PALMERSTON, ONT., JUNE 20th. 1913. "I really believe that I owe my life to "Fruit-a-tives". Ever since childhood, I have been under the care of physicians and have been paying doctor's bills. The same old Stomach Trouble and distressing Headaches nearly drove me wild Sometime ago, I got a box of "Fruita-tives" and the first box did me good. My husband was delighted and advised a continuation of their use.

Today, I am feeling fine, and s physician meeting me on the street. noticed my improved appearance and asked the reason. I replied, "I am taking Fruit-a-tives". He said, "Well, if Fruit-a-tives are making you look so well, go ahead and take them. They are doing more for you than I can". MRS. H. S. WILLTAMS.
