INVALIDED SOLDIERS TO CONTINUE TO DRAW PAY.

And Wear Their Uniform Until Other Provision is Made—The R.C.M.A. Was in England Ten Days Ago.

Soldiers invalided home from the front will be given their regular pay for the present. It is expected that a pension board will be called in Ottawa and more fuller arrangements for the caring of the wounded nearer their homes will be made. For the present, invalided soldiers will wear their uniform until discharged.

Provost Sergt. Wolfe, R. C. H. A., has received a letter from his son, Corp. Wolfe, with the R.C.H.A. in England, stating that the artillery was still in Marsfield Park and no orders for a move had yet been received. The letter was dated April 21st.

Canon W.F. Fitzgerald spoke to the soldiers in the Militia Y.M.C.A. hall on Sunday evening of the mistake to pride oneself too much on one's position or possessions.

On Monday evening the final concert will be given in the Militia Y.M.C.A. hall to the soldiers. The hall closes to-night and will be taken over by the city. The programme includes selections by the 21st Battalion brass band, Mrs. J. Evans, W. Eva, Mrs. O. F. Teigmans, and Miss N. Teigmans. Mayor Sutherland and Lieut.-Col. W. S. Hughes will give addresses.

The R.C.H.A. band paraded with the Anglican party of the R.C.H.A. to St. George's Cathedral on Sunday morning under command of Lieut. Stewart.

A new order reads: "N.C.O.'s under the rank of warrant officer are not permitted to wear waterproof raincoats. Regulation dress must be worn at all times by all ranks. Caps will not be worn at any time, in wet weather great-coats will be worn."

For the first time since a guard was placed on the city reservoir the men cooked their own food on Monday and will do so in future. The food was formerly cooked by a resident of the vicinity.

Capt. W. Hudson, an officer of the Fifteenth Regiment, Belleville, and the 39th Battalion, had tendered his resignation as being selected as the commanding officer of the men leaving there for overseas service.

Private Sam Moody, of the 21st Battalion, Kingston, was in Belleville for the week-end. Private Moody recently cut a finger on his right hand from which a slight attack of blood poisoning has developed.

Gentlemen Cadets F. D. Pemberton and D. L. Teed have been granted their discharge from the Royal Military College and granted commissions in the 5th Kingston Battery.

On March 29th Drummer "Harry" Millican, 21st Battalion, was very quietly married to Miss Margaret Magee, daughter of E. Magee, Southampton, Eng. The ceremony was performed in St. George's cathedral by Rev. Crozier Magee.

The prisoners at Fort Henry are now taking their three meals a day without raising a disturbance because the food is not cooked by Germans. A civilian cook is still in charge of the kitchen, assisted as formerly by two prisoners. Gen. Otter will not make an investigation at first thought. Col. T. D. R. Hemming, after carefully going over all the facts, has made a report.

The 21st Battalion was engaged in rifle practice and company drill on Monday morning.

New uniform is being issued to the 14th Regiment to be worn when walking out but not while on duty. The trousers may be worn without puttees if properly pressed.

The 21st Pipers' band received a class in stretcher bearing on Monday morning. Corp. F. G. Roberts, A.M.C., being in charge. The pipers are being very proficient in this rather complicated drill. They will be supplied with red-crosses for their arms as they are part of the Army Medical Corps while at the front.

A rate of compensation has been gazetted that will be paid to the survivors of Canadian soldiers who are wounded or killed at the front. The first degree applies to those who are totally disabled while on active service. The third and fourth degrees are for those who are not so badly wounded though unable to earn a livelihood. The first degree entitled the survivors to \$264 for privates, up to \$2,100 for brigadier generals. The pension for the wid-

WOLFE ISLAND VISITORS

IN BASEBALL MATCH WITH THE PARK NINE.

On Saturday Afternoon by 4 to 1—The Officers of the Island Club—Challengers Will be Accommodated.

The baseball season opened at Wolfe Island on Saturday, when a game was played between Park Nine, Kingston, and Wolfe Island, the Islanders winning by a score of 4 to 1 in one of the best exhibitions of baseball seen at Wolfe Island in some years. There was but one error made by each team, which is exceptionally good considering it was the first game played by either team this year. The game was played in the record time of 1 hour and 30 minutes.

The Islanders scored two runs in the third innings, one in the fourth, and one in the 5th. The Park Nine scored their only run in the 8th innings, and looked dangerous with a man of first and second and only one out down, H. Davis, jumping in the air, speared a live drive and caught the man off second. The teams:

Park Nine—Hammond, c.f.; Stewart, s.s.; Downey, 2 b.; Smith, 3 b.; O'Brien, c.; Paul, 1 b.; Cleary, 1 b.; Shaw, i.f.; Somerville, p.

Wolfe Island—Spoor, s.s.; W. Cummins, 2 b.; Cosgrove, 1 b.; Hogan, c.; H. Davis, 3 b.; C. Cummins, i.f.; Horne, p.; J. Davis, c.f.; Ryan, r. f.

Samuel Hogan umpired in a very satisfactory way. The Wolfe Island Club organized at a meeting held last Wednesday evening, and the early arranging of a game looks as if officers intend to give the Islanders lots of baseball this season. The officers elected were: President, Allan McLaren; 1st vice-president, John Horne; 2nd vice-president, Francis Hogan; secretary, Henry Davis; treasurer, Clarence Kenny; manager, F. J. Whitmarsh; assistant manager, J. D. Cosgrove; captain, W. J. Cummins. Teams wishing to arrange games are requested to write to the secretary or manager.

COMPARE THE DIETS.

That Canada and Germany Give Their War Prisoners.

When Prof. Elmer Luck, released from a German prison, visited Kingston last month, he told of the diet given by Germany to its alien enemies. After the mutiny in Fort Henry last Thursday, United States Consul Johnson, who is acting German Consul here, told what the German prisoners got at the Fort, and intimated that the fare was excellent. Wig readers are given an opportunity of making a comparison:

At Fort Henry.
At Fort Henry each prisoner gets a pound and a quarter of bread a day. The menu consist of bread, butter, meat, potatoes, and coffee for breakfast; soup, bread, butter, vegetables, meat, potatoes and tea for dinner, and the same for supper, except that Irish stew is usually the first course.

In Germany.
In Germany the prisoner's morning "meal" is of flour and water, without sugar or anything else. Dinner consists of black bread and a thin soup, and for supper black bread and water. Coffee is served twice a week.

Canada is altogether too good to her enemies.
