ASK FOR PROTECTION

ABLE-BODIED MEN SHOULD BE SERVING AT FRONT.

Police Arrest Men On Charge Of Drunkenness who Have Been Given Lodging in Police Cells—Beg Money From Citizens.

Judging by the number of able-bodied men who have been given shelter at the police station, this week there are many who are loafing around the country doing no work who should be at the front fighting for their country. The fact has been sent out for more recruits. In spite of the fact that the loafers have been asked to enlist they would rather play the part of a vagrant and clash with the police from time to time.

It may not be generally known but there are quite a number of men who have been given protection at the police station from time to time who put in all their spare time begging from house to house and in this way carry secure all they want to eat and also money enough to buy liquor.

The police investigated two cases of this kind just this week and it is a game that is being played all the time. Although a man is in the police station would not appeal to the average man, to the Weary Willie, who knocks about from place to place, it is first-class. As long as he has a cover for his head he is satisfied. When the weather becomes warmer he will not trouble the police for a night's lodging. The open field will be good enough for him.

On Sunday night a man who was given protection was away from the police station but a couple of hours when he was arrested on a charge of being drunk. Tuesday night a man was given shelter on his putting up a hard-luck story. Early Wednesday morning the police had a call to remove a drunken man to the cells, who had been acting in a disorderly manner on the street. When the disturber was brought to the police station it was found that he was the man who had been given protection.

Men of this class have no money when they come to the police station, so it goes without saying that they get their funds by begging from different people around the city.

It was stated that one of the men has been collecting money from different churches, and that in this way secured money to buy liquor. They will do anything but work and even in time of war refuse to do their bit.

Steamer Rideau Queen
Leaves Kingston on Mondays at 6 a.m., for Portland, and Fridays at 8 a.m., for Smith's Falls, returning Tuesdays and Saturdays.

IN BASEBALL CIRCLES

The Public School League Opened On Friday Afternoon.

The Public School Baseball League opened on Friday afternoon at the Cricket Field. O. C. I. and Macdonald teams had a battle royal. Five innings were played, at the end of which the O. C. I. led by the score of 19 to 5.

Macdonald school's team had very inferior fielders to those of O. C. I. Macdonald had a little better of it in the way of battery but support was entirely lacking.

A large crowd witnessed the contest. W. Joyner umpired and C. R. Powers, physical director of the O. C. I., was scorer. The teams: O. C. I.—Scotton, c; Goussell, p; McLaughlin, 1b; Day, 2b; Ada, ss; Mills, 3b; J. Woods, lf; Orr, cf; Arniell, rf.

City Baseball League.

The baseball season will be formally opened on Saturday afternoon. The Victorians will line up against the Ponies for the first contest of the season. The Regiopols-Sapolos game will begin at one o'clock, as it must be finished in time to allow the senior game to start sharp at 3 o'clock. Both teams claim surprises on the line-up and the public are very anxious to hear of what players will be used.

George Sullivan will officiate at the senior game and will alternate games for the season with Edward Harrick.

In Charge Of Stores.

The London Free Press says: Major Folger is at present in charge of the Ordnance Stores Corps in this city. He served in South Africa for fifteen months under General Steeles, with a temporary division. On his return he entered the ordnance department and was stationed at St. John, Quebec, and Ottawa. He was born at Kingston. His present rank is captain, but he receives promotion to major on active service, being deputy assistant of ordnance stores, and is in charge of all the equipment of the entire division.

To Stop The Practice.

Belleville boys who stole rides to Napanee on G.T.R. freights were rounded up and heavily fined. The express says the police are trying to put a stop to the Kingston and Belleville youths who make a practice of riding freight trains to Napanee on Sundays.

Mary Pickford Week.

During the entire week of May 17, at the Grand Opera House, it will be Mary Pickford in repertoire—a different play every day, nowhere on this continent, nowhere in the whole of the round world, certainly not in the British trenches, would an announcement of six days of Mary Pickford in repertoire fail to stimulate interest and to rouse a scene of pleasurable anticipation. She will be seen in a round of her great successes, and where all the plays are so fine and where little Mary, acting in each and all is so superb, it is difficult to select one play from another. The initial play is one in which Mary Pickford scored an early triumph, "Caprice," for Tuesday the play will be "Such A Little Queen" on Wednesday "Eagle's Mate" will be shown, on Thursday Mary Pickford will delight children old and young as "Cinderella." The offering on Friday will be "Behind The Scenes," a delightful drama of theatrical life, showing the struggles, sorrows and strength of a poor and pretty musical comedy Soubrette. On Saturday there will be presented "Tess of the Storm Country," a veritable gem.

Proud of Canada's Exhibit.

"It was a pleasure to be able to say 'I am a Canadian,' and to know that our Dominion's exhibit was the best within the grounds." I. W. Brislin, a well-known insurance man, who makes his home at Lacolle, Que., thus expresses himself on his return from the Panama Pacific International Exposition. In a letter to the Grand Trunk System, Mr. Brislin says: "After a trip to the Panama Exposition, during which we traveled over eight different railways, I wish to express to you our appreciation of the very excellent service given by your train, The International Limited. The service is not excelled upon this continent."

DYSPEPSIA OVERCOME

Tone Up the Stomach with Hood's Sarsaparilla.

When you have dyspepsia your life is miserable. You have a bad taste in your mouth, a tenderness at the pit of your stomach, a feeling of puffiness, headache, heartburn, and sometimes nausea.

Dyspepsia is difficult digestion—that is what the word means—and the only way to get rid of it is to give vigor and tone to the stomach and the whole digestive system. Hood's Sarsaparilla, sold by all druggists, is the one medicine which acts on the stomach through the blood and also directly. Its beneficial effects are felt at once. Improvement begins immediately.

Hood's Sarsaparilla purifies the blood, makes the rich red blood that is needed for perfect digestion, and builds up the whole system. No other medicine can take its place.
