CITY BASEBALL LEAGUE Has Not Yet Decided Upon a Four-Team League.

There was an enthusiastic meeting held on Saturday evening in the Y.M.C.A. rooms of the City Baseball League. There was a large number present and much business was transacted.

The matter of admitting the 26th Battery to the league will mean that double-headers must be played every Saturday. There was some objection to this as some of the members said that they could not have the team there at two o'clock. It was finally decided that a committee composed of S. E. Trotter (chairman), Dr. J. J. Hartly, L. Sleeth, D. Fleming, P. J. Moran would meet in the near future and the matter was left in their hands for action. This committee will also revise the constitution.

E. Harteick and G. Sullivan were appointed referees for the season. The list of officers as previously announced was slightly changed. S. E. Trotter is president, P. J. Moran vice-president, G. B. McKay treasurer and L. Gallagher secretary.

The baseball season will open about the middle of May if the City Council in the meantime will arrange to have the diamond put into condition.

GERMAN STORED AWAY

IN FORT HENRY TO KEEP HIM FROM MISCHIEF.

Karl Kessler Arrested at Nanapanee - He Was Too Observant Of The Nanapanee Railway Bridge.

Karl Kessler is a new arrival at Fort Henry, having been put there for safe-keeping by the military authorities on Monday morning. Kessler has been making a general nuisance of himself ever since he arrived in Kingston some two months ago, but he never did anything that would warrant his arrest until Saturday when he was taken into custody in Nanapanee for being too observant of the Nanapanee River railroad bridge.

Kessler has been telling "fairytale" to every person he came in contact with, and this is one of the reasons why the authorities thought it best to put him where they knew where he could be found.

He first told Mayor J. F. Leatherland, who was accepting recruits for the 8th Regiment, C. M. E., that he was from Holland originally, but had been in Canada for the last seven years and was a naturalized Canadian. He said that he spoke seven languages, and as he was well-built and intelligent he was accepted for overseas service. A change in the orders made the release of some of the men necessary and Kessler was among them. He applied for positions in "C" Battery, 26th Battery and the 21st Battalion but in all cases they were not taking men when he applied.

He has been living in Nanapanee for the last two weeks in a house near the bridge, and the officers who were keeping a watch on him declared that he was in the habit of working near the foot of one of the pillars and was digging a hole near one of them when arrested.

When brought down here he signed a statement saying among other things that he had been three months with 4th Hussar recruits for the Third Contingent, but he was a naturalized Canadian but had accidentally lost his papers and that he had been ten years in Canada, all of which statements he has himself denied at different times.

He told the Whig representative some time ago that he was from Switzerland and having lost his job with a Montreal firm was in Kingston waiting for the boats to start.

New Use For Aluminum. Aluminum is now used to preserve the fragrance of the natural leaf in packing "SALADA" tea. The bright clean sheets are closer in texture than the old-fashioned lead coverings and ensure perfect protection to the fresh young leaves.
