WALDRON'S

IN MILITARY CIRCLES WAS INVALIDED HOME

THE 21ST BATTALION VERY ANXIOUS TO GET AWAY.

Two R. C. H. A. Bandmen Served Under Brig. Gen. Riddell of Northumberland, Who Was Killed in Action.

Since the recent engagement of the Canadians at the front and the resulting casualties, Lieut.-Col. W. S. Hughes is making every effort to have the 21st Battalion go overseas immediately. The officers and men are very anxious to go and it is probable that their wish will be granted.

New uniforms being issued to the 21st Battalion.

The second inoculation for the men of the right half of the 26th Battery took place on Friday. The left half will receive their second inoculation on Monday.

Lieuts. Wilson, Reddy and Williamson are attached to "C" Battery, R.C.H.A., for instruction.

Seven horses of the R.C.H.A. were sent to Sherbrooke on Friday.

A despatch in Friday's issue stated that Brigadier-General Riddell of the Northumberland Fusiliers had been killed in action. Bandmen Stone and Dence of the R. C. H. A. band were members of this regiment and speak very highly of him as a soldier and a man. The Northumberland Fusiliers are the original "Fighting Fifth" of the British army, and the County of Northumberland has supplied men for twenty-seven battalions, all of which are at the front and are kept supplied with reinforcements. A great many miners are in the County of Northumberland.

A district court-martial was held on Saturday morning on two soldiers of the city. Several officers of local units attended for the instruction.

Three baseball and three football games will be played on Saturday in the 21st Battalion league. Hon. Lieut. Hancock of the Y. M. C. A. is in charge of this work and is proving himself very energetic and a splendid organizer.

Capt. A. K. Hemming, adjutant of the 21st Battalion, who had a brevet of captain in the Royal Canadian Regiment, has been promoted to the rank of captain in the R.C.R.

Canon W. F. Fitzgerald, St. Paul's Church, will conduct the final vine service in the Militia Y.M.C.A. Hall on Sunday evening. The hall will close late Monday night as it is being taken over by the city again. As a final programme an excellent musical programme has been prepared. The 21st Battalion Brass Band will furnish music. Mrs. J. Evans and J. Egan will be soloists; Mrs. O. F. Teigmann will be reader and Miss Norma Teigmann will be violinist. Brief addresses will be given by Mayor Sutherland and Lieut.-Col. Hughes and also by several of the local clergy.

F. W. Lilley who has been such a great worker in the Militia Y.M.C.A. here this winter has been officially notified that he will have charge of the work at Barriefield and will be assisted by Mr. McQueen, who is now looking after the work in Belleville. Several marquees will be erected and arrangements are being made on a bigger scale than has ever been attempted, except at Valcartier. Mr. Lilley will leave on Wednesday for a visit with friends in Buffalo and will return in time for the opening of the camp on May 15th.

Capt. P. E. Pridoux, C.O.C., has been promoted to the rank of major. He has been doing exceptionally good work all winter in organizing for the distribution of clothing and supplies for the overseas soldiers here.

USE OF WAR STAMPS.

Discrimination Between Them and Inland Revenue Stamps. The post office department announces that enquiries have been received in regard to postage stamps being used for the prepayment of war duties on bank cheques, bills of exchange, promissory notes, express money orders, proprietary or patent medicines, perfumery, wines or champagne, as well as upon letters and postcards, postal notes and post office money orders. Notice is hereby given that this use of postage stamps is in strict accordance with the provisions of the special War Revenue Act, 1915, which provides that postage stamps may be used in lieu of Inland Revenue Stamps in fulfilment and discharge of any requirement under the Act that adhesive stamps be affixed. The public is at liberty to use postage stamps for any purpose for which Inland Revenue War Stamps may be used. Inland Revenue War Stamps are not to be used on letters, postcards, postal notes, or post office money orders, the only stamps allowed on these being ordinary postage stamps or postage stamps upon which the words "War Tax" have been printed.

PRIVATE GEORGE WATTS HAS ARRIVED IN KINGSTON.

He Was With the Princess Patricias—He Brought Pair of British Boots Home With Him.

Pte. George Watts, Princess Patricias, has been invalided home and arrived in the city at four o'clock on Friday afternoon. Pte. Watts shows by his appearance that he has undergone a great deal of hardship and will not be able to go back to the front, although he is certainly anxious enough to. He is an ex-member of the 14th Regiment and also of "B" Battery. He enlisted at Edmonton with the Princess Patricias when the war broke out. The crossing of the regiment from England to France was made about the middle of December and three months of the hardest kind of life followed. The cold wet trenches brought to great numbers of men, pneumonia, and to others rheumatism, the latter malady falling to the lot of Pte. Watts. He was sent to the hospital at Boulogne and later to Netley hospital in England.

He says that the arrangements for the comforts of the men are the best and the British government is doing its utmost to care for every one of their men. Three other Canadian came home with Pte. Watts, one man named Kerr, from Hamilton, being minus an eye.

A pair of the boots issued to the men of the Princess Patricias was brought back by Pte. Watts, and these are on exhibition in Sutherland's shoe store window. They are of British manufacture with very heavy soles and uppers, and were splendid for winter wear. Pte. Watts said.

Lt. G. Richardson May Be Prisoner Of the Germans

Although members of the family have put forth every effort possible to get trace of Lieut. George T. Richardson, who was reported to have been wounded in the fight at Ypres, no information has been available.

Asked by the Whig Saturday forenoon H. W. Richardson stated that he had taken every possible means of locating his nephew but that all efforts had been fruitless. Mr. Richardson had his special agents in the Old Country make inquiries but they could secure no information. Mr. Richardson is now in communication with the Minister of Militia.

It may be that Lieut. Richardson was taken prisoner while wounded.

UNSTINTED CONGRATULATIONS

At the Splendid Growth of Zion Church.

Taken from the Kingston correspondent of the Presbyterians of Toronto.

The first Sunday in May the semi-jubilee of the organization of Zion Church, Kingston, and the ordination of the pastor, the Rev. J. D. Boyd, will be observed.

The preacher for the day will be the Rev. W. A. McIlroy, Stewarston Church, Ottawa.

Those of us who know the fine service rendered in that section of the city by Mr. Boyd and his people, these twenty-five years, are unstinted in our congratulations.

From the first the work has been well organized and now the church property is entirely free of debt.

There was need enough for Zion Church in that northern part of the city, but what is truly said that generous as the help of the workers round about him has been, Mr. Boyd, himself, with the devoted assistance of Mrs. Boyd, has been the chief factor in creating the cause, and carrying on to its present satisfactory condition. To pulpit adelicity and tact, he can add a business and organizing faculty of a high order.

And in dealing with the eminent moral issues present in every city community and the common cause of all the churches, Mr. Boyd has ever taken a leading part.

Our brother having the courage of his convictions and never trying to balance compromise on the point of a needle, when a big question is up is among the first to slip out whether the Master shows the way. Let Zion prosper.

TEACHERS AND OFFICERS.

Elected at Princess Street Methodist Church Sunday School.

The teachers and officers of Princess Street Methodist church Sunday school met this week to elect their staff. The school had a most satisfactory year under the faithful work of the superintendent, Miss E. Wilder. The pastor, Rev. Mr. Curry, presided. All the reports were of an encouraging nature.

The following officers were elected: Superintendent, Miss E. Wilder; assistant superintendent, A. J. Asselstine; treasurer, Miss L. McIlquham; secretary, W. H. Mack; assistant secretary, H. L. McIlquham; librarians, Miss M. Rutherford, C. McIlquham. The teaching staff was re-elected.

After all had partaken of a sumptuous supper provided by the ladies, Miss E. Wilder, on behalf of the teachers and officers, presented Sergt. W. H. Woods with a Bible in remembrance of the many faithful years he has given to the school.

Linen for Queen's Hospital.

The linen shower held by the Red Cross Society in conjunction with Queen's University for the purpose of acquiring towels and pillow slips to be used by Queen's Stationary Hospital unit for overseas, was a decided success in Grant Hall on Friday afternoon. The donations were: 750 towels, 1,010 pillow slips, and \$17 in cash.

Reid and Hambrook, caterers, generously contributed their services free, as a contribution towards the hospital unit. The R.C.H.A. band also tendered music free.
