THE PEOPLE MAY OUST THE UTILITIES COMMISSION

A Vote Is To Be Taken on June 21st.

VOTE ON INCINERATOR WILL ALSO BE TAKEN AT THE SAME TIME.

The Sum of \$7,000 is Required For Garbage Destroyer—The City Council Approved Aid. Newman's Daylight Saving Scheme.

On June 21st, the ratepayers will have an opportunity of voting on a by-law to repeal by-law No. 85 passed in 1913, being a by-law "to provide for entrusting the control and management of the public utilities of the corporation of Kingston to a commission."

On the same date the ratepayers will be asked to vote on a by-law to raise by loan, the sum of \$7,000 for the acquiring of land and the erection of an incinerator for city garbage.

This was decided upon at a special meeting of the City Council held on Friday night.

The Council also passed a by-law for the raising by loan, of the sum of \$4,800 to erect and maintain an incinerator plant. The Council has authority to pass when a sum of money up to \$5,000, and this meant that while the other by-law calls for the sum of \$7,000, the total amount necessary for the purchase of the incinerator plant and the land all that is now necessary is \$2,200 for the purchase of the property, but the City Solicitor pointed out to Council that the by-law must be put in this way.

The estimated cost of the incinerator itself is \$4,800, while the property can be purchased at \$2,200 or leased for a term of ten years at an annual rental of \$176.

The by-law regarding the vote on the management of the civic utilities was passed without one word of discussion, the matter being brought up by Mayor Sutherland, who stated that he had been asked to have this vote taken by a number of citizens at the same time a vote was taken on the by-law for the raising of money to purchase the incinerator plant.

Council also passed Aid. Newman's resolution regarding a daylight saving scheme, by a vote of 8 to 6. The yeas and nays were not called for.

Mayor Sutherland presided at the meeting and the other members present were: Aids. Bawa, Couper, Gardner, Graham, Hanley, Hughes, Kent, Newman, Nickle, O'Connor, Richardson, Stroud, Wright and White.

Mayor Sutherland referred to the by-laws to be presented regarding the erection of an incinerator, and pointed out that he had been asked by a number of citizens to get an expression of opinion from the people as to whether the present commission dealing with civic utilities should continue in office next year.

He said that the question was not taken up with any reflection whatever on the personal of the commission, but that it was a member ex-officio. He did not think that in going over the city men more qualified for the position could be secured than the present members. There was a feeling among a number of citizens that there was a good deal of overlapping in the work as a result of the commission. For instance in the matter of street paving the commission had been asked to have certain streets made ready for paving, but the matter had been put off.

Regarding the erection of an incinerator Mayor said that a site had been secured next to the civic light plant on the Matthews property, at Nos. 403-5 King street. This could be leased by the city for ten years at an annual rental of \$176, or purchased for the sum of \$2,200.

The passing of the by-law for the raising of the sum of \$4,800 for the incinerator would mean that as soon as the plans were approved by the provincial Board of Health the work of construction could be started.

All the by-laws were then presented and given their final reading.

Daylight Scheme Endorsed.

Just before Council adjourned Aid. Newman brought up his resolution calling upon the municipalities to enter into a scheme for daylight saving and it was passed by a vote of 8 to 6.

Aid. Newman made an eloquent address in support of his resolution which was seconded by Aid. O'Connor. It means the putting on of the clocks one hour so that citizens can enjoy the extra hour of daylight. The matter was brought up some time ago by Aid. Newman who gave the aldermen some time to think about it, before having it put to a vote.

Aid. Newman spoke at some length pointing out the many advantages it would have for the people in the summer months, and stated that the Board of Trade and other municipal bodies had taken up the matter, and that it would come before the next annual meeting of the Associated Board of Trade. He had been asked to second a resolution in its favor at the meeting of the Associated Board of Trade. After the scheme is adopted by the different municipalities it goes to the provincial government to provide the necessary legislation.

Reports of Committees.

The Council also took up regular business at this session and adopted reports submitted by the Finance and Property Committee and the Board of Works. The report of the Board of Works has already appeared in the Whig. The Fire and Light Committee had no report to present.

These recommendations of the Finance Committee were passed:

"That the application of Francis King, for remission of income tax on assessments of the late Annie Minnes be not granted."

"That the application of W. J. Gallagher, to have a cab stand on the east side of King street, between the

British-American Hotel and Dr. O'Connor's office be not granted."

"That the application of the Utilities Commission, to have the corporation provide them with the sum of \$2,200, to purchase property on King street, belonging to Miss Matthews be not granted."

"That this council take charge of the dock at the waterworks plant, and put the same into use as a corporation dock, to be used as a landing place for tourists, the same to be suitably advertised by signs there."

"That the corporation at its own expense place three arc lamps between the city and Barfield Hill, one at the top of the hill and the other two at the entrance to the military camp grounds."

In regard to the application of Mr. Gallagher, for a cab stand on King street, it was explained that the cabmen had a new petition to present for consideration. It is understood that the men only want accommodation there for a couple of autos. The matter was referred back to the Finance Committee.

Aid. Graham raised a strong protest at having a stand at this place.

These recommendations of the Property Committee were passed:

"That repairs be made to the judge's stand at the fair grounds, at an estimated cost of \$50, as given by the engineer."

"Whereas the city engineer has reported that a portion of the fence around the fair grounds is in a very dilapidated condition, and should be torn down and rebuilt, at an estimated cost of \$500, we recommend that this work be done and that the Finance Committee provide the funds."

Aid. Gardiner was strongly opposed to spending this amount of money on the fence "Get rid of the sink-hole," was his advice to Council. He thought the best that could be done was to patch it.

Aid. Kent said it was a great mistake not to put the fence in good repair. It was the only place the city had for fairs and other events, and that it was an asset to the city.

On motion of Aid. Graham and Couper it was decided to give the roadway from Catarauq bridge to the military camp a coat of tar or oil, just as the engineer considered best. The military authorities will be notified of the city's intention.

The township has reported that the upkeep of this piece of roadway is now under the jurisdiction of the Government.

These communications were received and referred as follows:

To Finance and Accounts—City Clerk, London, submitting resolution re unemployed: Utilities Commission, asking for \$187.00 for gas main extension on Johnson street above Toronto street; Canadian Free Library for the Blind, asking for subscription; 39th Battalion, Belleville, asking for subscription.

To Board of Works—George Bawden re tree removal of 120 Barfield street; Secretary of the Board of Health, re construction of sewer on King street, to drain property of H. A. Le Hup; William Kelly, protesting against fence being built across a city thoroughfare on Joseph street.

WAR BULLETINS.

The German Embassy has announced officially that Switzerland would act for Germany at Rome during the war with Italy.

Admiral Von Essen, Commander of the Russian Baltic fleet, is dead of pneumonia.

Several London papers said on Friday that Home Secretary McKenna would succeed Winston Churchill in the Admiralty.

Progress of the Allies towards Liffe continues, though the Germans are fighting bitterly every step of the way.

The Turks lost seven thousand men in a desperate fight when the Australians stormed ahead to avenge the death of General Bridges.

Londoners are warned to close all windows in Zeppelin raids as the Germans may use poisonous aerial bombs.

Serbia has gathered together a new and well-equipped army for a fresh invasion of Austria.

PRINCESS PATS USE ZAM-BUK:

Nothing More Welcome in Trenches Than It.

Pte. J. R. Smith, of the "Princess Pats," writing to a friend in Ottawa, says: "Tell the friends if they want to help me, such articles as socks, handkerchiefs, cough lozenges and Zam-Buk would be useful indeed."

Scores of other messages from the front are to similar effect. One private writes: "Mrs. offered to send me a rug. I have written to tell her to send out some Zam-Buk instead. It will be of more use here than all the blankets in creation."

Another says: "Advise every one of the boys to bring with him a box of Zam-Buk. It is better than a loaf of bread to a starving man out here."

Still another private says: "On the retreat from Mons we had a forced march of 37 miles, and not a man who used Zam-Buk on his feet fell out."

Fore sore feet, chafed places, scalp sores, barbed wire, scratches, cuts, abscesses, painful sores, etc., Zam-Buk is a veritable marvel. It stops the pain and heals so rapidly. Here it costs but fifty cents per box. Out at the front, to your friends in the trenches and engaged on communications, it is priceless. Send a few boxes in your next parcel. Remember also that, for the same kinds of injuries sustained at home, it is just as good.

Told In Twilight

(Continued from page 2.)

Ladies' Day at the Frontenac Club this week was much enjoyed by a large number of members and their guests.

A jolly picnic at Cartwright's Point on Thursday included Misses Grace McLeiland, Dorothy Chown, Bessie Farrell, Cook, Eva Cook, Drummond, Margaret Murray, Lily Murray, Margot Fraser, and the Misses McGee, Merrickville.

Miss Phyllis Plummer left on Thursday for her home in Stratford.

Mrs. Webster and Miss Constance Webster, Hamilton, are with Mrs. Cooke at St. Mark's Rectory, Barfield, for a few days.

Miss Erica Groat is the guest of Miss Annie Daly, Albert street.

Douglas Anglin is in town from Portland, for a holiday.

Mrs. J. M. Campbell, Emily street, returned from New York on Friday, bringing Miss Marjorie Campbell with her for a visit.

Miss Isabel Ross and Miss Beatrice Ross, Montreal, are spending a few days with Mrs. Charles Taylor, Johnson street.

Mr. and Mrs. "Jack" Calvin, Ottawa, are with Mr. and Mrs. Hiram Calvin, King street, for the week-end.

Mrs. Hamilton, Miss Sibbald Hamilton and Colin Hamilton, Earl street, are at their summer cottage at Wolfe Island, over the holiday.

John H. Byrne, Ottawa, is spending the week-end with Mrs. Byrne, who is the guest of her mother, Mrs. G. S. Oldreive, Wellington street.

"Jack" Wilson was in town from Toronto for a few days this week.

Miss Bessie Chapman, Queen street, was hostess at a delightful miscellaneous shower yesterday afternoon in honor of Miss Bessie Dunlop.

Miss Laura Nicolle, Barrie street, was a tea hostess on Thursday afternoon in honor of Mrs. T. Clarence Chown, Montreal.

Mrs. Douglas Hammond, King street, left to-day for a visit in Brantford with her parents, Mr. and Mrs. A. H. Kohl. Mrs. Dennis, who has been her guest, accompanied her as far as Toronto.

Mrs. C. Bennett, "Otterburn," will go to New York on Tuesday, and sail for England next Saturday by SS. New York. Mrs. Douglas Young and Mrs. Elmer Jones have also taken passage on the same boat.

Mr. and Mrs. W. F. Nickle and family will go to "The Shieling" to-day for the summer.

Arthur Mills, son of Bishop and Mrs. Lennox Mills; George Taylor, son of Mrs. Charles Taylor, King street, and ex-Gadet Jan Macnaughton are three members of the Montreal Battalion, which arrived safely in England this week, and who are well-known in Kingston.

Mr. and Mrs. Cornelius Barmingham are expected home from New York this week.

Miss Jessie de Carle, Brockville, arrived yesterday to spend a few days with Miss Eileen Wright, Alfred street, who is entertaining informally at tea in her honor this afternoon.

Mr. and Mrs. A. Whitfield, announce the engagement of their only daughter, Gertrude Sara, to J. S. Asselstine, Kingston. The marriage will take place very quietly early in June.

Mrs. Robinson and the Misses Claire and Elsie Robinson are spending the week-end in Ottawa with Mrs. Cox.

Miss Isabelle Waldron, King street, returned from Toronto Thursday, where she was the guest of Miss Isabel Macauland.

Lieut. Horace Lawson went to Montreal on Wednesday and expects to sail this week for England.

Arthur McParland, Gore street, sailed to-day from New York for England by SS. St. Paul.

Mrs. James McParland and Mrs. Edward G. Kenney left for New York yesterday to spend a short time.

Mr. Ward, who has been attending McGill, arrived from Montreal this week to spend the summer with his mother, Mrs. John L. Whiting, and Mr. Whiting, Clergy street.

(Continued on Page 10.)

Napanee

May 21.—In the Police Court yesterday, before Magistrate Rankin, H. Schryver, appeared, charged with stealing old brass and copper from E. Pringle, junk dealer. It appears that for some weeks there have been small quantities of brass, etc., missing each day, and not until yesterday were the police able to locate the thief, who was arrested by Chief Graham, and a quantity of the stolen goods recovered. Schryver was sentenced to jail for thirty days.

David Andrews, an employee at Light's sash and door factory, met with an unfortunate accident, while at work on a joining machine his left hand became entangled in the machinery, severing the first two fingers.

While gathering driftwood down the river to-day, some small boys discovered a fish net set across the river. They notified Fish Inspector P. Daffoe, who seized it, with the fish it contained.

Word was received by his mother to-day from Pte. Kelvin Harrington, who was listed as missing in the official casualty list, that he is a prisoner in the hands of the Germans, and is slightly wounded.

The Napanee Cheese Board met to-day, and there were about eleven hundred cheese offered at 18 9-16c.

Arthur Young put his new motor boat into the water to-day, and will try it out by taking some friends to
