Would not be Without Zutoo Tablets At Any Cost Such is the statement of Mr. A. O. Norton, of Boston, the largest Jack Manufacturer in the world. His voluntary testimonial regarding ZUTOO follows: 286 Congress St., Boston, Mass. "I have been a sufferer from Headache since childhood and have used all, or nearly all the so-called 'cures' on the market. Some months since my attention was called to Zutoo Tablets and I have been using them ever since with the most gratifying results. I find they cure a 'sick' or 'nervous' headache in a few minutes and leave no bad effects. My family use them whenever needed with equally good results. I have frequently given them to friends who were suffering from Headache and they never failed to give quick relief. I always carry Zutoo Tablets in my grip on the road and WOULD NOT BE WITHOUT THEM AT ANY COST." A. O. NORTON. 25 cents per box—At all dealers
