

The Model Investment

Is one in which your principal sum never loses its value—you can secure your money the minute you need it. You can add to or withdraw from it when you like, and it pays interest with unflinching regularity.

Such an investment is a Savings Account in The Bank of Toronto. \$1.00 and upwards opens an account, and the pleasure of watching your balance increase will stimulate further thrift and saving.

THE BANK OF TORONTO

RECALL OF BERNSTORFF

Washington, May 15.—One result of the vigorous note served on Germany is expected in diplomatic circles here to be the recall of the German Ambassador, Count von Bernstorff. The pointed reference to the activities of the Ambassador, characterized in the note as being of "surprising irregularity," is accepted as a direct intimation to the German Government that Count von Bernstorff's usefulness here has ended.
