Little Collins' Girl Also Had Stubborn Chronic Cough— Father Tells How She Was. Restored to Health by Vinol.

Lakeport, N. H. — "Our little girl, 8 years of age, was in a debilitated, rundown condition, and had a stubborn, chronic cough. While she did not have to stay out of school, on account of her condition, she was weak and ailing all the time and far from well.

"We treated her cough, but nothing seemed to help her until we tried Vinol, after which we noticed an immediate improvement. Her appetite increased and now she is strong and well and we can recommend Vinol to other parents who have delicate, ailing children."—GEO. A. COLLINS, Lakeport, N. H.

What Vinol did for this little girl it will do for other weak and ailing children, because they need the tissue-building, strengthening cod liver elements and the tonic iron that Vinol contains. It is delicious to the taste. That's why Vinol builds them up so

quickly, and we ask parents of delicate children in this vicinity to try Vinol with the understanding that we will satisfactory results.

THAT THE GERMANS TOOK FROM THE FRENCH.

Austrians and Germans Were Combined Against Them-Their Victory Was Bearly Won-Gas Bombs Sent the Canadians Mad.

(By Roland Hill.) London, April 25 .- Thursday and Friday have been glorious but costly days for the Maple Leafs. In the most terrific battle on the western front, surpassing even the ferocity of Hill 60 and vastly more important to the Canadian troops. Canadians Reinforced.

Some lighter Canadians guns were abandoned when we fell back to join up with the reorganized French line. As soon as the Canadian reinforcements had come up, and the line behind had been backed up by fresh British troops, hurried from the reserve, divisional headquarters sent word than an attempt might be made to recapture the guns, if feasible. They could be seen behind, where morning by the enemy.
