> COUNTY COUNCIL MAY MEET At Arden to Consider the Cross Lake

> > Bridge Question.

A special meeting of the County Council will likely be called in the near future to consider the offer of the Provincial Government to construct Cross Lake Bridge. As it will take several months to secure the timber from British Columbia, and the Government has made the offer providing it is accepted immediately, the special meeting of the Council will be called within a few days. Instead of meeting in Kingston, the Council will likely meet at Arden so that an inspection of the site for the bridge can be made. It will cost the county, if the offer is accepted, \$7,500 and the Government will pay the remainder of the cost of construction no matter what it amounts to. The estimated cost of the bridge is
