ARTILLERY TO CAMP
AT BARRIEFIELD INSTEAD OF AT
PETAWAWA.
 "C" Battery to Instruct the Overseas
 Brigade—The R. C. H. A. Batter-
 ies Are Still in England.
 "C" Battery, Royal Canadian
 Horse Artillery, will go into camp
 this year at Barriefield at the close
 of the present Royal School of Ar-
 tillery course on June 4th. Orders
 were received some time ago that
 this Battery besides being used as a
 training depot for recruits for the R.
 C. H. A. overseas force would also be
 an instructional battery. At Bar-
 riefield it will be used in instructing
 the officers and men of the 7th Ar-
 tillery Brigade, of which the 26th Bat-
 tery is a unit. It is about ten
 years since artillery has been at Bar-
 riefield Camp.
 The Royal School of Artillery will
 be discontinued for the summer, and
 the instructors will go into camp and
 look after the training of the over-
 seas brigade, officers and men.

Lieut. Charles Black, taking the
 R. S. A. course, met with a slight
 accident on Wednesday afternoon.
 While riding across the bridge his
 horse took fright and, throwing him
 to the ground, ran the length of the
 bridge before being captured. Lieut.
 Black was fortunate enough to es-
 cape without serious injuries.
 Arrangements are being made for
 "C" Battery and the R. S. A. to
 leave the city on Saturday and bivouac
 some place in the district, return-
 ing to the city on Sunday morning.
 It is not yet definitely decided as to
 where the Battery and officers will
 go, as there are several places with-
 in a few miles which would be ideal
 for the purpose.

Since the war broke out the most
 practical kind of training has been
 given to the officers and N. C. O.'s
 taking the R. S. A. course rather
 than the theoretical training given
 before. More attention is given to
 the actual work of manoeuvring.
 On Thursday morning "C" Battery
 paraded to a point about five miles
 down the Gananoque road and car-
 ried out a tactical scheme of attack
 on the city. The officers and N.
 C. O.'s taking the R. S. A. course
 using the dummy guns were on the
 defense of the city, and different pos-
 tions were taken up by the two bat-
 teries. Powder puffs were used to
 allow for observation of the fire. Of-
 ficers taking the course were in com-
 mand of the battery and carried out
 their work well.

Provost Sergt. Wolfe received let-
 ters from his son Corpl. C. Wolfe,
 with the R. C. H. A. in England,
 stating that all the men were well
 and working hard. As the letter
 was dated May 12th, this contradicts
 the report, made some time ago that
 "A" and "B" Batteries, R. C. H. A.,
 had gone to the front.

In the official orders of the mobil-
 ization of Barriefield Camp, Queen's
 University Officers' Training Corps
 were ordered to go into camp on
 Tuesday. Capt. P. G. Campbell told
 the Whig that because of the O. T. C.
 will not be in camp. Queen's will
 be represented, however, by twenty-
 five men of No. 5 F.C.C.E., who will
 do the engineering work of the
 camp.

Lieut. W. E. Swaine has been re-
 commended for a captaincy.

Pte. G. D. Saunders has been taken
 on the strength of the 14th Regi-
 ment for overseas service.

Writes From California
 Samuel Mills, son of Mrs. George
 Mills, University avenue, who is
 visiting in California, writes some
 very interesting letters home about
 the great Panama Pacific Exposition.
 He particularly refers to the Cana-
 dian building and exhibit as being
 one of the finest there. He says it
 is an eye-opener for the Americans
 and a great advertisement for Can-
 ada. Mr. Mills' many friends will
 be glad to hear that he is in splen-
 did health and enjoying a wonder-
 ful trip.

Beautiful New Stock To Choose.

 year an extra fine assortment of
 tweeds, chevots and serges for his
 order clothing department. His
 ready-made clothing and pants' fur-
 nishing departments are well assort-
 ed with new goods.

WRITING TO PRISONERS

**How To Communicate With Prison-
 ers of War in Germany.**
 The Post Office Department at Ot-
 tawa has issued the following in-
 structions regarding correspondence
 with Canadian who may be prison-
 ers of war in Germany:
 Letters (letters should be left open)
 postcards and postal parcels should
 be addressed as follows:
 1.—Rank, initials, name.
 2.—Regiment, or other unit.
 3.—British (or Canadian, French,
 Belgian or Prussian) prisoner of
 war.
 4.—Place of internment.
 5.—Germany.
 Place of internment should be
 stated always if possible, and parcels
 cannot be accepted unless place
 of internment is stated. All address-
 es must be in ink.
 Communications should be limited
 to private and family news and to
 necessary business communications,
 and should not be sent too frequent-
 ly.
 No references to the naval, military
 or political situation or to navy
 or military movements and orga-
 nizations are allowed. Letters or
 postcards containing such references
 will not be delivered.
 Friends of prisoners of war are
 advised to send postcards in prefer-
 ence to letters, as postcards are less
 likely to be delayed. If letters are
 sent, they should not exceed in
 length two sides of a sheet of note
 paper. On no account should the
 writing be crossed.
 Letters cannot for the present be
 accepted for registration.
 Postage need not be paid either
 on letters or parcels addressed to
 prisoners of war.
 No letters should be enclosed in
 parcels, and newspapers must not
 be sent. So far as is known there is
 no restriction on the contents of
 parcels; tobacco may be sent and
 will be admitted duty free but
 food stuffs of a perishable charac-
 ter should not be sent. Parcels
 should not exceed 11 lbs. in weight.
 Remittances can be made by in-
 structions as to how to proceed can
 be obtained from postmasters. The
 transmission of coin, either in let-
 ters or parcels, is expressly prohib-
 ited. Postal notes and bank notes
 should not be sent.
 It must be understood that no
 guarantee of the delivery of either
 parcels or letters can be given and
 responsibility, in any case, consid-
 erable delay may take place. Failure
 to receive an acknowledgment should
 not necessarily be taken as an
 indication that letters and parcels
 sent have not been delivered.
 So far as is known, prisoners of
 war in Germany are allowed to
 write letters or postcards from time
 to time; but they may not have
 facilities for doing so, and the
 fact that no communication is re-
 ceived from them need not give
 rise to anxiety.

EMPIRE DAY IN SCHOOLS
 Special Programmes Will Mark
 the Occasion.
 To-morrow is "Empire Day" in
 the public schools.
 As Empire Day is on May 23rd,
 the event is celebrated on Friday as
 the nearest school day. In all the
 schools in the afternoon there will
 be programmes in which the scholars
 will participate, with songs, recita-
 tions and addresses by trustees. The
 occasion will be marked with very
 great fervor, especially in view of
 the fact that the Board of Educa-
 tion has asked the scholars to join
 in contributing to the Red Cross So-
 ciety, and it is understood that al-
 ready very acceptable contributions
 of money and of material have been
 made. Large quantities of band-
 ages have been purchased and will
 be handed over, and the money con-
 tributed will be at the disposal of
 the Red Cross Society for whatever
 purpose it deems best.

WANTED TO ENLIST.
 Lone and Lonely Drunk in Police
 Court.
 One lone and lonely drunk appear-
 ed in the Police Court on Thursday
 morning, and when he was arraign-
 ed he pleaded hard for a chance, stat-
 ing that if he were allowed to go he
 would volunteer for service at the
 front.
 However, the magistrate did not
 put much faith in his story, and so
 imposed a fine of \$3 and costs, with
 the option of twenty days. If he is
 very anxious to serve his country he
 will have an opportunity to do so af-
 ter the fine is covered or after he
 serves the term.

Received Indian Rupee.
 On Thursday morning James Mc-
 Dermott received another letter from
 his son, E. C. McDermott, and in it
 was enclosed an Indian rupee (value
 50 cents), which the young Kingst-
 onian had been given by a Gurkha
 and which he wanted his father to
 keep as a souvenir. Mr. McDer-
 mott was very glad to receive the
 piece of money, as he is a veteran
 of the Indian Mutiny, having served
 with the British.

Pte. H. J. McGill Writes
 A card was received by his par-
 ents from Pte. H. J. McGill, 2nd
 Battalion, C.E.F., on Thursday morn-
 ing, which states that he is well
 and will write a letter immediately. An
 so many of the other men of Capt.
 G. T. Richardson's company of this
 battalion were on the casualty list,
 the card relieved a lot of anxiety.

Attention, "Leo" Performers!
 Will all those taking part in "Leo,
 the Royal Cadet," endeavor to be
 present at rehearsal this evening, as
 it is desired to obtain all the names
 for insertion in the programmes
 which are to be issued forthwith.

No Whig on Monday.
 Monday (Victoria Day) will be a
 holiday in the city, and the newspa-
 pers will not be published on that
 day.

OTTAWA'S MEANNESS
 Dwelt Upon in Plain Language, By
 the Free Press.
 Ottawa's Free Press.
 The Ottawa board of control has
 been asked to contribute \$1,000 to-
 ward the regimental funds of the
 38th Royal Ottawa battalion of the
 expeditionary force. The board of
 the application. Let us hope they won't
 consider it long. So far, in its
 treatment of the Canadian fighting
 men, Ottawa has the reputation of
 being the meanest municipality in
 the country.
 To have given practical encourage-
 ment to the brave fellows, Ottawa has
 done nothing. Toronto has spent
 hundreds of thousands on life insur-
 ance and other thousands in contribu-
 tions; Ottawa has spent—nothing.
 The 38th—a really and truly Ot-
 tawa organization—asks \$1,000 for
 its regimental funds to provide com-
 forts for its men—Ottawa men.
 Would the people of Ottawa have
 charged the board of control with
 reckless waste if it had taken only
 long enough to spend the funds of
 the grant?
 The Free Press finds it hard to
 use language of restraint in com-
 menting on Ottawa's civic meanness
 in relation to the fighting troops con-
 trasted with its energy in squander-
 ing money in other useless direc-
 tions.

THIS GERMAN NO ADMIRER
 Of the Kaiser, Who He Terms a Ban-
 dit Leader.
 F. J. Tidemann, a native-born Ger-
 man residing in Kingston, and natu-
 ralized, is not an admirer of the Kai-
 ser. He told the Whig that the
 German Emperor is nothing more
 than the leader of bandits. He
 was born in that division of the Ger-
 man Empire known as Hanover. A
 few decades past this little kingdom
 was overrun by the Prussians and
 compelled to come under the sway
 of the latter. Mr. Tidemann stated
 that there is no doubt about it, but
 that every Hanoverian in Canada
 would like to see the Kaiser crushed
 along with the whole Hohenzollern
 dynasty. This dynasty several gen-
 erations back, said Mr. Tidemann,
 sprang from a powerful lot of brig-
 ands or bandits, and in this way ac-
 cumulated great wealth.
 After the war is over, Mr. Tide-
 mann would like to see Germany
 freed of this despotic rule, and his
 family, also the abolition of conscrip-
 tion. He is of the opinion that a
 republic would be the best thing for
 the German people.
